I Have Message For
You

"I'M THE MAN"

I am a hunter of bargains—not men. I have something important to tell those of you who want to make every dollar do double duty. "Come," said Mr. Turner, "help us put on a sale that will be the one big startling sensation of the season. A sale so full of human interest that it will be the talk of the thrifty for days to come. Take charge of our stock—hunt high and low—into boxes—under counters—here—there—everywhere—unearth bargains—find goods people want and need. Then slash! smash! We need the money. Slaughter the price; forget the cost. I stand back of you, no matter what the cost may be."

And I have taken Mr. Turner's word. If you read carefully this page advertisement you will see what remarkable bargains I have discovered and how unmercifully I have cut the price with never a thought of the cost.

Come and see how far you can stretch the purchasing power of a dollar. Every article in this stock has been reduced, and it would take a whole newspaper to tell you about or list every article. Come early. Compare prices and when you have figured the savings on your fall supply you will be glad I came to **The Corner Store** bargain hunting for YOU and the good people of this community.

Yours for bargains,

EDW. J. SAARI.
