

HARMAN'S BAZAAR.

The Lexington Dispatch.

Wednesday, February 18, 1903.

General Mixture.

Cheap men are dear swindlers in business.

True Christianity consists of deeds rather than words.

A way to get out of one love affair is to get into two.

The better a man gets along in the world the better off he is.

Get Ramon's Liver Pills and Tonic Pellets for biliousness and "cut out" calomel and other drastic drugs. A month's treatment—25 doses—for 25c. Harman's Bazaar.

It costs Uncle Sam \$1,250,000 annually to run the weather bureau.

Women who set out to reform rakes end by needing reform themselves.

It makes some men prouder to be the friend of a rich man than it makes other men to be rich.

Rheumatism troubling you? Nothing better for rheumatic pains, stiff joints and sore muscles, than Ramon's Nerve and Bone Oil. 25 cents. Harman's Bazaar.

There may be a lot of comfort in a good character, but one's credit is a good reputation.

Women like to drink champagne because there are bubbles in it and it cost more.

The truth would seem less brutal if people were better acquainted with it.

Men are always looking for some one to back them; but it's different with horses.

Hilton's Life for the Liver and Kidneys tones up the stomach.

Women will never lose their feminine attributes as long as there is a large supply of looking glasses in the world.

Friendship improves happiness and abates misery, by the doubling of our joy and the dividing of our grief.

Some people seem to think the milk of human kindness is poison unless they sterilize it with selfishness.

A woman is never happy except when she has spent all her money, because when she has spent it all it has been for clothes.

Greenville, Tenn. I have thoroughly convinced myself that Dr. Baker's Blood and Liver Cure is the finest medicine made for Indigestion and Constipation. (I have tried them all) and was cured by the use of this medicine, after all others had failed. I most cheerfully and unhesitatingly endorse it. Yours truly,

H. N. Baker, Mayor. For sale at the Bazaar.

Women are so jealous that they envy a woman's being sick, because it makes so many of her friends call to see how she is.

When two men get together each talks about himself; when two women meet they both talk about some other woman.

If three men sat over whiskey and cigars and talked of the things that three women will over their embroidery, the skin would scorch off their faces from red hot blushes.

The Deadly Magazine Pistol.

Recently we reproduced from the Newberry Observer, says an exchange, a description of the magazine pistols. It was asserted in this account that the cartridge used carries an explosive bullet. This is incorrect. A full and accurate description has been furnished us as follows, continues the same exchange: "Colt's New Automatic Magazine Pistol—The magazine holds seven shots, which can be discharged at the rate of five shots per second. The cartridges are automatically supplied from a detachable magazine inserted in the handle of the pistol. After the pistol is discharged from a full magazine, one opening movement is made by hand, bringing the first cartridge in the chamber; on pulling the trigger the cartridge is fired, the empty shell is extracted, a new cartridge loaded in chamber, all automatically. This automatic operation of the pistol is effected by the recoil of the moving parts, and as a consequence the recoil is so absorbed in being utilized that it has not the usual disturbing effect."

Mysterious Circumstance.

One was pale and sallow and the other fresh and rosy. Whence the difference? She who is blushing with health uses Dr. King's New Life Pills to maintain it. By gently arousing the lazy organs they compel good digestion and head off constipation. Try them. Only 25 cents, at the Kaufmann Drug Co's. Store.

Macedonian Reforms.

London, February 12—A special Rome dispatch says: Italy was fully consulted in the course of the Lamsdoff Goluchowski conference in Macedonia and promised her support and to take action in the scheme for reform, which includes a demand for the assembling of an international congress to adjust the details.

This will be supported by a demonstration of European warships off Salonica, where they will remain while congress was in session.

Crum Defeated.

Washington, Feb. 12—Senate committee on commerce today agreed to report adversely on the nomination of Dr. W. D. Crum to be collector of the port at Charleston. The vote for confirmation was six for to eight against. All the Democrats voted against confirmation and were reinforced by the votes of Jones, of Nevada, and Perkins, of California, Republicans.

Rural Mail Regulations.

Third Assistant Postmaster General Madden has issued a manual of instructions for the conduct of registry business in the free rural delivery service.

