To the Editor of the Dispatch:

I regret to announce the death near here yesterday a. m. of Mrs. J. M. Collum. A good woman has been called to her reward. Her funeral will be preached at Bethlehem church today by Rev. Evans Hall and she will be buried in the Gunter cemetery, where now rest numbers of her friends and relatives who have been called before the summons came to her.

Rev. Dr. A. C. Wilkins and John Bell Towill left yesterday to attend the sessions of the State Baptist Convention which meets in Greenville tonight.

Rev. J. D. Crout our Lexington boy, will go to Newberry tomorrow to be at the South Carolina Conference which convenes there Thursday. We trust the good bishop will send John back here again, as we all want him, regardless of denomination.

The Sollee-Asbill case is being tried in Saluda today and several persons here are gone there in attendance on court.

A cold rain is falling today, a reminder that even the weather can be fickle and not always good.

Our efficient postmaster, J. Frank Kneese, has been swinging around the circle of late. We notice a Johnston correspondent calls him Prince. Well he is a Prince of good fellows, and the influence a pretty girl can wield over him has astonished those who ignorantly supposed him proof against such charms.

It is reported that the factory will resume its night work soon which will give additional employment to those who wish to work.

The noise of the expiring porker is heard in our land and our mouth waters for sausage, spare ribs and souce, but water it may, for the thought of good things to eat is all for nary a pig ever squeals around our way. It is such a bother to be so poor. Occasional.

To the Editor of the Dispatch:

This correspondent has had no time for the past several months to furnish any news for your columns, but as he has just finished his house and is now comfortably settled, he will try to give your readers the news occasionally.

The unusually favorable weather that has prevailed so long has enabled the farmers to gather their crops in good condition and to put in a good acreage of small grain. While the cotton crop was a little short, corn was very good and most every one has several nice hogs to kill.

Thanksgiving day was enjoyed by a large number of the members and friends of Rev. Ballentine's charge at White Rock, notwithstanding the very unpleasant weather which consisted of wind, rain, sleet and snow. Interesting addresses were made by Revs. Ballentine and Younginer, also by Hons. J. Brooks Wingard and C. M. Efrd, of course, no program in which Rev. Ballentine and his people are interested is complete without plenty of music and that on this

occasion was appropriate and eloquently rendered. Then followed a most excellent dinner which was served by the good ladies in the parsonage yard. The day being so cold and disagreeable the crowd left for their homes soon after dinner. This is the second Thanksgiving day spent in this manner by these people. The exercises were gracefully presided over by Mr. John C. Swygert, chairman of the Joint Council of the charge. We hope to see many more such gatherings.

The last news heard from Mr. Perry Amick, who has had a very severe attack of pneumonia, he was improving.

We will now enjoy better mail facilities than heretofore, instead of twice a week we will now have it six times a week right at our doors. This will put us in closer touch with the outside world and gives us the latest news hot from the wires.

News of importance is scarce.

R. B. Keene and Le Hall have gone to Columbia to live. We miss them very much.

Miss Rosa Burgess, of this section, was married to Mr. Perry Harman of Lexington, recently. May they live a long and happy life is the wish of a friend.

The farmers of this section are still sowing small grain.

Mr. M. L. Hall, of this section, went to Batesburg on business Friday. R. H.

To the Editor of the Dispatch:

Plenty of rain. The farmers are about through sowing.

Mr. and Mrs. A. L. Eargle attended the Elks Carnival in Augusta. They also visited Rev. J. D. Shealy and family at Graniteville.

Prof. D. A. Quattlebaum, Mr. J. L. and Misses Mary and Bessie Moore visited the former's parents near Newberry the fourth Sunday.

The Delmar Graded School observed Thanksgiving Day Thursday.

We returned last Wednesday from a week and a half stay with the Union News Company. While we were connected with that company it was our privilege to see Charlotte, Asheville, Greenville, Columbia and Allendale. Our headquarters were in Columbia. We observed the farming interests a good deal and we find that the farms of Lexington and Saluda compare well with any that we have seen.

The R. F. D. mail service has been extended through this section. Mr. A. L. Eargle has resigned as postmaster at this place and it is very likely that the office will be discontinued in a short time. The star route is discontinued—taking effect today. It would be well for all patrons to save the publishers to change their papers at once. We are on route No. 2 from Leesville. Lloyd.
