Weekly Review of Trade.

New York, May 29 -R G Dun & Co's. Weekly Raview of Trade tomor row will say:

Weather conditions have improved, particularly as regards the great staple crops, although considerable losses have occurred in garden truck and other minor farm products at the east owing to drouth. Libor controversies are still the most disturbing factors in the situation, and it is difficult to anticipate how far distribution of merchandise will be affected. Structural material of all kinds is moving slowly because of strikes in the building trades, which are now exercising more widespread influence than other disagreements. At the east the trade situation is satisfactory as a rule. Railway earnings thus far reported for May were 128 per cent. larger than last year, and surpassed those of 1901 by 256

Nominally the average of quotations for cotton goods is higher than a week ago, but actually the situation is scarcely altered. An artificial situation exists as to cotton goods that is complicated by labor controversies and by the weather.

Failures this week number 206 against 194 last year.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Is everywhere recognized as the one remedy that can always be depended upon and that is pleasant to take. It is especially valuable for summer diarrhoea in children and is undoubtedly the means of saving the lives of a great many children each year. For sale by The Kaufmann Drug Co.

Two Thousand Killed.

Constantinople, May 28.—Two thousand people were killed by the recent eartbquake in the town of Malazginard. The town was completely destroyed. Seven hundred Armenians are included in the two thousar ! population killed as well as troops forming the garrison of Malazginard. Over four hundred houses in the neighboring villages collapsed.

Somewhat of a severe earthquake was felt here this morning, but no damage was done.

Driven To Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25:, at The Kaufmann Drug Co.
