TRUTH IN POETRY.

We have Shoes for the farmer's son
To run across the fields,
In leathers black and glossy,
With both hard and rubber heels.
We have Shoes for the ploughman
And his mate who draws the hoe.
And Shoes for the sportsman
When on a pleasure trip he goes.
We have Shoes for every season
And in styles that can't be beat,
And Shoes at popular prices
To fit the different shapes of feet,
We have shod the feet of Columbia
For some twenty years or so,
And we hope to have this pleasure
For at least that many more.
Whenever you are in need of Shoes
Come in and take a peep—
Our goods are known from Pudding
Swamp
To the banks of Rafting Creek.

Newberry College

Opened its present session on the
21st of last month with much life
and interest throughout the halls and
campus. The many improvements
around the college seem to be an in-
centive to work among the students.
The number of new students at the
opening was strikingly large. The
total number was seventy against
forty-one last session.

Of especial significance to Lexing-
ton county is the fact that she has a
representation in the walls of New-
berry College of fifteen or twenty
bright young men. Newberry is
proud of them, and it means much
to Lexington county.

On October 31st, Luther Day, the
magnificent new building known as
Holland Hall, will be dedicated. The
students and professors are taking
much interest in the preparation for
that day. Dr. R. C. Holland of
Charlotte, will make an address, also
Drs. Cromer and Scherer will speak.
This building, modern in every par-
ticular, costing more than twenty
thousand dollars is a credit to the
College town, and the Lutheran
Church.

Swansea's Doings.

To the Editor of the Dispatch:

The farmers are busy gathering in
the bountiful harvest of corn and
cotton. The pea crop is below the
average and the hay crop is the
poorest for years.

Our public school expects its
initiation next week, but owing to
the scarcity of labor the commence-
ment may be small. But in our op-
erity—alas! we are in the midst of
adversity.

The smiling angel has been in our
little town and vicinity and his visits
have in time left grief and sadness to
us all. Mrs. Susan Quattlebaum,
wife of our fellow-citizen, Andrew J.
Quattlebaum, after a long, hard
struggle with gastritis, surrendered
her life to death's unyielding de-
mands and has crossed over the river
to rest in peace on the other shore.
She leaves a beloved family to miss
the cares of a faithful companion,
considerate mother and Christian ex-

ampler. Her remains were carried
to Batesburg and now rest beside
her kindred to await the summons.

This week the home of our town-
man, Ervin Hall, was invaded and
Lillie Racker, his youngest daughter,
was also taken from those who loved
her most and who will miss her
greatest. A little infant only four
days old preceded her to the spirit
land Lillie was in the bloom of
early womanhood, and in early life
joined the Baptist church, and has
lived strictly up to the life of a
Christian girl, woman and wife. On
Thursday evening she was placed by
kind hands in the grave in the Swan-
sea cemetery. Spectator.

Danger of a Cough.

Pneumonia, grippe, cold, bronchitis and
nearly every other dangerous sickness of
this kind is usually the development of
a slight cough. Too many people are
laid up and too many die from diseases
where they could so easily knock that
first cough in the head. Murray's Hore-
hound, Mullein and Tar cures colds.
It just drops the bottom out of a cough.
Every druggist has it for 25c a bottle.
Remember "Murray's" and take no
other. Regular 50c size.

Death of Mr. Stokes.

We are saddened to learn of the
untimely death of Mr. J. B. Stokes,
one of the most prominent merchants
and influential citizens of Batesburg.
It is not known at what hour the
messenger of death summoned him
to the grave, but it was apparently
a death without a struggle as his
body was found Sunday morning in
peaceful repose by his wife. He was
in good health and spirits all day
Saturday, but in the afternoon of
that day he worked hard in assisting
in putting out the fire at the Kern-
aghan House and over exerted himself
and it is thought that the excitement
incident to the fire produced heart
failure.

County Fair.

