How many miles did you march the summer Cleveland was nominated

REMEMBER the time the first automobile parade was organized? Even the good old torchlight procession had to give way before the advance of progress.

He needs it *more than anyone else*. It's part of our job, as we view it, to see that he gets it.

Our tire service starts with good tires—U. S. Tires. All sizes made to a single standard of quality—none graded down to the price of the car they will go on.

U. S. perfected the first straight side automobile tire—the first pneumatic truck tire.

The U. S. guarantee is for the life of the tire, and not for a limited mileage.

When we recommend and sell U. S. Tires we do so in the interest of greater tire economy. It is our experience that that is the best way to build up a sound and sizable business.

Tires are often sold the same way politics are.

The last people to wake up to what they are getting are the people who pay the bills.

The bills are getting too big these days in both cases. And the man who is feeling it most with respect to tires is the man who owns a moderate-price car.

The idea that the small car owner doesn't need a good tire is rapidly going the way of all mistaken ideas.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Cords.

ROYAL CORD—NOBBY—CHAIN—USCO—PLAIN

Edgefield Flour, Corn and Feed Mill

Am now ready to serve the public. Have just completed a strictly modern flour mill with all latest machinery and conveniences. Our machine is the American Marble Flour Mill system. Bring your wheat right along and eat home-made flour—better than anything you secure store bought.

We also shell and grind corn. Have us grind your next meal. Our feed mill will take care of your stock wants.

Pound for pound the steels in a
MAXWELL
equal those in any car built

The Maxwell construction, employing these fine steels, results in a light-weight car, that gives not only brilliant performance, but the rare combination of durability, economy and comfort.
