"We wonder what has become on Columbia-Lexington electric line?"-Columbia Afternoon Record. Possess thy soul with patience, brother, and do thyself no harm. Rome was not built in a day, neither are railroads constructed in a week. In the mean ime we opine that the electric railway people are giving themselves no concern whatever about what our perplexed neighbor across the Congaree may or may not addle its brain over.

After years of patient waiting a Charleston jury has at last been found who are unwilling to perjure themselves by bringing in a verdict acquitting men charged with violating the dispensary law at variance with the evidence adduced. In the city court on the 6th ten blind tigers were convicted.

A special term of the court of sessions for Newberry county was convened on the 6tb, inst, with Mr. G. Dancan Bellinger as special Judge. This convened for the special purpose of trying George Strother, a big black repulsive looking young negro buck who is charged with having committed rape upon the person of a white wolas sometime last March.

# BEING A GOOD FELLOW.

### It Is a Losing Game In the Long Run For Most Men.

Any sensible young man ought to know that he can't be up late nights abusing his stomach and be in full possession of his faculties for business the next day, and he ought to know also that a man must be clear headed and in full possession of his faculties to hold his own in the keen competition of life. Your "good fellow" is popular for the time being, but when his moncy is gone and he has lost his job and is on his uppers the "good fellow" business doesn't get him anything. It's "poor fellow" then-another good man gone wrong, and "the boys" are ready to hail another "good fellow" who has the price.

We don't mean by this to say that "the boys" are mercenary. They don't altogether pass up a "good fellow" when he goes broke, but it isn't the same. They say he hit the booze too hard and couldn't stand the pace. They feel sorry for him, but he is out of it. His good fellowship doesn't excuse him even in the eyes of his friends for having thrown away his opportunity.

The young man who gets the sleep his system needs, is temperate in his habits, lives within his means and shows up for work in the morning with a clear eye and active brain-that's the man business men are looking for. They want employees whom they can trust. Having worked hard and laid by a competence, they want to throw some of the burdens off, and they won't throw them off on the employee who is too much of a "good fellow."

Cut it out, boys. There's nothing in it. There's a whole lot of nonsense in that "good fellow" business. You can't fool the public very long by living beyond your means and keeping up appearances. There must be a showdown some time or other, and that means a loss of self respect and many bitter experiences. Many a bright and promising business man has failed because he tried to travel in too swift a class, whereas had he lived within his means he might have become a highly successful merchant.

The world doesn't give up its treasures easily. It isn't in the cards for all of us to be millionaires, and mighty few of the "good fellows" get into that class. It's better to earn your way first and go hunting for good times when you have reached the point where you can spare both the time and the money. Then possibly you'll have more sense and have a different notion about what a good time is .- Toledo Bee.

### An Enemy of Pansies.

There is one enemy for which the pansy lover must watch like a lynx, and that is a little green worm that seems made on purpose to devour pansies. Where he comes from or why he should exist at all is a mystery. But if you find your little plants stop growing and see the leaves perforated with small hc is and your blossoms gnawed behold, your enemy is there. Eternal vigilance alone will save you. Your face must be brought to the surface of the ground. Kneel and turn up every leaf. Doubtless you will find the small green monster curled up and hiding, sucking out all the juices of the plant and so becoming exactly its color. which makes him so difficult to find, and if not checked he will utterly destroy it. He will devour it in a few days.

# DISGUISED CATARRH

A Stealthy, Insidious, Weakening Enemy to Women---Many Thousand Women Suffer Needlessly From This Cause.

MRS. EVA BARTHO.

There are a multitude of women. cspecially housewives, and all other women obliged to be on their feet constantly, who are wretched beyond description, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvic organs. These women get up in the morning tired, drag themselves through their daily duties tired, only to go to bed at night as tired as before.

Mrs. Eva Bartho, 133 East 12th Street, N. Y. City, N. Y., writes: -"I suffered for three years with what is generally known as three years with what is generally known as leucorrhea, in connection with ulceration of the womb. The doctors advocated an opera-tion which I dreaded very much, and strong-ly objected to go under it. Reading of the value of Peruna, I thought it best to give this well-known remedy a trial, so I bought three bottles of it at once. Now I am a changed woman. Peruna cured me; it took nine bottles, but I felt so much improved I kept taking it, as I dreaded an operation so much. I am to-day in perfect health, and have not felt so well for fifteen years."-Mrs. Eva Bartho. Eva Bartho.

MISS LOUISE MAHON.

