Mr. and Mrs. B. T. Lanham have the sympathy of their friends in this hour of their great bereavement caused by the death of their little son, George Lanham, Tuesday night of last week. Elsewhere in this issue is published a beautiful tribute to this little son of Mr. and Mrs. Lanham.

Joseph and Herman Daitch arrived in Edgefield from New York Sunday. They are brothers of Mr. Victor Daitch and reached New York from Kobrin, Poland, about five weeks ago. Neither of them can speak a word of English and both suffered greatly from lack of proper food and nourishment during the war, the younger of the two being quite small for his age.

### Musical Tea.

A delightful musical tea, under the auspices of the Ladies' Guild of the Episcopal church will be a charming social event early in May. The program and further particulars announced later.

### Jeffries-Bland.

Mr. J. P. Bland of Johnston and Miss Snow Jeffries will be married today in Knoxville, Ten., where a sister of Miss Jeffries resides. Mr. Bland, accompanied by Mr. and Mrs. James E. Hart, Jr., left Edgefield Saturday in his new Studebaker for Knoxville. He and his bride will take a motor trip through the mountains stopping at Asheville, while Mr. and Mrs. Hart will return to Edgefield on the train. We will have a fuller notice of the marriage of these two widely beloved young people next week.

### Increasing Demand For Ford Cars.

The figures which are published in the advertisement of Messrs. Yonce & Mooney and H. G. Eidson this week, show that there is a steady increase in the demand for Ford cars and the production is not equal to the demand. If you contemplate buying a Ford car or truck, you had better place your order now so it can be filled as your turn comes. The Ford car is the leading car in popularity because the purchase price is not so great and the expense of operating is very low. Read the Ford advertisement in this issue.

### Dr. and Mrs. R. A. Marsh Entertain For Mr. and Mrs. J. D. Holstein, Jr.

Among the delightful parties that have been given for Mr. and Mrs. J. D. Holstein, Jr., whose marriage was of such great interest in Edgefield, was a dinner party on last Wednesday evening, given by Dr. and Mrs. R. A. Marsh.

Covers were laid for fourteen guests, unshaded candles in silver candle sticks adding a soft glow to the beautifully appointed table that was centered with an artistic arrangement of Killarney and Bride's roses.

After the elegant course dinner the guests repaired to the living room where tables were arranged for bridge.

### Hawaiian Musicians Coming.

The next lyceum attraction will be given by Hawaiian Singers and Players in the Opera House Thursday night, May 5. To all who have heard Hawaiian musicians perform an announcement of their coming is all that is necessary. They will not have to be urged to attend. All former entertainments given in Edgefield by Hawaiians have been largely attended and we feel confident that the lyceum entertainment on May 5 will be well patronized. The troupe is composed of four men, each of whom is an artist. They sing for the talking machine companies and the records are very popular.

### Held Annual Meeting.

The annual meeting of the stockholders of the Farmers bank was held in the directors' room of the bank Thursday and all who are in any way interested in the bank were delighted with the very excellent showing that was made. The statement which was presented by the president, Mr. A. E. Padgett, was highly satisfactory to the stockholders. From the earnings of the year a dividend of 8 per cent. was ordered paid at once and the remainder passed to undivided profits account. The capital stock of the bank is \$75,000 and the surplus and undivided profits amount to \$113,150 after the dividend was provided for. The deposits of the bank aggregate \$378,368.12 and the loans amount to \$537,429.16. The bank owes only \$75,000 for borrowed money. The board of directors was re-elected and the following officers were re-elected: Mr. A. E. Padgett, president; Mr. T. H. Rainsford, vice-president; Mr. W. H. Harling, cashier and Mr. W. A. Timrod's poem on Spring was read by Mrs. Tillman, and a sketch of the two Memorials at Washington, the Lincoln Memorial and Washington Monument read by Miss Sarah Collett. After this a victrola selection, a Hawaiian melody was given.

Mrs. Ennett was welcomed again to the chapter after an absence of several months in Europe, and expressions of appreciation of her letters were given. Mrs. Ennett did not know these letters were being published until a number of them had been read by the people and enjoyed.

Little Lovick Mims, Jr., was also a welcomed visitor and was commended for sitting through a woman's meeting program without a protest. At the close strawberry cream and cake were served.

