No Cure—No Pay.

That is the way all druggists sell Grove's Tasteless Chill Tonic for Chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults prefer it to bitter nauseating tonics. Price, 50c.

Not Received.

We understand a card was to have been mailed to the Dispatch for publication in this issue, denying the report that the Captain of the chain gang was keeping his horse at the expense of the county and that the Supervisor was paying him larger wages than paid to the former Captain. The card has not been received which explains its non appearance in this issue.

If the Baby is Cutting Teeth.

Be sure and use that old and well tried remedy, Mrs. Winslow's Soothing Syrup for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Twenty-five cents a bottle. It is the best of all.

Children's Day.

The Annual United Children's day service of the Bethel charge, of which the Rev. S. C. Ballentine is the pastor, will be held this year at Spring Hill, on Wednesday, August 17th. A beautiful service, "About our Father's Business" will be rendered by all the Sunday school scholars in the charge, about 300 in number. Speeches appropriate to the occasion will be delivered. At a meeting of a similar character previously held it is estimated that fully 1,500 persons were there. These services are usually occasions of much instruction and interest, in which much enjoyment is experienced.

The War Progressing.

Peace negotiations between the United States and Spain is satisfactorily progressing and it is expected that peace will soon be declared. Not so, however, between the warfare being waged by S. N. Hendrix, of Columbia, on the one side and high prices on the other. When in need of fine and unadulterated family groceries, chewing and smoking tobacco, canned goods, fruits and summer delicacies, go there to purchase and you will be delighted with the quality, quantity and price.

Shake Into Your Shoes.

A Sad Accident.

We learn that on last Friday, Johnnie, the son of Mr. Luther Powell, met with a serious and unusual accident. While engaged in washing the large plate glass windows of D. W. Shealy & Co., at Leesville, the ladder upon which he was standing in some manner slipped and Johnnie lost his balance and was precipitated through the glass. His flesh was fearfully lacerated, the large popliteal artery was severed and the little fellow came near bleeding to death before medical assistance arrived. In falling his head struck a stone upon the pavement and at last accounts, it was feared that there may have been a concussion of the brain and it is said that one of his legs is so badly gasbed that it may have to be amputated.

Brown's Iron Bitters is sold by all dealers.

The Annual Re-union. The Annual Re-union of the students of Newberry College at Little Mountain last Friday was very largely attended. Conservative estimates place the number at 2000 persons who came mostly from Lexington, Newberry and Saluda counties. An interesting program had been previously arranged and fully carried out. The social feature of the occasion was enjoyed by all. We have not received an account of the proceedings and when we do they will be published with pleasure. The college, in whose interest these annual re-unions are held, is well worthy the support and confidence of our people. Its President, Mr. George B. Cromer, is a scholarly gentleman, ripe in experience and training, with ability surpassed by none. He is assisted in his noble work by an able faculty. Send your boys and girls there to be educated.

Batesburg Items. To the Editor of the Dispatch: The political meeting here at the Taylor 'cue was well attended. E. F. Strother, Esq., presided at the speaking stand, and introduced W. H. Sharpe, Esq., as first speaker. Mr. Sharpe was followed by Mr. Wightman of Saluda, after which adjournment till after dinner, when Messrs. Stokes and Brantly were heard on the burning issues of the day. Politics is very quiet with us, not having a single aspirant in our community for anything we are in a position to judge calmly of the merits of those seeking the various offices, and our people will vote for the best man without regard to persons or expected favors. We are having a tent meeting here in the interest of the Advent denomination. The preaching is by Rev. J. A. Cargile of Alabama. Rev. Mr. Harden, of your place, has been in our vicinity holding a meeting with Rev. Mr. Dantzier at Providence church. Rev. Mr. Renny of Johnston has been holding a protracted meeting at old West Creek church. Rev. Mr. Rivers of Swansea, conducted a series of meetings at Bethlehem, at the conclusion of which the union meeting was held, which was of much interest. That well known servant of the Master, Rev. A. Pope Norris has been in our community lately, and his eloquence, as of yore is still heard appealing to the sons and daughters of Adam to flee the wrath to come. Rev. A. C. Wilkins has been absent recently to Williston, Richland and Salem laboring in the vineyard of the Lord. A protracted meeting will begin in the Baptist church here on the 4th Sunday in this month. Our community was shocked last Saturday night week at the death on the railroad track of old man Wm. Corley, an aged and exemplary colored man who was formerly of your village. He walked on the track in front of the train, doubtless not seeing it, and was horribly mangled by the wheels and trucks of the engine and cars. A small child of Tilda Hendrix, colored, fell in a well at the pump pond and was drowned recently, at this place. Capt. Geo. A. Wagener, President of the Carolina Midland railroad has been in town looking for a depot and terminal site for his road. They are at present doing a kind of union business with the Southern, and our people wish a separate establishment and competitive rates, which we trust soon to have. The town election here resulted as follows: E. R. Steadman, Intendant; J. J. Rawl, W. S. Hite, M. E. Rutland and J. B. Towell, Wardens. Business is fairly good, the melon and fruit crops have been reasonably good and considerable money has been realized by their sale. E. F. Strother has returned after a prolonged visit out West. L. D. Cullum has been to Atlanta, on business. F. C. Aldridge has returned from a trip to Charleston. Hugh O'Neill and family, from Augusta, have been at Mrs. C. S. O'Neill's. Magistrate Addy and Constable Stockman has paid frequent visits to our community lately. J. A. Muller, S. Mc G. Simkins and other attorneys have been with us since we wrote last. Rev. V. I. Masters of the Baptist Church has been working up the interest of his paper in our community. Mrs. Smith of Clover, S. C. (formerly Daisy Harden) is on a brief visit to the parental roof. The most interesting member of the group to grandpas is the little Smith. Mrs. L. V. Gantt of Swansea, with little Annie May, spent several days at Mrs. Hartley's last week. I notice by your last week's issue that our enterprising townsman, Col. C. L. Jones was officiating clergyman at a nuptial ceremony down at Swansea. It seems that the Colonel is always foremost in every good work. Magistrate G. Jones Baltzger, and son, of Wagener, is in town today. L. M. Jones has returned from a visit to his uncle, Capt. J. M. Jones, of Edgefield. We regret to state to the legion of old friends of Capt. Matt, that he is seriously ill and his friends and family have given up all hopes of his recovery. Aug. 8. Occasional. Lexington County Fair. To be Held at Lexington, C. H., Beginning October 26. The Columbia State. The State has received a copy of the premium list of the Lexington county fair, which is to be held at Lexington court house on October 26, 27 and 28. The premiums offered are many and cover everything in the field, household, live stock and fancy work departments, and are such as will prove incentives to make the exhibits full and the fair a big success. Lexington is a close and valued neighbor of Columbia, and our people hope that this second exhibition may prove the source of much profit in advancing the material prosperity of the sturdy old county.

