South is Holding Cotton. New Orleans, Dec. 7.—President Peters, of the Texas Cotton Growers' Association and other prominent Texas cotton men, wired the local house today that mass meetings of cotton planters have been called in every county in Texas, Indian Territory and Oklahoma for December 17th, to devise means to hold cotton. Reports today from all parts of the South showed that farmers are not selling at prevailing prices and the buyers are idle.

Grip Quickly Knocked Out. "Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of la grippe with all its miserable symptoms," says Mr. J. S. Eggleston, of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip."

Lexington's Need. We understand that a project is being seriously considered by the business men and town council looking toward the establishment of a system of water works for a protection in case of fire. It is proposed to erect a large steel tank at some point near the court house from which pipes will lead and thus distribute the water through the main portion of the town.

Knowledge from Experience. Is what we understand when Dr. Spalding, an eminent Baptist divine, of Galveston, Texas, writes, "send me two bottles of Taylor's Cherokee Remedy of Sweet Gum and Mullein. It is for a friend suffering from consumption. It is a preparation I know from experience to be good." At druggists, 25c., 50c. and \$1.00 a bottle.

E. B. Stahlman, of the Nashville Banner, obtained a judgment last week against the Nashville News for \$1,200 damages for slander. When you want a pleasant laxative take Chamberlain's Stomach and Liver Tablets. For sale by The Kaufmann Drug Co.

The best actress is the one that acts so well no one thinks she's doing it. A Certain Cure for Croup. When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended.

An Emergency Medicine. For sprains, bruises, burns, scalds and similar injuries, there is nothing so good as Chamberlain's Pain Balm. It soothes the wound and not only gives instant relief from pain, but causes the parts to heal in about one-third the time required by the usual treatment. Sold by The Kaufmann Drug Co.

Thousands Have Kidney Trouble and Never Suspect it. How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

Latimer Gives Up Hope. Washington, Dec. 9.—Senator Latimer has given up hope of the passage of his good roads bill at the present session of Congress. It has been announced that economy is to be the slogan of the session, and in every quarter where effort has been made to obtain support for the measure the question of legislative extravagance has been raised. The bill will die at the end of the session.

The Key That Unlocks the Door to Long Living. The men of eighty-five and ninety years of age are not the rotund well fed, but thin, spare men who live on a slender diet. Be as careful as he will, however, a man past middle age, will occasionally eat too much or of some article of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. For sale by The Kaufmann Drug Co.

Fight Will be Bitter. Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Beal, of Beal, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by the Kaufmann Drug Co. Price 50c. and \$1.00. Trial bottles free.

A Costly Mistake. Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle yet thorough. 25c. at The Kaufmann Co. Old Tom Platt, of New York, has introduced a bill in the Senate looking to a reduction of representation in Congress from the Southern States.
