Two Carloads of Chevrolet Cars

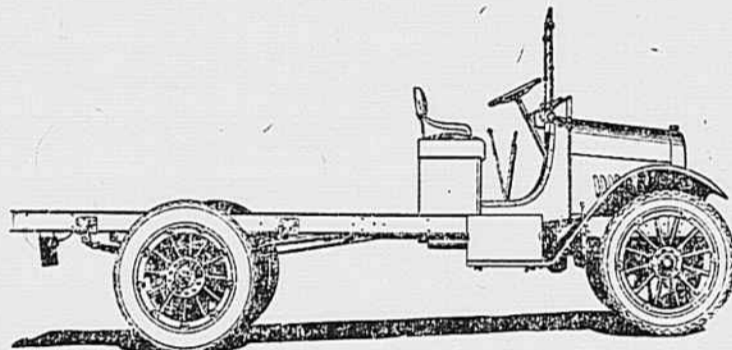

We are now in a position to supply the people of Edgefield with Chevrolet automobiles—immediate delivery—having just received two carloads. If you contemplate buying a car better place your order now while you can get what you want. We shall be pleased to give you a demonstration.

The people who own Chevrolet cars and trucks can tell you about their merit. Ask a Chevrolet owner about their small gasoline consumption, their cheap upkeep and lasting qualities.

The Chevrolet trucks are growing in popularity among farmers. We invite farmers and merchants to call and let us demonstrate their superior quality.

The demand is GREAT. Get a Chevrolet automobile or truck while you can

Sweetwater News.

"The heavens declare the glory of God, and the firmament showeth His handiwork." Such has indeed been the case for the past two weeks, at intervals varying in their results and conclusions.

First of all, the spring with its birds and flowers has burst before us reminding us that amid the encircling gloom of winter, the birds have not forgotten to sing nor the flowers to lend to the waiting earth their fragrance and beauty.

Singularly contrasted with this joy and happiness came the natural reverse as the pendulum of time swung backward. March came in like a lion and in like manner passed out, the result of which departure is continuing into sunny April.

We were surprised that for some unknown reason last week's news, duly written and posted by Miss Helen Gardner, did not reach its destination, so of course, failed to appear in The Advertiser.

Wind storms, not to mention other washing tornadoes, caused the loss of valuable crops of corn, cotton and

tobacco in this section of the country. The farmers are heavily damaged through the terrible washouts in their nicely prepared lands.

Sunday afternoon the Cooper school children enjoyed an egg hunt at Sweetwater church. All of them were there with a number of their parents, who kindly assisted in hiding the eggs. The first prize was given to Mr. J. Q. Cogburn, of the larger children for finding the most eggs, and to Miss Kathrine Reece among the smaller children.

We are all glad that we are having a nice well bored for a pump to furnish water on the school grounds.

It is a great disappointment that we will be unable to get State aid in the purchase of our library, after all plans and applications had been made. But we still hope to get it anyway. The legislature has failed to make its usual appropriation of \$5,000 for such purposes.

There will be a meeting of the School Improvement Association at an early date to discuss this question, and other business, and everyone in-

terested is urged to be present.

It is with deep regret we learned of the death of Mrs. Sallie Bunch. We sympathize deeply with the entire family at this hour of their bereavement. It should be a great consolation to them to think that she has been spared to them so long, being a lady of Christian ideals and principles.

Mr. and Mrs. W. A. Stephens moved into their new home, "The Home Place," the first of April. We miss them from their former abode, the Butler Place, which is now in the hands of Mr. Paul D. Carswell of Southwest Georgia. We are glad to have him in our neighborhood.

Mr. and Mrs. Lawrence Stephens, Sr., occupied for the night, their nice new bungalow among the pines. It is an ideal little spot, just suited for two, so worthy, and we wish them both much happiness there.
