There was a small meeting at Rich-ton but they enjoyed a few speeches from the candidates present.
The Cross Roads meeting was well attended by voters and candidates who did themselves justice in their speeches. Everybody enjoyed the excellent old-fashioned dinner furnished by Mr. Reeder.

The Meeting at St. John.

The revival services conducted by the Rev. J. G. Graichen at St. John last week were well attended and much good accomplished. The people were greatly encouraged by the manifestation of the power and goodness of God in the awakening and conversion of sinners and the strengthening of those of his children who had become lukewarm and indifferent to the demands of the Church and the welfare of their souls. The Pastor's heart was made to rejoice at seeing the work of the Lord thus prospering in his hands, and the spiritual warfare he is waging in the name of the meek and lowly Jesus against the powers of the kingdom of darkness and death receiving the divine favor. Mr. Graichen is doing effective work in his charge and has added many stars to his crown of glory which he will receive when the Master comes to make up his jewels.

St. John's Meeting.

Our special services at St. John's were crowned with no small degree of success. Nine promising young persons were received into the church and the entire community manifested a deep interest in all of our work. The church is greatly encouraged and is flushed with victory and future success. We praise God and go forward. J. G. GRAICHEN, Pastor.

If you want to split your cheeks laughing, don't fail to attend the minstrel show in the court house Friday evening. Read the advertisement in this paper.

Candidates should know that as "white folks are uncertain and niggers doubtful there is no royal road to success in a primary. So don't feel bad if you are disappointed."

Mr. D. A. Richardson's barbecue at White Rock last week was an excellent one. The attendance was fair, but not many candidates. Mr. F. C. Caughman was the main speaker.

It is now said that J. Hendrix McLane will be a candidate for Republican nomination for Congress from the Fourth District, also Postmaster Wilder of Columbia and Dr. J. F. Ensor.

All the candidates now seem jubilant over the prospect of success in the primary but as some are bound to be elected to stay at home they will find all kinds of cold drinks at the Bazaar to cool them off.

WASHINGTON, August 20.—Col. J. C. Haskell was interviewed last night in New York, in which interview he pointed clearly to Tillman's election as governor. Judge A. C. Haskell takes a different view of the policy of the party in the State, and denounces Tillman as a demagogue.

The Bamberg Alliance Warehouse, Manufacturing and Banking Company is making final arrangements for the erection of their warehouse here. The money has all been subscribed and paid in. The committee in charge of the building, has cast about for bids, and it is expected that their warehouse 70x100 feet, built of brick, will be completed in six days. The location secured is the old Slater stand. A charter has been applied for, and the company will soon be in a position to begin operations. Mr. R. L. The agony of the political excitement will soon terminate but the joy attending the purchase of cheap groceries and provisions still lasts at T. B. Aughtry & Co's., Columbia. They have the largest stock of fine groceries and standard hardware in that city, and don't you forget it and see selling them at prices which fill the hearts of purchasers with joy.

There are very few people of Lexington county, who have never bought groceries from that "prince of good fellows," Archie McCraey, Columbia, for the good reason that people can't help buying from him as he sells the best, the most and the cheapest in that market. If you, the reader, haven't found this out, suppose you give him a trial, and he will prove it to a dead certainty.

At a considerable cost the Dispatch has secured perfect likenesses of Messrs. Eberhardt and McCreey, and men in the Columbia Amateur Minstrels and they appear in the advertisement in this issue. Look for them and be sure to go and see them, you will readily recognize them as they appear on the stage Friday evening by their pictures.

Judge Kershaw is at the celebrated "Sanatorium" at Danville, New York, where he is steadily improving in health and strength. The physicians say that his health is not seriously threatened, that he only needs a term of rest until winter to be completely restored.
