PENCIL AND SCISSORS.

Wayside Notes Gathered Here and There by a Dispatch Man.

Christmas is only a week off and the little folks are rejoicing. You will find iron express wagons at Meetze & Son. Call and see us when you come to town. Have you a gobbler for Xmas dinner? Our'n hasn't gobbled yet. The place to buy your fireworks is at the Bazaar. Our old friend, J. K. Day, of Black creek, called in to see us last Friday. We have a good second hand 25 inch paper cutter for sale at a bargain price.

Mr. Geo. C. Haliwanger, one of the Fork's best citizens, paid us a call last Saturday. Take a peep at Santa Claus in the Bazaar window. He's there ready. We understand that there will be several new cottages erected soon in our town. Mr. W. F. Lindler, one of Saluda township's best citizens, was in town Monday. Candy, raisins, nuts, etc., can be found at W. P. Roof's. Mr. J. L. Lowman, of the Selwood section, was one among our visitors last Friday. The towns of Steadman and Pelion have applied to the Secretary of State for charters. Mr. Jno. E. Gantt, a progressive farmer of Black creek, was on our streets Friday. Being sugar, sugar plums, cake coloring, fancy trimmings, etc., at the Bazaar. Mr. Lee Muller, a prominent citizen of Sandy Run, was in town on business Monday. Our friend Mr. Job Shumpert, of Macedon, while in town last Thursday called in to see us. Before buying Christmas goods you should inspect W. P. Roof's stock. Mr. J. D. Wessinger, a staunch farmer of the Wessinger settlement, gave us a pleasant call Monday. Mr. W. Q. M. Berley has sold his home place to Mr. Brooks Lindler, of the Hollow creek section. Several Communications having lost date, unavoidably crowded out, will not appear, but hope our correspondents will write again. Mr. A. P. Corley, of Irene, while in town last Thursday dropped in and renewed his paper for another year.

There has been an ordinance passed by the Town Council against shooting fireworks on Main Street. Read it in this issue. H. M. Wingard has a full stock of everything for Christmas and invites the purchasing public to call and see him before buying. Mr. J. N. Wessinger, one among the best farmers of our county of the Wessinger section in the Fork, was in town last Thursday. The town authorities have made some improvements in the town hall by giving it a fresh coat of paint, putting in shades and other improvements. Tannopoline, the great pile remedy cures all kinds of piles, and you can have your money back if not relieved. Try one can. Price one dollar. Murray Drug Co. Messrs. Robert A. Meetze and I. F. Stack, of the Ballentine section, did not fail to call and see us while in town Monday attending to business. You are cordially invited to call and see Meetze & Son before you buy your Christmas goods. They will sell you as cheap or cheaper than you can buy elsewhere. Mr. W. B. Taylor, one of the best farmers on Hollow creek, dropped in Saturday and not only paid for his paper, but paid for a neighbor's. That's right, call again. Chocolate, jelatine, shredded cocoanut, fine-flavoring extracts for your cakes, custards and pies, can all be found at the Bazaar. We acknowledge the receipt of Mr. D. H. Wheeler's subscription sent by his brother, Levi, Saturday and we were glad to hear that the former is improving in health. We have two car loads of the nicest horses and mules we have ever shipped to Columbia and would be glad for you to call and see them. G. P. Caughman & Bro., Columbia, S. C.

Treasurer Shealy was quite busy Monday serving a large number of taxpayers. Still there is a big number behind and the 31st is nearing, after which the one per cent. penalty will be attached.

If you want a nice driving horse, or a nice mule, come and get it from us before they are all gone. G. P. Caughman & Bro., Columbia, S. C.

Col. George Bell Timmerman on account of the illness of Solicitor Thurmond acted as Solicitor at the Saluda term of court last week, and it is said what he lacked in age was more than overbalanced by his legal ability and promptness in dispatching the business of the court.

When you visit the city of Columbia to buy shoes remember Lever, "The Shoe Man," can always suit you in prices and quality. Never buy until you see him. Walter Wise, The Barber, informs the public that he is prepared to do barber work at his shop in this place and invites all to give him a call. Good easy shaving and work guaranteed.

Be in Time.

Our merchants have laid in a good supply of Christmas goods, and shoppers who call first will find the cream. It is, therefore, advisable to make your purchases before the rush begins. It is best to buy when everything is fresh and before it has been picked over. Besides you can have the polite attention of clerks in serving you. Read our advertising columns and you will then know the best place to buy. Santa Claus supplies should be selected in time. So don't delay.

T. B. Aughtry & Co., of Columbia, always keep in stock a large supply of buggies and wagons, which they sell at the very lowest prices. Give them a call when you want one.

Notice, Baptist Brethren.

The Executive Committee of the Lexington Baptist Association, viz: R. G. Able, G. J. King, Samuel Gantt, E. A. Smith, are requested to meet at Pelion, on Monday Dec. 28, at 10 o'clock, to look after the interests of the denomination in this county. All churches desiring assistance will please meet the Committee at Pelion on 28th of December, 1903, either by written or personal message. D. J. Knotts, Chairman Executive Committee.

Nice, Select Goods.

We all know that if there is anything a lady likes it is nice dress goods, and we are pleased to say the place to find the prettiest, select line, is at N. A. Young's, Columbia. Here you find apparel to adorn and make the married ladies look young and handsome; the young ladies and misses sweet and lovely. Remember the store, next to T. B. Aughtry & Co., Columbia.

Ten Thousand Churches

In the United States have used the Longman & Martinez Pure Paints.

Every church will be given a liberal quantity whenever they paint. Don't pay \$1.50 a gallon for Linseed oil (worth 60 cents) which you do when you buy thin paint in a can with a paint label on it.

8 and 6 make 14, therefore when you want fourteen gallons of paint, buy only eight gallons of L. & M., and mix six gallons of pure linseed oil with it. You need only four gallons of L. & M. paint, and three gallons of oil mixed therewith to paint a good sized house. Houses painted with these paints never grow shabby, even after 18 years. These celebrated paints are sold by W. P. ROOF, Lexington, S. C.

For farming implements, groceries, &c., you cannot beat T. B. Aughtry & Co., Columbia, on prices. They will sell you what you want at almost your own price. See the line of pencil and writing pads, from one penny up, cheap and fine box paper, school companions, lead pencils, ink, pens, etc., at the Bazaar. Dr. Gilmore will be at Kamines Hotel January 12 and 13 prepared to serve his patrons in any dental work.

PROFIT

The matter of feed is of tremendous importance to the farmer. Wrong feeding is loss. Right feeding is profit.

The up-to-date farmer knows what to feed his cows to get the most milk, his pigs to get the most pork, his hens to get the most eggs. Science.

But how about the children? Are they fed according to science, a bone food if bones are soft and undeveloped, a flesh and muscle food if they are thin and weak and a blood food if there is anemia?

Scott's Emulsion is a mixed food; the Cod Liver Oil in it makes flesh, blood and muscle, the Lime and Soda make bone and brain. It is the standard scientific food for delicate children.

Send for free sample.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