Miss Louise Mahon, 3 Glen Baille Street. Toronto, Ont. Can., Secretary of the King's

Daughters and Scoretary of Lady Macca-bees, writes:-"If all women knew of the benefits to be derived from taking Peruna we

would have many happier and more health-ful women. My health has never been too robust, and I am easily fatigued and can not stand much. About a year ago I was so run down that I had to take to my bed, and be-came weaker and weaker. A friend advised

me to try Peruna, and I have great reason to be grateful, for in two weeks I was out of bed

and in a month I was perfectly well, and I now find that my health is much more robust

than formerly, so that I take Peruna once or twice a month and keep well."--Louise Mahon

Peruna is such a perfect specific for

each case that when prtients have once used it they can never be indured to quit

it until they are permantly cured. It begins to relieve the disagreeable symptoms at once. The backache ceases, the trembling knees are strength-

ened, the appetite restored, the digestion

made perfect, the dull headache is stop-ped and the weakening drains are grad-

ually cured. These results certainly

follow a course of treatment with

Peruna.

medicine I have ever taken. I used it faithfully for two weeks and it com-pletely cured me. I have not had any pains since, anywhere, but feel like a new woman. I am truly thankful for what Peruna has done for me."-Barbara Alberty.

Mrs. Kate Mann, 806 Bathurst Street, Toronto, Ont. Can., Vice President of the Ladies Aid Society, write:--"I am pleased to give praise to Peruna for the blessed relie? I found through its use. I suffered for years with backache and dragging down pains and often had to go to bed and stay there when I was so busy that I could illy be spared. It was therefore a simple godsend to me when Peruna was brought to my notice. Every drop seemed to give me new life, and every dose made me feel much better, and I prom-ised myself that if I found that it cured me I would advocate it so that other suffering women should know of it. I have been in perfect health for one year, I enjoy work and pleasure because in such fine health, and no trouble seems too heavy to bear when you are in good health, Peruna has simply been a household blessing, and I never will be with-out it again."-Mrs. Kate Mann.

MRS. KATE MANN.

Mrs. Anna Martin, 47 Hoyt St., Brook-lyn, N. Y., writes:-"Peruna did so much for me that I feel it my duty to recommend to there that i leef it my duty to recommend it to others who may be similarly afflicted. About a year ago my health was completely broken down, had backache, dizziness and ir-regularities, and life seemed dark indeed. We had used Peruna in our home as a tonic, and for colds and catarrh, and I decided to try it for my trouble. In less than three months I become regular my pains had enmonths I became regular, my pains had entirely disappeared, and I am now perfectly well."-Mrs. Anna Martin.

Mrs. Wm. Hetrick, Kennard, Washington county, Neb., writes:

"I am fifty-six years old and have not felt well since the Change of Life began ten years age. I was in misery somewhere most of the time. My back was very weak, and my flesh so tender it hurt me to lean against the back of a chair. I had pain under my shoulder-blades, in the small of my back and hips. I sometimes wished myself out of this world. Had hot and cold spells, dizziness and trembling of the limbs, and was losing flesh all the time. After following your directions and taking Peruna I now feel like a different person."-Mrs. Wm. Hetrick.

If you do not derive prompt and satis-actory results from the use of Peruna,

Congressman Lever has announced as the result of the recent competitive examination that Mr. Lawton Hydrick, of Orangeburg, wins the Annopolis cadetship with John T. Kennedy, of Ocangeburg, first alternate; Gibbes Lyke's, of Likesland; second alternate and Guy L Warren, of Sumter, third alternate.

The way is now clear for the Seaboard Air Line people to build their own passenger depot without being forced to enter the Union shed in Columbia, and preparations are now being made for the erection of the necessary buildings. They will be located at the corner of Gervais and Lincoln streets.

The holding of the Southern's Charleston train the other day bewond the time it was scheduled to leave Columbia so that President Spencer's son might catch it, was a piece of inconvenience to the traveling public that cannot nor should not be easily overlooked.

President Roosevelt evidently believes that "in the time of peace we should prepare for war," and wants Congress to increase the strength of our navy by providing for the construction of many more war vessels, and in this he is eminently correct.

Columbia has made a successful bid for the anrual meeting of the Confederate Veterans. The re-union is to take place in May.

### The Boy.

A boy is an odd piece of furniture, but be is the ground and chief ingredient of the man. Delude not yourself with the belief that the boy is not all he pretends to be, for he is a great deal more. He is an incomprehensible fellow to any one but another boy, and because he will presently grow into the awkward between hay and grass period that separates boyhood from manhood, and to a lumbering idiot then, don't signify that he is an idiot now. He never is. But his chrysalis state fetters him and makes him seem like one sometimes. The boy is all right.

### He Succeeded.

A man arrested for murder bribed an Irishman on the jury with £200 to hang out for a verdict of manslaughter. The jury were out a long time and finally came in with a verdict of manslaughter. The man rushed up to the Irish juror and said: "I'm obliged to you, my friend. Did you have a hard time?"

"Yes," said the Irishman; "an awful time. The other eleven wanted to acquit yer."-London Answers.

The Last Dueling Clergymen. "When did clergymen cease to fight Juels?" is a startling inquiry in Notes and Queries. It will be news to many of us that they were ever fond of that exhilarating pastime. But, as a matter of fact, the Rev. Mr. Allan fought a duel with Lloyd Delany, Esq., and killed him in Hyde park in 1782. He was convicted of manslaughter and fined 1 shilling plus six months in New-
