## One Among the First.

Capt. P. H. Caughman, who is one among our first subscribers and has taken the Dispatch continuously since, has sent in his renewal for the Dispatch and Home and Farm. The Captain is among our oldest and best citizens and a good and kind neighbor.

## Prejudice.

A prejudiced dealer might tell you that "Black Death" will not kill bugs on potatoes, beans, etc., but do not believe him, he wants to sell you something else.

The Kaufmann Drug Co.

## Death.

We regret to learn that Mr. Jesse Drafts, the eldest son of the late Thomas J. Drafts, died last Saturday at his home near Priceville and was buried Sunday in the presence of a large concourse of relatives and friends. He was a young man of promise and of industrious habits and kindly and generous nature.

## The Good Old Summer Time.

Hot weather is here. Don't forget The Kaufmann Drug Company for cold drinks.

## The Junior Order.

The Junior Order of United American Mechanics at Irene, will assemble on Sunday, May 17th, to attend the sermon, which is to be delivered on that occasion by the Rev. W. S. Henry. The public is cordially invited to attend.

## "Black Death" Bug Killer.

## Dyeing and Cleaning.

Mr. J. M. Cohen, of Columbia, has added a dyeing and cleaning department to his line of fine footwear for women, men and children. Cleaning of clothes, carpets, etc., will be made a specialty and all work warranted. All kinds of dyeing will be done on the shortest notice and in the best manner possible. Give him a trial order and be convinced that he will give you entire satisfaction.

## Now Carries the Grip.

Mr. D. Rufus Haltiwanger, a clever young gentleman and one of the best salesmen who ever carried a grip sack, called in Monday and added his name to our list of subscribers. We are glad that his foot, which was mashed by a car while attempting to alight from a moving train at Batesburg sometime ago, has so improved as to allow him to take the road again.

## Held on Suspicion.

Los Angeles, Cal., May 7—Acting under instructions from the secret service bureau at Washington, the police today arrested a man who is suspected of being one of the four brothers of Czolgoz, the assassin of the late President McKinley.

Great secrecy has been maintained about the arrest. No charge has been lodged against him, the police simply detaining the man on suspicion until after the president shall have left Los Angeles.

It is said that Czolgoz has been living in this city for several months, being employed in a tamale factory. His actions, it is said, have not been out of the ordinary.

## The Wastes of the Body.

Every seven days the blood, muscles and bones of a man of average size loses two pounds of wornout tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures Indigestion, Dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by all Druggist.

## Lodge Room Dedicated.

The pretty new lodge room of St. Clair Lodge, A. F. M., in Brookland, was dedicated with impressive ceremonies by the Grand Lodge last Saturday. Grand Master Whitehead made a splendid address, who spoke mainly of the history and noble objects of the order. He was followed by Past Master Orlander Sheppard in a masterly effort. Mr. Jacob T. Barron, of Columbia, was the master of ceremonies. Quite a number of the fraternity went from this place. Among those assisting in the ceremonies were: J. Frank Kaiser, T. S. Harman, John Bell Towill and Samuel B. George. The lodge at Brookland is in a thriving condition.

## Obituary.

Annie Elizabeth Frick was born January 17, 1861 and died April 29, 1903. Aged 42 years, 3 months and 12 days. She was the daughter of S. D. Koon and wife, Harriet. She leaves to mourn her loss, besides a host of relatives and friends, a faithful husband, eight children, two sisters, two brothers and an aged mother.

May 13, 1886, she was united in marriage to J. Andrew Frick, which union was blessed with ten children, two of whom preceded her to the spirit world.

In early life, she was confirmed a member of Shady Grove M. E. church and later in life was transferred to St. Peters, (P. W.) E. L. church, of which she remained a faithful member till death.

She was a dutiful daughter, a loving sister, a faithful wife and devoted mother. As a neighbor and friend, she was kind and generous. Her end was peaceful, "like one who wraps the drapery of his couch about him, and lies down to pleasant dreams." She has gone where the wicked cease from troubling and the weary are at rest.

"Dearest sister, thou hast left us,  
Here thy loss we deeply feel;  
But 'tis God, that hath bereft us,  
He can all our sorrows heal.

Yet again we hope to meet thee,  
When the day of life is fled;  
Then in heaven with joy to greet thee,  
Where no farewell tear is shed."  
A Friend.

William J. Bryan and Theodore Roosevelt are alike in one particular, at least. They believe in touring the country in person in the interest of their own candidacy.

## You Know What You Are Taking

When you take Grove's Tasteless Chill Tonic because the formula is plainly printed on every bottle showing that it is simply Iron and Quinine in a tasteless form, No Cure, No Pay. 50c.

Ex-Senator McLaurin has declared for Cleveland for President and it is probable that he will re-enter politics.

Crum has got the plum, but cannot extract the juice as the Treasury Department has turned down his accounts and say that they cannot be paid. An ill congress authorizes it to be done.

It is possible that a large number of the Old Confederate Veterans will take the trip to New Orleans next week and take in the reunion. Both the Southern and the Seaboard Air Line have made liberal reductions in the railroad fare—the price being one cent per mile for the number of miles actually traveled. The fare from this place and return is a little under \$15.00.

There were two attempts to wreck Southern trains recently near Ridgeway. In both instances crossties were placed across the track.

**TEETHINA**  
(TEETHING POWDERS)

Costs Only 25 cents at Druggists.

Or mail 25 cents to C. J. MOFFETT, M. D., ST. LOUIS, MO.  
FLORENCE, S. C., Nov. 26, 1900.—I was first advised by our family physician in Charleston to use TEETHINA with our baby when he was but a very young infant, as a preventive of colic and to warm and sweeten the stomach. Later it was useful in teething troubles, and its effect has been found to be so very beneficial and so free from dangers that are consequent upon the use of drugs and soothing syrups, that we have come to regard it, after use with three children, as one of the necessities when there is a new baby in the house and that the teething troubles are over, that we take pleasure in recommending it to our friends instead of the horrid stuff that so many people use to keep their baby quiet.
