Elegant Pictures.

Persons wanting first class photographs of themselves and their loved ones should keep in mind that Reckling, Columbia's famous artist and photographer, will be at this place during the three days of the County Fair, and can be found at Baller. tine's Hall, next door east of Kaminer's Hotel. In this connection it should also be remembered that Reckling does no shoddy work at any price and his pictures never fade. When you have a picture taken it should be with a view of having a good one that will be preserved for generations to come and done in the highest manner known to the art. Reckling's pictures answers these essentials in every particular. Bring the babies along as he is a specialists in this department of photography. Give him a trial and you will be satisfied with the

Progressive Brookland

We are pleased to learn that our thriving and prosperous town of Brookland is still advancing up the hill of progress and is growing in population, business and educational

ings there than there was six months ago and her population numbers at least 2,500 and the signs of the times foretells a glorious future for that place. The Brookland High school has been doing a noble work in educating

the young of the place and has exerted an influence for good which will be felt for generations yet to come. This good work will be continued when the school opens on the first Monday in November with Prof J. S. Derrick as principal. Linguages, mathematics, science, book-keeping, penmanship, stenograp'ny, type-writing, vocal and instrumental music will be taught by skilled and experienced instructors. It is the purpose of the Board of Trustees to make this school first class in every particular. The tuition fee will be consistent with the hard times. Board can be had for from \$7.00 to \$1000 per month. The trustees are Messrs. G. A. Guignard, M. H. Witt and A. D. Shull. Full particulars can be had by addressing Maj. J. H. Koon, Secretary, at Brookland.

Many things appear miraculous that are really the result of natural laws, the workings of which can be laws, the workings of which can be accurately predicted. A striking example of this occurred in a prominent Michigan family recently, and there can be no question as to the truthfulness of the narrative since it is attested by Mrs. Harriet Begole, of Ypsilanti, Mich., a sister-in-law of Mr. Joshua Begole, who was Governor of Michigan in 1883-i. Mrs. Begole said: Begole said:
"In 1886 I suffered from a severe "In 1886 I suffered from a severe illness; during which my voice left me and I did not speak above a whisper for nearly 13 years.

"I was treated by five local physicians and afterward consulted leading specialists of New York. They diagnosed my case as partial paralysis, stating that the left side of my throat was entirely paralyzed, the right side partially so. For nearly eight years I have suffered from a severe stomach disorder and about
