Ten Thousand Churches

In the United States have used the Longman & Martinez Pure Paints.

Every church will be given a liberal quantity whenever they paint. Don't pay \$1.50 a gallon for Linseed oil (worth 60 cents) which you do when you buy this paint in a can with a paint label on it. 8 and 6 make 14, therefore when you want fourteen gallons of paint, buy only eight gallons of L. & M., and mix six gallons of pure linseed oil with it. You need only four gallons of L. & M. paint, and three gallons of oil mixed therewith to paint a good sized house. Houses painted with these paints never grow shabby, even after 18 years. These celebrated paints are sold by W. P. ROOF, Lexington, S. C. 8-34

Going for Almost Nothing.

A great bargain sale is being conducted by J. L. Minnaugh & Co., Columbia. The remnant of the stock which was burned in the recent fire which gutted his store and consists in a line of fine clothing, gents' furnishings, shoes and hats. Some of these goods are slightly damaged by water, but the majority of them are as good as when they first came from the manufacturers. These goods have been bunched together and the whole lot marked down at greatly reduced prices. There are many first class bargains in this lot and those wishing to get a fine suit of clothes, stylish gents' furnishings, shoes or a hat are invited to call at the store next to the "Hub" and make a selection of anything you want and Minnaugh will make the prices to suit your pocketbook. These goods must go no matter what the sacrifice may be.

Anderson county, in this State, has voted a \$50,000 bond issue to aid the construction of the Tennessee, Georgia and Carolina railroad. This is the railroad which it is proposed to build from Chattanooga, to the city of Anderson.

Because he could not persuade him to abandon his wicked ways, Samuel Thompson, aged 85, of Norwalk, O., shot and killed his son Leroy, aged 51 years, and then blew off the top of his own head with the gun.

The Massachusetts Fish Commission has planted about 80,000,000 lobster fry this year, and if one in a hundred would reach maturity there would not be much danger of a failure of the lobster crop. The young lobsters have so many enemies, however, that the death rate among them is very high.

The County fair will be held this year beginning on Tuesday morning October 20th and ending Thursday evening, the 22nd.

TUSKEGEE, Ala., July 28, 1878.—Dr. C. J. MOFFETT—My Dear Sir: Justice to you demands that I should give you my experience with your excellent medicine, TEETHINA. Our little girl, just thirteen months old, has had much trouble teething. Every remedy was exhausted in the shape of prescriptions from family physicians. Her bowels continued to pass off pure blood and burning fever continued for days at a time. Her life was almost despaired of. Her mother determined to try TEETHINA, and in a day or two there was a great change—new life had returned—the bowels were regular, and thanks to TEETHINA, the little babe is now doing well. Yours, etc., D. W. McIVER, Editor and Proprietor Tuskegee (Ala.) News.
