**Dots from Near Peak.**

To the Editor of the Dispatch: We are having some very warm weather, but that is what the farmers need

The health of our community is exceedingly good at present, which we are all thankful to say.

General Green has about come to a standstill by hard huffing and scubbing with goose neck rifles.

There are some few of our farmers retired back to their low grounds along the river and replanting corn. Broad river reached the highest water mark for a number of years.

There was Sunday school at Summerville School House last Sunday morning, which was attended by a good many young people, from this on there will be Sunday school every second and fourth Sundays. Mr. Roland Busby and Mr. Henry Davis attended preaching at White Rock last Sunday.

There are some of our young boys talking of taking in the barbecue at Leesville next Saturday, 27th.

Boys, remember we have some just as sweet a girls here as you can find anywhere.

Where are our barbecue men. We want you to hurry up and give a cue furnished with plenty of music and dancing. As there are no candidates to amuse the people this year, lets make it more enjoyable by the fantastic step.

Mr. Joe Earle has commenced threshing, but he reports of grain crops being very short.

We are sorry to learn of Mr. W. H. Suber's illness, but he is some better at this writing.

Miss Bertha Jacobs is spending the summer vacation at home.