The most important innovation provides that the registration of letters and parcels left in the rural mail boxes, the carrier leaving the sender's receipt in the box. Formerly it was necessary for the sender to meet the carrier on the route.

Rural carriers also are required to accept for registration mail matter properly prepared and offered by one who meets them while on duty, whether a patron of the rural free delivery service or not.

Storekeepers on rural routes customarily receive the mail matter of their patrons, delivering it to them at the first opportunity. Registered mail has not been delivered in this manner in the past, but it is now provided that on the written order which the addressee is required to leave for the delivery of their mail to the storekeeper, registered mail will also be delivered, except such as is endorsed by the senders, "Deliver to addressee only."

You Know What You Are Taking

When you take Grove's Tasteless Chill Tonic because the formula is plainly printed on every bottle showing that it is simply Iron and Quinine in a tasteless form, No Cure, No Pay. 50c.

A Compromise Bill.

Washington, February 13—The Republican Senatorial advocates of a compromise Statehood bill have prepared their measure for the admission of two States, Oklahoma and Indian territory comprising one State and Arizona and New Mexico the other. They will bring it before the committee on territories at the first opportune moment, but are holding it back because of the opposition of the Democratic Senators, and also because some of the Republican supporters of Statehood are not entirely reconciled to the change. There is renewed talk of pressing the omnibus bill as an amendment to the agricultural appropriation bill, and the advocates of that course contend that they have pledges of support from a majority of the Senators.

However, the opinion is steadily growing that there will be no Statehood legislation at this session of Congress, so strong is the opposition to any two-State compromise. It is thought that the Democrats are intending to keep up the filibuster war.

Nearly Forfeits His Life.

A runaway almost ending fatally, started a horrible ulcer on the leg of J. B. Oxner, Franklin Grove, Ill. For four years it defied all doctors and all remedies. But Bucklen's Arnica Salve had no trouble to cure him. Equally good for Burns, Bruises, Skin Eruptions and Piles. 25c at Kaufmann Drug Co's. store.

Reads All Worth While.

Bacon—My wife reads every new work that comes out.

Egbert—All the new fiction, I suppose.

"Yes, all of it."

"And I am prepared to wager that she has never read the Declaration of Independence."

"Well, I don't remember having heard her mention that, but if she hasn't read it I guess you can conclude it isn't any good."—Yonkers Statesman.

He Was Rich.

Hotel Proprietor—Where did you put that ugly old man who just registered?

Clerk—Gave him the best in the house.

Proprietor—How do you know he can afford it?

Clerk—I caught a glimpse of his wife waiting in the ladies' parlor. She's young and pretty.—Philadelphia Press.

Another Point of View.

"Do you know," said the young M. D. who is inclined to talk shop, "that mankind is subject to more than 3,000 diseases?"

"Yes," replied Miss Caustique, "and I am also aware of the fact that there were only three or four on the list when the doctors began to get their work in."—Chicago News.

The Reason Why.

Ella—How long did it take Fred to propose to you?

Stella—He talked about twenty minutes.

Ella—That's an awfully long time.

Stella—I know it seems so, but then you must remember that he is a lawyer.—Philadelphia Ledger.

THE FORD'S BLACK-DRAUGHT THE ORIGINAL LIVER MEDICINE

A sallow complexion, dizziness, biliousness and a coated tongue are common indications of liver and kidney diseases. Stomach and bowel troubles, severe as they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. The Ford's Black-Draught never fails to benefit diseased liver and weakened kidneys. It stirs up the torpid liver to throw off the germs of fever and ague. It is a certain preventive of cholera and Bright's disease of the kidneys. With kidneys reinforced by The Ford's Black-Draught thousands of persons have dwelt immune in the midst of yellow fever. Many families live in perfect health and have no other doctor than The Ford's Black-Draught. It is always on hand for use in an emergency and saves many expensive calls of a doctor.

Mullins, S. C., March 10, 1901. I have used The Ford's Black-Draught for three years and I have not had to go to a doctor since I have been taking it. It is the best medicine for me that is on the market for liver and kidney troubles and dyspepsia and other complaints. Rev. A. G. LEWIS.
