"WHIZ!! WALK A MILE"

Is a laconic definition of a toboggan ride. It's quick work going down the slide, but it's a long climb back to the starting point. It is very much that way with health; it is quickly lost and slowly regained. When the first symptoms of failing health appear, proper care may prevent the descent to utter weakness and debility. Usually the complication of disorders known as general debility has its origin in a diseased condition of the stomach and other organs of digestion and nutrition. These diseases are perfectly cured by the use of Dr. Pierce's Golden Medical Discovery. It cures through the stomach disorders which have their origin in a diseased condition of the stomach.

There is no alcohol in the "Discovery," neither opium, cocaine nor other narcotic. "I was all run down; had no strength; had sharp darting pains all through me; head and back ache every day," writes Mrs. Frank Caswell, of Salamanca, N. Y. "I was also troubled with a distressed feeling in the stomach and pain in front of the hip bones. I had a severe cough and it nearly killed me to draw a long breath. I was so sore through my lungs. "I wrote to Dr. Pierce, telling my symptoms as near as I could. He sent me a very kind letter, advising me to try his medicine, which I did, and before I had taken them a week I was decidedly better. I took two bottles of the "Golden Medical Discovery" and two of the "Favorite Prescription," and am sure I never felt better in my life than when I quit taking them." Dr. Pierce's Pleasant Pellets are a cure for biliousness.

Our people certainly must believe in fruit culture, as there were representatives of two nurseries here recently with large consignments of trees.
