LEXINGTON, S. C.,  
Circulation, 1,720.  
Wednesday, May 25, 1904.

This week Columbia is in holiday attire. She is just dressed to kill and presents a lovely appearance in her company dress. Her gates are wide open and her hospitality is unbounded.

Prof. George B. Cromer, President of Newberry College, has our thanks for an invitation to attend the annual commencement of that college, which takes place June the 5th to the 8th.

The Reunion Committee of the Nashville Reunion sends the good news that all arrangements are perfected for entertaining the United Confederate Veterans at Nashville, June 14-16.

The Democratic nominee for President of the United States lays between Parker and Hearst, of New York, with Cleveland, also of New York, looming up in the befogged background as a possible dark horse.

If the farmers of this county desire a "Farmers Institute" this summer they should get up a petition signed by not less than fifteen farmers, each of whom shall sign his own name to the petition and forward it to Prof. P. H. Mell, President of Clemson College, at Clemson, S. C.

"Politics makes strange bedfellows," is illustrated by the picture of the Blue Bloods of Charleston "spooning up" to Farmer Tillman. Who would have thought it in the nineties when one of Charleston's "Great I Am's" tragically exclaimed: "Swear that Ben Tillman shall never be Governor of South Carolina!" But, happily, since then the political millenium has dawned and the lion and the lamb lies down in peace together, the sword has been beaten into plough shares and the spares into pruning hooks. "All's well that ends well!"

## Base Ball.

The Lexington Base Ball team left on the noon train today for Johnston, where they play a match game this afternoon with the Johnston team. Our boys have a strong team, as follows: Lander Haltiwanger, pitcher; C. F. Shealy, catcher; John Willson, 1st b; J. B. Floyd, 2nd b; Samuel Bickley, 3rd b; John S. Derrick, c.f.; Lem Sox, r.f.; Frank George, l.f.; Mann P. George, Captain and Frank E. Dreher, Umpire. Chief roofer, Sam P. Roof, and E. C. Dreher, W. H. Bickley and Bob Leaphart accompanied them, and a jolly time awaits their reception.

# MANY PEOPLE SUFFER WITH CATARRH OF KIDNEYS.

Pe-ru-na is Invaluable in Such Cases.

FRED R. PENNELL.

THOMAS M. HICKS.

## DANGEROUS KIDNEY DISEASES CURED

Pe-ru-na Creating a National Sensation in the Cure of Chronic Ailments of The Kidneys.

Fred R. Pennell, Pianist, Grand Opera House, Hot Springs, Ark., writes:

"Two years ago I came to Hot Springs to take the baths and be treated for bladder and kidney trouble. After spending two months here under the care of one of the most prominent physicians and receiving little or no benefit, I was persuaded to try Peruna. I had little faith in it, but after using one bottle I noticed a marked improvement. Three bottles entirely cured me. I can cheerfully recommend Peruna to anyone afflicted as I was."—Fred R. Pennell.

Thomas M. Hicks, 1131 13th St., Louisville, Ky., writes:

"Neglected colds, irregular habits and overwork brought on serious kidney and bladder trouble. My blood seemed

inflamed with poison, my stomach became entirely demoralized, a bad odor emanated from my urine, and I realized I was a sick man. The doctors dosed me to their heart's content, but I kept growing worse. Then fortune brought Peruna to my notice and I at once began to mend. I kept taking it for five months before I was completely cured. I feel now that I owe my life to Peruna and will never cease to be grateful."—Thomas M. Hicks.

S. L. Earle, Superintendent of Streets, Jacksonville, Fla., writes: "I am a firm believer in Peruna. I find that it has been of practical benefit to number of the men employed in the Street Cleaning Department in the city of Jacksonville. They are especially exposed to the inclemency of the weather and a number who caught colds, which later developed into pneumonia, kidney, or liver trouble, were cured through the use of Peruna."—S. L. Earle, Superintendent of Streets.

If you do not derive prompt and satisfactory results from the use of Peruna, address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Backache is often the First Symptom of Catarrh of the Kidneys.
