Strictly Personal. At the close of the thirty-first volume of the Dispatch, we desire to say a few words to our readers and we hope that every one who is an ardent subscriber will read and digest thoroughly. When our collecting rounds shall have been completed in the county those who have failed to comply with our often repeated request will have the paper stopped to their address. A bill will be mailed and if the amount is not settled in a reasonable time, the account will be placed in the hands of a Magistrate for collection. It is unreasonable to expect us to send the paper continuously for years without pay. Some payment should be made and if this is impossible let us have a settlement and stop, if you are not able to pay for the paper. A word to the wise is sufficient.

A Sad Accident. A shocking tragedy occurred at Brookland yesterday in the home of Mr. Charles Dorrity, an operative in the Columbia Mills, which ended the young life of his child. The facts as gathered from the State, are as follows: "Mr. Hugh Sumner, a brother-in-law of Mr. Dorrity picked a pistol up from the mantelpiece and in some way it was accidentally discharged. The ball, a .38 calibre bullet, entered the child's forehead just above the left eye and ranged directly backward. Dr. Sandel found the ball at the back of the head and removed it. There was never any hope for the little one's recovery."

Doing the Right Thing. The trouble begins with a tickling in the throat and a nagging little cough. Soreness in the chest follows and the patient wonders if he is going to have an all winter cold. Probably, if he does the wrong thing or nothing. Certainly not if he uses Perry Davis' Painkiller, the staunch old remedy that cures a cold in twenty-four hours. There is but one Painkiller, Perry Davis'.

The confetti was a nuisance during fair week in Columbia. Now for the South Carolina and West Indian Exposition. Many of the free public schools of the county are now opened. The dark and dreary November days are with us in all their gloominess. Dr. Taft Bros. Asthmatic and other reliable medicines are for sale at the Bazaar. The time for exchanging old school books for the newly adopted expires on November 15th. Those who have dug their sweet potatoes report a satisfactory yield of fine tubers. The Lexington County fair has nothing to be ashamed of by a comparison with the State fair. The Publisher is in the Fork this week where we hope he is gathering in "the dollars of our daddies." Soon the Columbia green grocers will run up the tallies: "Lexington Sweet Potatoes for sale here." When the six o'clock whistle blows at the Lexington Lumber Co., the electric lights will be burning. The Globe Dry Goods Company's store in Columbia was brilliantly illuminated with electric lights during fair week. Rev. J. G. Graichen, pastor of St. Stephen's Evangelical Lutheran church, in this place, is in Virginia on business. Hon. A. We have been informed that the marriage bells are tinkling their sweetest sounds in Brookland today and two happy hearts will be united in the holy bonds of matrimony. The leaders of fashionable and stylish footwear in Lexington are Meetz & Son, who have a new arrival of men, women and children's shoes, in the latest shapes and toes. Call and see them. Kammer has accepted a position in the immense department store of W. F. Furtick, where he will be pleased to see his Lexington friends and show them some bargains the like of which they never dreamed of. When you visit Columbia call on him. The Board of County Commissioners and the Board of Control were in session last Monday. Only routine business was transacted by both as far as we have been able to learn. The election of dispensers was postponed to a subsequent meeting of the Board of Control. Call and inspect these goods and get a bargain before they are all gone. H. L. Oswald. We are under obligations to Mr. James Leaphart for a mess of Globe Purple top turnips—some of the ones that took the premium at the County Fair. Expert turnip growers say that they were the largest turnips of that variety that they have ever seen, and expressed surprise that they could be brought to such a high state of development. The ladies of Lexington are especially invited to call at the dry goods establishment of Wm. Platt, in the Platt building, near the post office, Columbia, and inspect the lovely array of dry goods, notions and millinery which he is showing. A person in purchasing goods there can therefore feel confident that the full value for the money is given on every sale.

A Handsome Window. The windows of Minnesota's store under Wrights Hotel, were the centre of attraction during Fair Week in Columbia. The corner window was luxuriously and tastefully decorated, a full size figure of a lovely woman stood in the center and arrayed in a lovely gown of the most delicate fabric. Encircling her waist were tiny electric jets which sparkled and flashed like diamonds, sapphires, rubies and other gems. It was a very pretty and effective picture and won the admiration of the beholder. The Christmas Number of The Delinquent. DRS. D. L. BOOZER & SONS DENTISTS, 1515 MAIN STREET, COLUMBIA, S. C. PHONE 230.

Synod Meeting. The South Carolina Ev. Lutheran Synod met in Leesville on Wednesday, October 23rd. The sessions were well attended both by the clerical and lay delegates. A strong synodical sermon was preached by Rev. C. P. Boozer, the President, from Romans VIII. 1, 4, his subject being "Justification by Faith." The members then partook of the broken body and shed blood of our Savior. The President's report was full and replete with suggestions for the good of the denomination, which was satisfactory and well received. The Rev. C. P. Boozer was reelected President for the ensuing year and Rev. Z. W. Bedenbaugh and Rev. S. C. Ballentine, Vice President and Secretary respectively. The various committees were appointed, the Rev. J. G. Graichen, pastor of St. Stephen's church, being on the committee on reports of conferences. The State of the church was discussed by able speakers and synod took such action as was deemed necessary. Upon the whole it was a very profitable session of synod, and the proceedings were marked by thoughtful discussion, earnestness and deep piety and every thing was done with a view to the honor and glory of God and the upbuilding of his kingdom in this part of the moral vineyard.

The World's Greatest Fever Medicine. Johnson's Tonic does in a day what slow Quinine cannot do in ten days. Its splendid cures are in striking contrast with the feeble cures made by Quinine. If you are utterly wretched, take a thorough course of Johnson's Tonic and drive out every trace of Malarial poisoning. The wise insure their lives and the wisest insure their health by using Johnson's Chill and Fever Tonic. It costs 50 cents if it cures; not one cent if it does not. 20-12m