### Lovely Afternoon Card Party.

Mrs. Charles Griffin entertained most charmingly on Thursday afternoon of last week in honor of Mrs. James O. Sheppard and Mrs. J. D. Holstein, Jr.

A lovely feature of the affair was the profusion of exquisite flowers used throughout the large hall, reception room and dining room, which were en suite. Mammoth Paul Neyron roses, waxy Bride's roses, shell pink Maman Cochet roses, pink peonies, fragrant, white, old fashioned pinks, and stately Easter lillies greeted the eye from every table and mantel, filling the air with a mingled perfume that was the essence of spring time.

After the interesting games a delicious salad course was served. The two honor guests were presented with dainty white silk hose. Miss Justine Cantelou captured the souvenir given for head prize and Miss Margaret May the one for the booby.

The afternoon was one of unusual pleasure—guests from Johnston and Trenton adding their presence to the brilliant function.

### Robbers Apprehended.

About ten days ago the store of Mr. J. L. Ouzts of the Mountain Creek section of Greenwood county was robbed and last Wednesday night the stores of Mr. G. W. Wise and Mr. A. J. Day of Trenton were robbed by the same parties. Thus far seven arrests have been made in connection with the two robberies, the youngest of the robbers, Vester Hays, only 14 years of age, has confessed and told everything he knew about the affair, giving the names of those who were connected with it. Up to this time the following have been arrested, the names being furnished The Advertiser by Sheriff Swearingen: Tobe Boone, alias Tobe Hays, alias Jack Hawkins, Herbert Boone, Carl Hays, Elma Hays and Vesta Hays. As the first robbery occurred in Greenwood county, Sheriff Swearingen turned the parties over to the sheriff of Greenwood county after being arrested. Those who broke in the Trenton stores stole the automobile of Mr. Frontis Timmerman and went to Trenton in it. The car had a flat tire which made it easy to track. This led to the apprehension of the guilty parties. About \$500 worth of merchandise, some belonging to Mr. Ouzts and some to the Trenton merchants, was recovered in the woods near the Hays saw mill, it being packed away in suit cases. The mill is located on the plantation of Mr. J. Whit Dorn. All of the parties connected with this bold and very daring theft were from North Carolina. Not an Edgefield county man is in any way implicated.

## Some FACTS About

# Ford

THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January 1, 1921, and how many have been sold to retail customers in the United States.

	PRODUCED	DELIVERED TO RETAIL CUSTOMERS
JANUARY	29,883	57,208
FEBRUARY	35,305	63,603
MARCH	61,886	87,221
Total Reduction	127,074	Total Retail Sales 208,032

showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembly plants combined calls for only 90,000?

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt deliveries.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay. Phone us or drop us a card.

### Philharmonic Club.

Mrs. B. B. Jones was hostess for the Philharmonic Club on Wednesday afternoon.

During the business hours Mrs. Tillman gave a few words about the National Federation of Music Clubs, followed by a more detailed account by Miss Margaret May. Mrs. Maxwell of Johnston who attended the Federation at Camden was present and read a report to the club. Mrs. Gile of Littleton, N. H., another visitor, gave a few very interesting words of the life of Edward McDowell, who lived near her and whom she knew personally.

The chairman of the musical program, Mrs. M. B. Tucker, then took charge of the meeting. Mrs. Corn of Johnston sang very charmingly Schubert's "Serenade," which was greatly enjoyed. She was accompanied on the piano by Mrs. Maxwell. Miss Ruth Tompkins gave a group of songs, "Sylvia," "Banjo Song" and "Since We Parted," which was followed by the story of the opera, Mignon, and a song from the opera "Knowest Thou Not That Fair Land" by Miss Norris. Miss Justine Cantelou played Second Mazurka by Godard after which Miss Margaret May sang in her usual lovely way, "Voices of Spring." Mrs. H. C. Mitchell delighted the club with a piano solo, "The Lily of the Valley" which completed the program.

Other visitors were Mrs. Mary Walker of Chicago and Mrs. Gantt.

At the close of the program the hostess assisted by Mrs. Jas. E. Hart, Jr., and Mrs. Allen Samuel served a delightful salad course and iced tea.
