## After Charlie Jeffcoat.

Thursday afternoon Sheriff Coughman received a telegram from the Governor instructing him to organize posse for the purpose of capturing Charlie Jeffcoat, who is alleged to have been traced to Dixanna, near Columbia in this county, near which place he entered Congaree swamp. Sheriff Coughman did so, but returned without his prisoner. He learned while there that Jeffcoat said that if the South Carolina authorities would let him alone he would leave the State quietly, otherwise he would do his best to kill others and then kill himself before he would be taken alive.

## Will Make an Address.

Hon. A. F. Lever will attend the barbecue at Hilton next Saturday and will address his fellow citizens on that occasion. On account of the regular campaign schedule this will probably be the only barbecue in the Fork that he will be able to attend. He would like to go around with the boys to do his share of "sitting up" to the pretty girls and kissing the babies, but on account of previous engagements, he is compelled to reluctantly delegate these pleasant duties to others.

# Tutt's Pills

After eating, persons of a bilious habit will derive great benefit by taking one of these pills. If you have been DRINKING TOO MUCH, they will promptly relieve the nausea, SICK HEADACHE and nervousness which follows, restore the appetite and remove gloomy feelings. Elegantly sugar coated. Take No Substitute.

## Prominent Candidate.

Col. John T. Sloan, of Columbia, the popular candidate for Lieutenant Governor was here on senatorial day among his many friends and came in to see us. Col. Sloan is a man of achievements and high character. From the favorable comments we see from our exchanges throughout the State, he is making a splendid race, and we believe he will be elected. Our people should give him a good vote as we are in the same Congressional and Judicial districts. Lexington and Richland counties are closely allied together, and our vote should be for Col. Sloan, the gallant Confederate veteran, and brilliant parliamentarian. Vote for him and you will make no mistake.

## For Sale.

A six-horse power engine, Pratt gin, condenser and feeder; Boss Press corn mill; cane mill and evaporator. All in good order.

## The Barbecues Next.

The barbecues advertised to be held during the week commencing with today are four, three on this side of the river and one on the other, as follows:  
 H. Steele's, at Barr's Landing, on Saturday, August 2nd.  
 James Koon's, at Star Academy, near Croust's Store, on Saturday, the 2nd day of August.  
 Haltiwanger & Amick, at Hilton, in the Fork, on Saturday, August 2.  
 J. P. Hutto's, at Pelion, on Friday, August 1st.

There will doubtless be a large crowd at all four of these barbecues and the candidates will find it profitable to attend them.

## A Card.

To the Editor of the Dispatch:  
 As so much has been said about the action of the Executive Committee in not fixing the pay for primary managers and the statement made that they would get no pay, which is erroneous. I desire to state officially, that after the payment of the actual expenses of the said committee, such as printing, preparing the boxes, &c, the balance will be paid out proportionately to the managers, which will be as much as usual, or perhaps more, and they will be treated as heretofore. And further, the charges that the said committee has ever paid for a single telegram, since I have been connected with it, is wholly untrue.

I am sorry that serious illness in my family prevented my attending the last meeting of this committee.  
 Respectfully,  
 H. A. Spann.  
 Lexington, S. C., July 28, 1902.

## Special Committee.

The special committee of the grand jury, with their expert, J. A. Muller, Esq., spent Thursday and Friday in examining the condition of the various county offices. Their report will be made public at the September term of court. They found the books of all the county officers in excellent condition and every dollar accounted for and properly expended.
