Mr. G. M. Harman, editor of this paper, has gone to the lower part of the county on business connected with the paper. During his absence he will mix a little pleasure with business by wetting his line in Gantt's pond. His printer being sick, the forbearance of the readers of the Dispatch is craved.

Mr. S. S. Lindler, writing to the Dispatch under date of April 21, says, "that Mr. J. H. Price's two little boys were thrown from his wagon during a run-away last Wednesday, and the smaller was badly cut on the head and about the face. It is hoped that he will soon recover! He or his mother received some ugly cuts but no bruises."

A suggestion has been made by Capt. J. H. Counts, President of the Irmo Democratic club, in reference to the manner of calling a meeting of the township clubs, which is a decided improvement over that now in vogue, and one which if adopted, will give more general satisfaction. His idea is simply for the County Chairman to call a meeting of the clubs direct instead of ordering the Presidents to call a meeting of their respective clubs.
