STRAIGHT FROM THE SHOULDER

"I'm the Man"—F. D. Merrill

Friends, I am not here to waste words—no indeed I am here to **SELL OUT—CLOSE OUT—SMASH OUT** at least half of this stock. Never before has a merchant offered me the prices to present to the public as The Corner Store. I am going to turn this stock as quickly as possible. **TEN DAYS IS THE LIMIT OF TIME.** I don't care a rap how "fed up" you are on so-called "sales" or how disappointed you have been with some of the bargains you have bought, for I am going to turn this community topsy turvy with the most **SENSATIONAL BARGAIN FEAST** you have ever had the good fortune to share in. I have been given complete charge. Its up to me and nothing can hold me back. **COME EXPECTING BARGAINS.** COME to this saving opportunity of a lifetime. I have arranged the stock in such a manner that you can wait on yourself. **EVERYTHING MARKED IN PLAIN FIGURES.** If price cutting will sell goods, this stock will go quick. **MEET ME HERE SATURDAY.**
