

Dots from Shiloh.
 To the Editor of the Dispatch:
 The health of the community is very good at present.
 Our farmers are about through planting corn, but have planted very little cotton as yet.
 Grain crops are getting along nicely owing to the cool spring. Mr. W. P. Keisler has wheat heads at this writing.
 Oats seems to be a little backward but is coming along nicely.
 The peach crop in our community is unharmed at this writing, and if no further damage is done we will have plenty of peaches.
 A large congregation was disappointed last Sunday at St. Paul's on account of the illness of Rev. Mr. Roof. He has been very faithful, this being the first appointment he has missed since he has been the pastor of St. Paul's church. We hope him a speedy recovery.
 Mr. E. Long is having a vacation at his saw mill and is now turning the soil.
 Mr. G. W. Pound is planting less acreage but is working with better results.
 Mr. H. S. Sease has purchased a nice two-seated buggy.
 Mr. M. R. Price is planting more corn than usual this year.
 With best wishes to the Dispatch and its many readers, I remain,
 Clodhopper.

A Thoughtful Man.
 M. M. Austin, of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c., at The Kaufmann Drug Co's., store.

Japs Again Make Attack.
 London, April 14.—A report received here today is that the Japanese fleet made another fierce attack upon Port Arthur this morning. It began with a torpedo attack upon the Russian fleet. Afterwards the city was bombarded as well as the forts. The fire was only desultory and seemed intended to draw the fire from the forts. The result of the attack is not yet known.

Cures Coughs and Colds.
 Mrs. C Peterson, 625 Lake street, Topeka, Kansas, says: "Of all cough remedies Ballard's Horehound Syrup is my favorite; it has done and will do all that is claimed for it—to speedily cure all coughs and colds—and it is so sweet and pleasant to the taste." 25c., 50c. \$1.00 bottle. Petrovavlovsk Sunk.
 St. Petersburg, April 13.—The following official dispatch has been received her from Rear Admiral Grigorovitch, the commandant at Port Arthur, addressed to the emperor:
 "Port Arthur, April 13.—The Petrovavlovsk struck a mine, which blew her up and she turned turtle. Our squadron was under Golden Hill. The Japanese squadron was approaching. Vice Admiral Makaroff was lost. Grand Duke Cyril was saved, though slightly injured. Capt. Jakovlev was saved, though severely injured, as were five officers and 32 men, all more or less injured. "The enemy's fleet has disappeared. Rear Admiral Prince Ouktolzky has assumed command of the fleet."
 The following dispatch to the czar has been received from Viceroy Alexieff:
 "Makden, April 13.—A telegram has just been received from Lieut. Gen. Stoessel, commander of the military forces at Port Arthur. I regret to report to your majesty that the Pacific fleet has suffered irreparable loss by the death of its brave and capable commander, who was lost, together with the Petrovavlovsk."
 Another dispatch from Viceroy Alexieff to the czar says:
 "According to reports from the

commandant at Port Arthur the battleships and cruisers went out to meet the enemy, but in consequence of the enemy receiving reinforcements, making his total strength 30 vessels, our squadron returned to the roadstead, whereupon the Petrovavlovsk touched a mine, resulting in her destruction. Grand Duke Cyril, who was on board, was saved. He was slightly injured. The whole squadron then reentered port. The Japanese are now off Cape Lino Shan. A Dandy for Burns.
 Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. 'It is a dandy for burns.' Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency." 25c., 50c., \$1.00 a bottle. Sold by The Kaufmann Drug Co., Lexington, S. C.

Killed in Battle.
 Bennettsville, April 15.—The relatives of Sergt. Ernest Reynolds have received a cablegram bearing the sad intelligence that he was killed in battle near Manila on the 4th. He was torn to pieces by a cannon ball and died instantly.
 Sergt. Reynolds was a native of Marlboro. His father, William T. Reynolds, lived in this county a number of years, but is now at Rock Spring, N. C. Ernest Reynolds had been in the Philippines but a few months, having gone there last fall. He was at first stationed at Camp Jassman, Guimaras, but went to Manila a few weeks ago.

Gloom in Russia.

St. Petersburg, April 14.—The aspect of this city today is one of the most desolate type. A driving snowstorm is prevailing, and sadness is depicted on human faces everywhere. A majority of the people, after learning of the disaster at Port Arthur whereby the Petrovavlovsk was sunk with nearly eight hundred people, expressed their feelings by the tolling of bells. Early in the morning the newspapers brought the first details of the disaster, and those who could not read, having heard of it, eagerly asked that the accounts be read to them.

It is tried to excuse Admiral Makaroff and the other officers on the destroyed vessel by recalling the collision between the English battleships Victoria and Camperdown during manoeuvres in the Mediterranean a few years ago, in which nearly the entire crew of the Victoria, which went to the bottom, was lost. A mass for Admiral Makaroff and members of the crew who lost their lives in the Petrovavlovsk catastrophe was celebrated in the admiralty chapel at noon today. The czar and all the government officials were present.

A Family Poisoned.

Springfield, Mass., April 15.—Three children have died from poisoning and a wife is ill with the same malady. The town has a mystery on its hands. Parts of the bodies of two of the children and the meat from which it is suspected they were poisoned have been taken to Harvard for analysis.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.
 Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.
 There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Afraid of Him.
 "The President's friends," it is announced in Washington, have strongly advised him against speech-making and have assured him that his election looks to be certain. They do not see why he should exhaust his strength and health in speech-making and take chances on some inopportune remark that might do harm." The pith of the matter is in the last ten words. The Republicans should be known this year as "Old Party Afraid of Its Candidate."

Did Not Nominate.
 Topeka, Kas., April 12.—The Populist State convention met here today and adjourned without making any nominations. The delegates will meet in Topeka again on August 3, at which time an effort will be made to fuse with the Democrats. A State convention of Democrats will be held here the same date.

FEMALE WEAKNESS
 521-2 Congress St. PORTLAND, MAINE, Oct. 17, 1902.
 I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.
