HANDS, ARMS, LIMBS ASLEEP

And Was Run-Down, Weak and Nervous, Says Florida Lady. Five Bottles of Cardui Made Her Well.

Kathleen, Fla.—Mrs. Dallas Prine, of this place, says: "After the birth of my last child... I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time..."

I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. about my taking Cardui. He said, 'It's a good medicine, and good for that trouble', so he got me 5 bottles... After about the second bottle I felt greatly improved... before taking my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides."

You can feel safe in giving Cardui thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It could help you, too. Try it. E 74

Constipation. The beginning of almost every serious disorder is constipation. If you want to enjoy good health, keep your bowels regular. This is best accomplished by proper diet and exercise, but sometimes a medicine is needed and when that is the case you will find Chamberlain's Tablets are excellent. They are mild and gentle in their action, easy and pleasant to take. Give them a trial. They only cost a quarter.

If you are not already one of my customers, give us a trial. All work guaranteed.

Attention, Mr. Motorist!

There are men who make oath that they get twice as much mileage to the gallon of gasoline when they use MIRACLE MOTOR-GAS. This is put up in tablets, and you use one to the gallon. It is guaranteed to clean your engine as clean as the day you bought it, and does away with valve grinding. It makes your engine pull stronger, and you get an extra gallon of gasoline for three cents. Order a trial package of 100 tablets to-day, and be convinced. Price \$1.00.

A representative wanted for each county. Write for terms. This is a great opportunity for a hustler. You may bank on this being all that it claims to be and more. It is a business proposition. Who is it that won't give three cents for 23 cents?
