We know whereof we affirm when we state that Ayer's Pills, taken promptly, at the first symptoms of colds and fevers, arrest further progress of these disorders, and speedily restore the stomach, liver, and bowels to their normal and regular action.

If you owe the Dispatch any money call and settle up. A number of Communications

crowded out of this issue. NOTICE. I WANT every man and woman in the United States interested in the Opium and Whisky habits to have one of my books on these diseases. Address B. M. Woolley, Atlanta, Ga. Box 382, and one will be sent you free.

All kinds of watches, clocks, jewelry, guns and pistols repaired at the shortest notice, at the lowest prices and in the most workmanlike manner. All work guaranteed. J. M. CRAPS, Lexington, S. C.

Senator Efird left for Columbia, Monday to take his seat in the State

Mr. Alexander Marks is in Columbia in attendance upon the United States Court as a petit juror.

Your name will be printed on 100 good envelopes at the Dispatch office for 50 cents. Bill, letter and note heads proportionally cheap. Every person should use printed envelopes.

We invite ladies to write us about their troubles. Thacher Medicine Co., Chattanooga, Tennessee.

Monday is sales day. There will be some valuable property sold by the Clerk of Court and the Sheriff. Don't forget to pay for your paper.

Print your name and business on the upper corner of your envelopes and this will insure prompt return to you if letter is not delivered, and prevents it from being sent to and opened at the Dead Letter office and saves much time and annoyance. The Dispatch will print 100 good envelopes for 50 cents cash.

Rev. G. Edwin Stokes, we are pleased to say, has been returned to this Circuit for another year by the South Carolina Conference.

W. A. McGuire, a well known citizen of McKay, Ohio, is of the opinion that there is nothing as good for children troubled with colds or croup as Chamberlain's Cough Remedy. He has used it in his family for several years with the best results and always keeps a bottle of it in the house. After having la grippe he was himself troubled with a severe cough. He used other remedies without benefit and then concluded to try the children's medicine and to his delight it soon effected a permanent cure. 25 and 50 cent bottles for sale at Julian E. Kaufmann's drug sters.

W. H. Sharpe, Esq., the brilliant young orator of the Lexington Bar, was licensed to practice in the United States Court, Monday.

A cup of muddy coffee is not wholesome, neither is a bottle of muddy medicine. One way to know a reliable and skillfully prepared blood-purifier is by its freedom from sediment. Ayer's Sarsaparilla is always bright and sparkling, because it is an extract and not a decoction.

At a mass meeting of the citizens of New Brookland, held in that town Monday, it was decided to have the place incorporated under the name of Brookland.

For a pain in the side or chest there is nothing so good as a piece of flannel dampened with Chamberlain's Pain Balm and bound on over the seat of pain. It affords prompt releif and if used in time will often prevent a cold from resulting in pneumonia. This same treatment is a sure cure for lame back. For sale at Julian E. Kaufmann's drug store.

The night services at St. Stephen's have been discontinued. Hereafter there will be preaching there every Sunday afternoon 4 p. m. We believe that this change will not be popular.

In the majority of cases, Neuralgia is caused and continued by some disease of the female organs. Stella-Vitæ will cure these diseases; and it is for sale at the Bazaar.

Messrs. A. M. Long & Son, have sent to this office a sample of rice hulled and polished by themselves, which is of a beautiful white, free from chaff and rough grains and is equal, if not superior to the well and favorable known Carolina rice, in every respect.

Tomorrow is thanksgiving day. There will not be a meeting of the Good Templars Friday night. If what Mr. P. H. Martin says of Cole's New Domestic Coffee is true, it is a good thing. See his advertis:

The place to buy clothing is no longer a secret, Kinard, the men's and boys' outfitter of Columbia, has one of the largest stocks of clothing, gents' furnishing goods, hats, shoes etc., in the State, which he is offering at prices that will suit the purse of any one. Purchasers of clothing will doubtless lose money if they fail to call at this great clothing emporium and examine and price their

J. S. Dunn, the manufacturer of saddles, harness and bridles, Columbia, is offering astonishing bargains | Cure is the only positive cure known to the cash purchaser. There is no excuse now for a farmer to have old dilapdated and broken harness, when he can go to this establishment and buy a brand new set for such a little amount of money. He also keeps a large and well selected stock of fine pocket and table cutlery, tution and assisting nature in doing razors, etc., and low prices.

Danger from Catarrh.

The most important feature about that very common complaint, catarrh in the head, is its tendency to develop into some other more serious and dangerous disease. The foul matter dropping from the head into the bronchitis tubes or lungs is very liable to lead to bronchitis or conlocal applications can do but little posed in him by the people. good. The common sense method of. treatment is to purify the blood, and for this purpose there is no preparation superior to Hood's Sarsaparilla. The powerful action of this medicine upon the blood expels every impurity, and by so doing cures catarrh and gives health to the entire organism.

A Bad State of Affairs.

The people of the South are being

deceived in the purchase of imitation medicines. It's poor consolation to a sick man to be told that the medicine offered him certainly wont do him any harm. Wrong; it will do great harm. It allows the disease to progress instead of stopping it. and this is most dangerous because the disease will soon be beyond cure. This is the best reason why you should be sure to get the right medicine. Don't risk your health in trying any of the many Liver Medicines which have sprung up in the South to be sold in place of Simmons Liver Regulator, put up by J. H.
