## P. C. I. Notes.

Miss Emma Koon, of Barr's Landing, who has been attending school at home, has returned to the Institute and stays in the home of the principal.

Miss Della Harman, who has been going to the Providence school, has returned to the Institute. She boards with her sister in the principal's home.

Mr. John Snelgrove is a patron of Charter Oak school, but when it closed he sent his daughter, Emma, to the Institute.

Mr. Willis Kaminer patronizes Charter Oak school when in session, but as it has closed he continues his in school at the Institute.

Prof. C. L. T. Fisher, Vice-President of Elizabeth College, of Charlotte, N. C., has placed one of his scholarships in the Institute. It is open to the young lady graduate making the highest average of her class. This a great honor to Lexington and especially to the Institute as Elizabeth is one of the best colleges in the South, and also because there have been but ten of these placed in this State.

Here are the names of those who were present at the Institute every day last month:

Collegiate Department—Bessie Corley, Eppie Roof, Lily Smoak, Lola Harman, Josie Smoak, Chalmers Wessinger, Anna Derrick, Carro Efrid, Bertha Kleckley, Eunice Wessinger, Edna Barr, Kate Shull, Hattie Cromer, Estelle Harman, Frank Roberts, Olin Crout, Jessie Risinger, Patsy George, Frank Low, Lee Rawl, Fred Crout, Luvie Craps, Verley Wingard, Talmage Wessinger, Cora Ballentine.

C. Martin, Anice Bouknight, Belle Corley, Kezie George, Ruth Efrid, Anna Martha Meetze, Nettie Lowman, Anna Smoak, Frank Wingard, Rhude Roberts.

Primary Department—Raymond Smoak, Annie Caughman, Lorenzo Bouknight, Minnie Smoak, Weeber Rawl Robert Corley, Wilbur Caughman, Drafts Boozer, Lula Bouknight, Rufus Powell, Willard Sox, Henry Barrett, Bessie Price, Ruth Clark, Jesse Rikard.

## DeWitt's Witch Hazel Salve.

The only positive cure for blind, bleeding, itching and protruding piles, cuts, burns, bruises, eczema and all abrasions of the skin DeWitt's is the only Witch Hazel Salve that is made from the pure, unadulterated witch hazel—all others are counterfeits. DeWitt's Witch Hazel Salve is made to cure—counterfeits are made to sell. Kaufmann Drug Co.

## The Legislature.

The General Assembly is still wrestling with the great problems of civil government, and be it said to the credit of the members, more and closer attention is given to each and every measure as they are taken from the calendar than heretofore, the result of which will undoubtedly be the passage of more wholesome laws and the rejection of a larger number of bad ones.

Among the most important bills which has received the favorable consideration of the House was the bill to create the office of Chief Constable, whose duty it is to supervise the Dispensary Constables, and carries a salary of \$1,500 a year. The bill provides for the appointment of the Chief Constable by the Governor. During the progress of the discussion of this bill, Hon. John Bell Towill made a timely and strong point when he insisted that it was high time for the Governor to stop being a clerk to the constabulary force, and we are of the same opinion.

The appropriation and supply bills passed in the same shape that they came from the committees, with the exception of the appropriation for

Winthrop, which has been reduced, but the Senate will probably restore the appropriation as it originally stood.

The bill to require all Superintendents of Education to hold first grade teachers' certificates met its death in the Senate, as did also the bill to distribute dispensary profits to the weak schools.

The House rejected Mr. Haskill's bill to provide for repairs to the State house.

The compulsory education bill has been killed.

The bill providing for a tax of 50 cents on each dog in the State has received its third reading in the House.

Many bills were warmly debated before they were finally disposed of by the house in which they were considered.

The Governor has affixed his signature to the child labor bill and it is now a law of the State.

## Escaped an Awful Fate.

Mr. H. Haggins, of Melbourne, Fla., writes, "My doctor told me I had Consumption and nothing could be done for me. I was given up to die. The offer of a free trial bottle of Dr. King's New Discovery for Consumption, induced me to try it. Results were startling. I am now on the road to recovery and owe all to Dr. King's New Discovery. It surely saved my life." This great cure is guaranteed for all throat and lung diseases by the Kaufmann Drug Co. Price 50c and \$1.00. Trial bottles free.

