Happy Marriage.

The marriage of Miss Emmie Fox, daughter of Mr. John J. Fox, and Dr. James J. Wingard, son of Hon. S P Wingard, all of our town, on the 8th instant, mentioned in our last issue, was a most pleasant occasion. The ceremony took place at the old homestead the residence of the bride's parents, in the presence of a few of their nearest friends and relatives. The parlor and reception rooms were handsomely decorated with southern smilax, ferns and palms. The beautiful and accomplished young bride was gowned in a stylish traveling suit of castor cloth, with hat to match. Rev. E. Toland Hodges, formerly Presiding Elder of the church of which the bride is a member, united the happy couple. After the ceremony, an elegant repast was served. Immediately after the bride and groom left on the north bound train for Washington and Baltimore. They will make Lexington their future home, where Mrs. Wingard as Miss Emmie Fox, was one of our most popular young ladies and Dr. Wingard is a well known and prominent physician.

Death of O. Cromwell Able.

We were grieved to learn of the tragic death of our friend Mr. O. C. Able, of Leesville, who was killed by the down train, almost in front of his residence, on Sunday afternoon about 6 o'clock. Mr. Able was a prominent citizen of Leesville, having lived there for years. He was actively and successfully engaged in the mercantile business. He was about fifty years old and leaves a large family connection and a host of friends to mourn his untimely death. Among the latter class the Editor numbers himself. It has been our privilege to know him for years and we shall miss his pleasant greeting when we shall again be permitted to visit our sister city Leesville. To those of his family we extend the sympathy of the Dispatch and we trust that the soother of all troubled souls will give consolation to this grief stricken family.

Slightly Injured.

Mr. Eugene Hiller, the eldest son of Mr. B. B. Hiller, of Hilton, one night last week accidentally had his left hand badly injured by the explosion of his gun. Mr. Walter Eieszer, of Spring Hill, met with a similar accident while out hunting rabbits, about the same time, shooting himself in the wrist and shoulder. Both of these young men are clever boys and we are glad to learn that they are doing very well.

New Shoe Store.

Thomas A. Boyne, a well experienced man in the shoe business has opened a new shoe store in Columbia, opposite the post office, and invites the people of Lexington county to call and see him when in the city. He has a new and up-to-date stock and cannot be excelled in prices.

Letter to W. P. Roof.

Lexington, S. C. Dear Sir: Do you want to sell Devoo lead and zinc for your town and country? The whole doctrine of it turns on these three points: (1) It is all paint and true paint: (2) It is the strongest paint: (3) It is full measure. Because it is all paint, true paint, proportioned for strength and full-measure, (1) It takes least for a job; (2) Looks best all the time; (3) Last longest; (4) Gathers the trade, and holds customers.

There is no such argument for any other paint; there is no other such paint; there is nothing but talk for any other paint. Devoo is the paint, if you want the facts on your side. The country is full of experiences to bear on your trade, if you sell Devoo.

Yours truly, F. W. Devoo & Co., New York.

Mr. J. C. Shealy and his daughter were in town Monday. While Mr. Shealy was attending to business his daughter was shopping. They paid our office a pleasant call.