Success—Worth Knowing. 40 year's success in the South, proves Hughes' Tonic a great remedy for Chills and all Malarial Fevers. Better than Quinine. Guaranteed, try it. At druggists, 50c. and \$1.00 bottles.

A bottle of Brown's Iron Bitters taken in time will restore your strength, soothe your nerves, make your blood rich and red. Do you more good than any expensive special course of medicine. Brown's Iron Bitters is sold by all dealers.

The Annual Re-union. The Annual Re-union of the students of Newberry College at Little Mountain last Friday was very largely attended. Conservative estimates place the number at 2000 persons who came mostly from Lexington, Newberry and Saluda counties. An interesting program had been previously arranged and fully carried out. The social feature of the occasion was enjoyed by all. We have not received an account of the proceedings and when we do they will be published with pleasure. The college, in whose interest these annual re-unions are held, is well worthy the support and confidence of our people. Its President, Mr. George B. Cromer, is a scholarly gentleman, ripe in experience and training, with ability surpassed by none. He is assisted in his noble work by an able faculty. Send your boys and girls there to be educated.

Batesburg Items. To the Editor of the Dispatch: The political meeting here at the Taylor 'cue was well attended. E. F. Strother, Esq., presided at the speaking stand, and introduced W. H. Sharpe, Esq., as first speaker. Mr. Sharpe was followed by Mr. Wightman of Saluda, after which adjournment till after dinner, when Messrs. Stokes and Brantly were heard on the burning issues of the day. Politics is very quiet with us, not having a single aspirant in our community for anything we are in a position to judge calmly of the merits of those seeking the various offices, and our people will vote for the best man without regard to persons or expected favors. We are having a tent meeting here in the interest of the Advent denomination. The preaching is by Rev. J. A. Cargile of Alabama. Rev. Mr. Harden, of your place, has been in our vicinity holding a meeting with Rev. Mr. Dantzier at Providence church. Rev. Mr. Renny of Johnston has been holding a protracted meeting at old West Creek church. Rev. Mr. Rivers of Swansea, conducted a series of meetings at Bethlehem, at the conclusion of which the union meeting was held, which was of much interest. That well known servant of the Master, Rev. A. Pope Norris has been in our community lately, and his eloquence, as of yore is still heard appealing to the sons and daughters of Adam to flee the wrath to come. Rev. A. C. Wilkins has been absent recently to Williston, Richland and Salem laboring in the vineyard of the Lord. A protracted meeting will begin in the Baptist church here on the 4th Sunday in this month. Our community was shocked last Saturday night week at the death on the railroad track of old man Wm. Corley, an aged and exemplary colored man who was formerly of your village. He walked on the track in front of the train, doubtless not seeing it, and was horribly mangled by the wheels and trucks of the engine and cars. A small child of Tilda Hendrix, colored, fell in a well at the pump pond and was drowned recently, at this place. Capt. Geo. A. Wagener, President of the Carolina Midland railroad has been in town looking for a depot and terminal site for his road. They are at present doing a kind of union business with the Southern, and our people wish a separate establishment and competitive rates, which we trust soon to have. The town election here resulted as follows: E. R. Steadman, Intendant; J. J. Rawl, W. S. Hite, M. E. Rutland and J. B. Towell, Wardens. Business is fairly good, the melon and fruit crops have been reasonably good and considerable money has been realized by their sale. E. F. Strother has returned after a prolonged visit out West. L. D. Cullum has been to Atlanta, on business. F. C. Aldridge has returned from a trip to Charleston. Hugh O'Neill and family, from Augusta, have been at Mrs. C. S. O'Neill's. Our old friend, Dock Taylor of Lewiedale, a prominent member of the Supervisor's board, has been in town lately on business. Magistrate Addy and Constable Stockman has paid frequent visits to our community lately. J. A. Muller, S. Mc G. Simkins and other attorneys have been with us since we wrote last. Rev. V. I. Masters of the Baptist Church has been working up the interest of his paper in our community. Mrs. Smith of Clover, S. C. (formerly Daisy Harden) is on a brief visit to the parental roof. The most interesting member of the group to grandpas is the little Smith. Mrs. L. V. Gantt of Swansea, with little Annie May, spent several days at Mrs. Hartley's last week. I notice by your last week's issue that our enterprising townsman, Col. C. L. Jones was officiating clergyman at a nuptial ceremony down at Swansea. It seems that the Colonel is always foremost in every good work. Magistrate G. Jones Baltzger, and son, of Wagener, is in town today. L. M. Jones has returned from a visit to his uncle, Capt. J. M. Jones, of Edge