## Pigs Brought Good Price.

The world's record for high prices of blooded live Berkshires was broken at the third annual brood pig Berkshire sale on the Biltmore estate, near Asheville, N. C., on February 3rd. Sixty-one animals were sold for more than \$13,000, an average of \$222 each. One pig sold for \$615.

The pen contained the finest and biggest aggregations of imported and home bred blooded Berkshires ever seen at one time in this country and their prize winning records and breeding qualities attracted the cream of buyers and owners of nearly all the great stock farms of this country.

## A Mother's Recommendation.

I have used Chamberlain's Cough Remedy for a number of years and have no hesitancy in saying that it is the best remedy for coughs, colds and croup I have ever used in my family. I have not words to express my confidence in this remedy.—Mrs. J. A. Moore, North Star, Mich. For sale by the Kaufmann Drug Co.

## War Rumor Not Confirmed.

Panama, February 12.—No confirmation has been received here regarding the reported declaration of war by Guatemala against Salvador and Honduras. It is well known that Guatemala openly sympathizes with the President-elect of Honduras, Senor Bonilla, but it is believed that present critical situation in Guatemala will not allow the government to render Senor Bonilla any substantial aid. Salvador and Nicaragua are protecting their respective countries. War preparations are reported to be proceeding in Guatemala, where a strict censorship has been established over the outgoing cablegrams.

## The Easy Pill.

DeWitt's Little Early Risers do not gripe nor weaken the system. They cure biliousness, jaundice, constipation and inactive livers, by arousing the secretions, moving the bowels gently, yet effectually, and giving such tone and strength to the glands of the stomach, liver and bowels that the cause of the trouble is removed entirely. These famous little pills exert a decided tonic effect upon the organs involved, and if their use is continued for a few days there will be no return of the trouble. Kaufmann Drug Co.

## The Negro Problem.

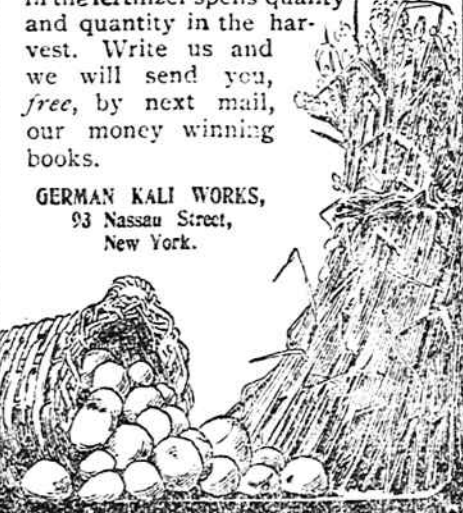

The Governor has received a lengthy telegram from the New York Commercial Advertiser, requesting his views upon the negro, his advancement, if any, and the reasons, etc. The Governor has not yet decided to consider it.

## Will Not Meet Cleveland.

Terre Haute, Indiana, Feb. 15.—W. J. Bryan said here today that he did not know how the report started that he had refused to dine with the Iroquois club of Chicago if Mr. Cleveland is invited, but when asked if the report was true he said: "I do not care to say."

Mr. Bryan is filling a few lecture engagements in Indiana, after which he will go to New York. Then he will return to Lincoln, where, he says, he is to serve as a juror at the present term of the local court.

## To Keep Up "Lilly Whites."

Birmingham, Ala., February 12.—In response to a letter sent out by W. I. Welman, of Huntsville, Chairman, of the State Republican Executive Committee, many of the leading Alabama Republicans met here to discuss the situation of maintaining the "Lilly White" Republican organization. It was decided unanimously to keep up the present organization, and last night Chairman Welman gave out an interview setting forth the efforts being made to change the policy and arraignment the referees in this State. All the members declared their purpose of continuing the fight despite President Roosevelt.
