**The Electric Line.**

The business men of Columbia are standing in the way of their own interest when they refuse to have anything to do with the Lexington-Saluda-Columbia electric railway. It would certainly be one of the greatest feeders to Columbia adding untold trade to the city.

**Dispensary Profits.**

The Board of Control was in session Monday. Only routine business was transacted. R. L. Keiser, J. Weir A. dy and W. J. Ballentine were present.

She leaves a husband, Mr. Paul E. Eleazer and 9 children. She was the daughter of Maj. J. E. Palmer. A noble Christian woman has gone to rest. We laid her to rest in the cemetery of Mt. **An Excellent Article.**

Our attention has been called to an excellent article from the gifted pen of Prof. Paul T. Brodie, which recently appeared in the columns of the Columbia State. The article treats of the "Problems of the Panama Canal" and is accompanied by a comprehensive map showing the work to be accomplished. Mr. Brodie is a native of this county and is a grand-son of the late Gen. Paul Quattlebaum. He is now Professor of Mathematics in Clemson College.

**Death of Mrs. S. N. Hendrix.**

Mrs. Irene Hendrix, wife of Mr. S. N. Hendrix, died at her home in Columbia last Monday. Mrs. Hendrix was born in Fairfield county but immediately after her marriage moved to this place, where she resided for a number of years. During her residence here, she won the love and confidence of her friends and acquaintances by her sweet disposition, her gentleness and unassuming manners, and she has left behind her an influence that awakens pleasant memories of her kindness of heart and hand. Her husband and two daughters, Mrs. Willis and Mrs. Ed. Hendrix survive her, who with her other relatives and friends have the deep sympathies of our people in their sad affliction. Her remains were interred in Elmwood cemetery, and now sleep the sleep of the just.

**A New Residence.**

Mr. Barton D. Clark has commenced work on his new dwelling which he is erecting on his lot on Depot street. Mr. J. J. Taylor, with a force of hands, is doing the work and this is sufficient to insure it being well done.

**Death in Batesburg.**

Mrs. Elizabeth Rawl, the venerable mother of Mr. James E. Rawl and Mrs. M. D. Harman and a sister of Mrs. Eugenia Hendrix of this place, died at her home in Batesburg, last Monday at the age of 80 years. She was the widow of the late David Rawl, well and favorably known to our people. She had been in declining health for sometime and her death was due to a general physical breaking down. She was a consistent member of the Methodist church for a long number of years and lived up to the ordinances of her church. She leaves several children among whom being Messrs. W. L. and J. J. Rawl, two prominent business men of that town. She now sleeps in the public cemetery at Batesburg.

**Mrs. Lizzie Kaufmann Dead.**

Mrs. Elizabeth Kaufmann died early this morning at her home in this place after an illness of several weeks. The announcement of her death was a great shock to the community as it was generally supposed that she was convalescing, although her death was not entirely unexpected to the members of her immediate family who were in a measure prepared for the sad ending of their loved one. She was a daughter of the late Mrs. Lucinda Drafts and the wife of Mr. T. W. Kaufmann, who preceded her to the spirit land some several years ago. Mrs. Kaufmann was a life long resident of this place and her friends and acquaintances were numbered by the scores. She was of a gentle and lovable disposition and to her friends she was true and devoted. Her Christian experience was bright and she was a consistent member of the Lutheran branch of the Christian Church. She leaves one son, Dr. Julian Kaufmann, who with the other relatives of this estimable lady, have the sympathies of our people. The interment will be in St. Stephen cemetery tomorrow at 11 o'clock.

**Summit Items.**

To the Editor of the Dispatch: Sleet fell here for a short time last Wednesday, the 20th. Biting and killing frosts have appeared, and planting is not being pushed as it has been.

The fruit in this section has not been killed to date, and it is hoped that it will not be, as several sections near here will be almost fruitless.

Rev. Joab Edwards was in town last Saturday in the interest of his sermons.

Mr. Leopold Derrick was in town last week.

Mr. George Sease, of near here, who "makes his farm pay" was in town Saturday.

Mrs. J. Arthur Harman, of Lexington, returned home Sunday after spending a few days with her mother, Mrs. C. C. Son, of Fredonia.

The weather is fair and warm this morning, and we haven't time to write a long letter. Mack May, April 25, 1904.

**Piney Woods.**

At a regular meeting of Piney Woods Democratic club held Saturday, April 23, 1904, the following resolutions were adopted:

Resolved, 1 Whereas we recognize the noble work, which our faithful Congressman, Hon. A. F. Lever, has accomplished during his congressional career.

2. That we do hereby endorse him for re-election to Congress from the Seventh Congressional District.

3. Being desirous of a change in the road law, the members of this club do favor a system of taxation for working our public roads.

4. That we heartily endorse the bill for Biennial Sessions of the Legislature, which was passed at the last meeting of that body.

5. Recognizing the inconvenience and expense which are incurred by us in traveling to our court house, and believing that a free bridge could be built across Saluda river at some central location, we most heartily endorse the free bridge movement, and would ask for a vote to be taken on this question in the coming primary.

A. S. Frick, President.  
C. S. Matthews, Secretary.
