

Greenwood and Edgefield Join in Distributing Official Guide Map.

Will Join Augusta, Savannah, Brunswick, Jacksonville and Others in Distributing Map in North, East and West—Dixie Highway a Great Asset for This Section of the Country.

With the completion of the Dixie Highway Division passing from Asheville through Greenville, Greenwood, Edgefield and into Augusta and on to Savannah, there is opened up to this territory another artery or trunk line highway.

The business interests living along this highway have made large expenditures and in many places personal sacrifices in order that the highway be completed. This is now an accomplished fact. There is no better highway to be found in this section of the South. Passing as it does, from the mountains to the sea it offers to our people the greatest advantage to be found in automobile travel and the men who completed this highway have given South Carolina and Georgia an internal revenue from both commercial and pleasure standpoint. At a meeting in Greenwood Friday night, presided over by President R. B. Curry of the Greenwood Chamber of Commerce, Mr. Curry made a pleasing address, in which he outlined the value of the Dixie Highway, and stated that the meeting was called to discuss the advisability of entering into the cooperation publicity plan the city of Augusta is now forming in order to distribute the United States Official Highway Road Guides through out the North this summer. Mr. Curry's address inspired men who had heretofore known nothing of the value of the Dixie Highway.

A special delegation from Edgefield attended this meeting and Mr. J. H. Cantelou, president of the Edgefield Chamber of Commerce, outlined the future policy of Edgefield, and stated in forcible language that Edgefield intended to assist in making the Dixie Highway a trunk line from the West, North and East through the South and on into Florida. He stated that Edgefield had thoroughly investigated the commercial value of the highway and he assured the meeting that from the tourists travel alone Edgefield would be willing to exert every effort toward any plan for publicity Augusta or any other city started and they had agreed to co-operate with Augusta on the Official Road Map distribution.

Mr. Vause, of the Dixie Highway Hotel, Edgefield, made an address to the meeting outlining the value as seen from a hotel man's standpoint, although Mr. Vause was instrumental in establishing a free motor camp ground in Edgefield. During the meeting a 'phone message was received from Mayor Hertzog, of Greenwood, stating that the city council was in session but would like to attend this meeting in a body which they did and Mayor Hertzog, in speaking for Greenwood, assured the gentlemen present that Greenwood was alive to the situation and thoroughly endorsed and would co-operate financially with Augusta, Savannah, Brunswick, Jacksonville and all the towns so far enlisted in the plan to distribute the Official Highway Map throughout the North this summer. He stated that he knew a great caravan of people could be induced to travel this way, to settle in our country, to help develop our farming industries and, in short, he considered the Dixie Highway one of the greatest assets this state or any other state possessed through which it passed.

After a few moments discussion resolutions were sent to this paper by the Greenwood Chamber of Commerce and the Edgefield Chamber of Commerce complimenting the city of Augusta on its broad plan of endeavor and stating that they would co-operate fully and assist in every manner towards making the proposition the biggest success possible.

The Chronicle wishes to extend its thanks for the courteous attention given Mr. Chas. F. Rossignol, who explained this proposition at the above mentioned meeting and to the Oregon Hotel for courtesies to Mr. Rossignol.—Augusta Chronicle.

Why That Headache?

When you know the cause of a disease a cure may often be effected. This is particularly true of headache. Headache often results from constipation or a disordered condition of the stomach which may be corrected by taking a dose or two of Chamberlain's Tablets. Try it. These tablets are easy to take and mild and gentle in effect.

Cures Old Sores, Other Remedies Won't Cure. The worst cases, no matter of how long standing are cured by the wonderful, old reliable Dr. Porter's Antiseptic Healing Oil. It relieves Pain and Heals at the same time. 25c. 50c. 1.00

Short Course For Women at Winthrop.

From July 4 to 16 the Short Course for Women will be offered at Winthrop College. This course, offered at the request of the club women of the State, is designed to meet the needs of the woman in the home who is hungering for intellectual stimulation and for recreation.

Any course offered during the Summer School is open to those who attend this Short Course, but a special program is arranged in order that some unit in each subject may be covered in the two weeks' session. This program will include studies in English, history, psychology, home nursing, household arts, household science, social science, parliamentary law and citizenship. All are interested in reducing adult illiteracy, and to aid this work Miss Eva Hite, former President of the State School Improvement Association, will give a course in methods of teaching adult illiterates.

During this course there will be several important conferences held at the college. The nurses and hospital workers of the state will hold one, lasting probably the entire two weeks. Mrs. F. S. Munsell, Chairman of the South Carolina League of Women Voters, has called a meeting of the heads of the various state organization to meet at the college on July 6 for a conference.

This Short Course given an opportunity for the woman in the home to renew her youth, to refresh her memory on many points, and to receive inspiration to carry back to her home and her community.

The cost of this delightful two weeks is simply the cost of board, \$9.00 per week or \$2.00 per day for a shorter length of time. Those wishing to reserve rooms or secure further information may write to Miss Leila A. Russell, Winthrop College, Rock Hill, S. C.

NOTICE.

We having organized the Edgefield National Farm Loan Association in connection with the Federal Land Bank, I shall be glad to file your application for a loan.

J. H. CANTELOU,
Secretary-Treasurer.
