A Humorist in Love.

A certain young humorist once violently fell in love with a pretty girl whom he had met for the first time. The strength of his attachment may be gauged by the following letter he indited to her:

"My Dear Miss M.:—Every time I think of you my heart flops up and down like an excited eel in a fish basket. Sensations of unutterable joy caper over it like the young kitten on an outside roof, and thrill through it like broken bottles on the garden wall through the garments of the nocturnal thief. As a gossling swimmer in a mud puddle, so I swim in a sea of glory. Visions of ecstatic rapture thicker than the hairs of a blacking brush visit me in my slumbers, and borne on their invisible wings, I reach out to grasp your image like a terrier snapping at a bluebottle fly.

"Since the light of your face fell upon my life I sometimes feel as if I could lift myself by my boot jack to the top of the church steeple and pull the bell ropes for morning school.

"Day and night you are in my thoughts and whenever I think of you my heart, like a piece of guttapercha, seems stretched across my bosom.

"Your hair is like the mane of a chestnut horse powdered with gold, and the brass pins skewered through it fill me with unbounded awe. Your forehead is smoother than the elbow of an old coat, and your eyes are glorious to behold. In their liquid depths I see legions of Cupids bathing like a cohort of ants in an old Wellington boat. When their fire hit my manly breast it penetrated my whole anatomy, as a charge of bird shot goes through a ripe apple.

"If you cannot reciprocate my thrilling passion, I shall pine away like a poisoned fly, and fall from the flourishing vine of life an untimely branch. And in coming years, when the shadows fall from the hills and the cornake sings his cheerful evening hymn, you, happy in another's love, can come and drop a tear and catch a cold on the last resting place of your affectionate, H."

Notice.

Notice is hereby given that the health of the people of this county is in imminent danger and must be taken care of. It has been decided that every precaution be taken to prevent prolonged cases of pneumonia, grippe, etc. The best thing to do is to give a good cough mixture as soon as the cough starts. Get MURRAY'S HOBHOOND, MULLEN AND TAR. Only 25c. a bottle. At all druggists.

The members of Dixie Lodge, No. 52, I. O. O. F., enjoyed a delightful smoker at their lodge room Thursday night.

It is rumored that night operations will soon be resumed at the Lexington cotton factory. This means the employment of additional operatives and consequently more money put in circulation hereabouts.

Saved From Terrible Death.

The family of Mrs. M. L. Bobbitt, of Bargetown, Tenn., saw her dying and were powerless to save her. The most skillful physicians and every remedy used, failed, while consumption was slowly, but surely taking her life. In this terrible hour Dr. King's New Discovery for Consumption turned despair into joy. The first bottle brought immediate relief and its continued use completely cured her. Its the most certain cure in the world for all throat and lung troubles. Guaranteed bottles 50c. and \$1.00. Trial bottles free at the Kaufmann Drug Co.

The editor is out this week seeking delinquent subscribers who owe him a dollar or so. Gentle reader, if you owe him anything meet him when he is in your neighborhood and settle up.

Whiskey Lost.

A hoop on the Richland Distilling company's 5,000 gallon capacity tank broke last Thursday afternoon and all of the contents, with over thirty barrels of whiskey, were lost, save the little the employes scooped up with buckets from the floor, which was covered a foot deep.

An agreeable movement of the bowels without any unpleasant effect is produced by Chamberlain's Stomach and Liver Tablets. For sale by The Kaufmann Drug Co.

The United States Supreme Court has decided that the old Blue Ridge bond scrip is not legal tender. A similar decision had been made by the Federal Circuit Court.

GOOD POTATOES BRING FANCY PRICES. To grow a large crop of good potatoes, the soil must contain plenty of Potash. Potatoes, melons, cabbage, turnips, lettuce—in fact, all vegetables remove large quantities of Potash from the soil. Supply Potash liberally by the use of fertilizers containing not less than 10 per cent. actual Potash. Better and more profitable yields are sure to follow. Our pamphlets are not advertising circulars booming special fertilizers, but contain valuable information to farmers. Sent free for the asking. Write now. Wanted--A Woman.

Wanted—a woman—no saint understand. But a womanly woman, who, on every hand, Sheds a luster of purity, goodness and grace, Who carries her loveliness stamped on her face; Whose wisdom's intuitive insight is deep, Who makes living sunshine where life's shadows creep; Who's poised in her little world's center and who Is gentle, responsive and tender and true; Whose sweetness and graciousness fit like a gown— Do you think I might find such a one in town.

Say "Murray's."

When you've got a bad cough just say "MURRAY'S." If a druggist gives you anything but Murray's Hobhoond, Mullen and Tar you're not getting the best and surest cough remedy. Make him give you Murray's. Acts quicker and you get a 50c. size bottle for 25c. Every druggist has it.

A Very Close Call.

"I struck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by The Kaufmann Drug Co. Price 50 cents.

Spirit of 1776.

"Hold my cotton I have mailed you a check today for \$2,000 and am shipping you 50 bales of cotton by the next freight. We farmers believe that we have this fight whipped and are going to hold our cotton until we win or are broke."

The above is the copy of a telegram received by a cotton factorage firm in Augusta one day last week. The message was in response to a call made for margins by the firm that was carrying the cotton for the farmer, and it is an instructive document, in view of the fact that it displays that good old American spirit of 1776, and which has developed in every subsequent crisis in the history of this country, be that crisis industrial or political.
