Oh, the Pain of Rheumatism!

Rheumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than ever. Rheumatism is a blood disease, and Swift's Specific is the only cure, because it is the only remedy which can reach such deep-seated diseases.

A few years ago I was taken with inflammatory Rheumatism, which became so intense that I was for weeks unable to walk. I trice several prominent physi cians and took their treatment faithfully, but was unable to get the slightest relief. In fact, my condition seemed to grow over my entire body, and from November to March

friend I deetded to try S. S. Before allowing me to take it, however, my guardian, who was a chemist, analyzed the remedy, and pronounced it free of potash or mercury. I felt so much better after taking two bottles, that I continued the remedy, and in two months I was cured completely. The cure was permanent, for I have never since had a touch of Rheumatism though many times exposed to damp and cold weather.

ELEANOR M. TIPPELL,

8711 Powelton Avenue, Philadelphia. Don't suffer longer with Rheumatism. Throw aside your oils and liniments, as they can not reach your trouble. Don't experiment with doctors-their potash and mercury will add to your disability and completely destroy your diges-

It is guaranteed purely vegetable, and contains no potash, mercury, or other mineral. Books mailed free by Swift Specific Co., Atlanta. Ga.