Yesterday was the opening day of
the County Fair and the crowd in at-
tendance exceeded that of the first
day last year by a large number.
The exhibits, too, are more numerous
and the specimens finer than at any
of its predecessors. All of the various
departments are full with the
exception of that of the Needle and
Fancy work department which while
the exhibits are very meritorious and
shows a great deal of artistic skill in
these design and construction, are
not as numerous as at previous fairs.

There are numerous side shows
peanut stands and quite a number of
other amusements to entertain and
entertain the visitors.

The horse display and the poultry
exhibit is exceptionally fine.

On the whole, this fair is the best
yet held.

The Lexington brass band is furn-
ishing the music and the boys are ac-
quitting themselves with credit and
are largely contributing to the pleas-
ure of the occasion.

To Cure a Cough.

The coughs so prevalent these days
usually develop before you realize what
has happened. Now the best thing to
take is the most reliable cough cure you
can get. None better than Murray's
Horehound Mullein and Tar. It is made
of the purest ingredients and can be
given to infants as well as grown people.
Above all else IT CURES. You will
find it at druggists. 25c a bottle—extra
large bottle.

The 29th of October.

All of our Institutions for orphans
have agreed to ask the good people
of the State to devote one day in Oc-
tober to the orphans. Young and
old, rich and poor alike are asked to
give the proceeds of one day's work
to their little fatherless brothers and
sisters. The day for the Thornwell
Orphanage, Clinton, is the 29th of
October. There are 200 orphans in
the Institution. Send your gift for
these orphans to Rev. Wm. P. Jacobs,
Clinton, S. C.

An Old Time Remedy.

Murray's Horehound Mullein and Tar
has in it the purest of drugs. All of
which were used by our parents and
grand-parents. It is a combination so
put together that it cures a cough right
off. Nothing is better for babies. It is
a most reliable cure and all cases of
coughs. Ask your druggist for it. They
all have it. Get a bottle now and have
it ready. Costs only 25c a bottle—extra
large bottles—regular 50c size. Remem-
ber to ask for "Murray's" and take no
other.

White Rock Whittlings.

To the Editor of the Dispatch:
Our parsonage is being painted.
The water famine threatens to be
serious.

The United Thanksgiving service
of Bethel pastorate will be held at
the parsonage November 1st. This
is done so early because for two
years the weather has been cold on
the national Thanksgiving day. Dr.
L. A. Fox, of Roanoke College, is to
make the principle address.

Splendid public missionary ser-
vices were held Sunday. One in Mt.
Olivet church at 4 p. m., and one in
Mt. Hermon church at 8 p. m. Be-
sides recitations by the members, in-
spiring addresses were made by Rev.
A. J. Bowers, D. D., of Newberry
College. Similar services are to be
held in Bethel next Sunday at 3:30
p. m., and the fifth Sunday in Mr.
Vernon at 11 a. m. At the former
addresses are expected from Rev. O.
B. Shearouse and E. U. Shealy,
Esq.; at the latter, one by Hon. C.
M. Eard.

Wessinger and Dr. J. W. Eargle are
attending the Tennessee Synod near
China Grove, N. C.

A public Children's Day service is
to be held in St. John's church near
Hope next Thursday.

to be held at Mt. Olivet next Sunday.

soothes the child, softens the gums,
allays all pain, cures wind colic and
is the best remedy for diarrhoea.

Next week Columbia will be in a
blaze of glory. The entire city will
be decorated with flags, bunting and

in course of erection.

A New Department is to be Born This Week.

Will name it "Jewelry" and give it the front place in our house.
Like all departments in our store it will be full grown and will con-
sist of every thing usually carried in a first class jewelry store. Its
not premature as we have been studying the matter for two years,
getting in touch with the best manufacturers in this country.

If you want a Gold Watch of the best make, a Diamond Ring of
the first water, a Gold Necklace, Charm, Locket, Brooch, Pin, Silver-
ware or anything in that line at about one-half the usual jeweler's
profit, give us a call. Every article has the manufacturers' as well
as our own personal guarantee to be as we represent.
