Saved From Terrible Death.

The family of Mrs. M. L. Bobbitt, of Bargetown, Tenn., saw her dying and were powerless to save her. The most skillful physicians and every remedy used, failed, while consumption was slowly, but surely taking her life. In this terrible hour Dr. King's New Discovery for Consumption turned despair into joy. The first bottle brought immediate relief and its continued use completely cured her. Its the most certain cure in the world for all throat and lung troubles. Guaranteed bottles 50c. and \$1.00. Trial bottles free at the Kaufmann Drug Co.

Pond Branch Dots.

To the Editor of the Dispatch:
Every one seems to have settled down to work in earnest since the holidays: Miss Gary, of Orangeburg, is on a visit to her aunt, Mrs. Caroline Hallman. Rev. Strickland will preach at Pond Branch M. E. church every second Sunday at 11 o'clock a. m.
Mr. J. W. Harman has charge of the school at Liberty Hill. May success be his.

The new school building in Boiling Springs district is being erected. Mr. J. L. Smith, with his force of hands, is doing the work.

On Christmas day, a most fitting day for all happy events—especially is this, when it means ones happiness or unhappiness for life—my young friend, Mr. Reedy Smith, was married to Miss Lily Hallman at the home of the bride's parents, Mr. and Mrs. Geo. Hallman. May they find life's pathway strewn with flowers.
Mr. N. S. Crout is putting in his saw mill at the Mims Old Mill place.

Quite a number of handsome young men and women visited our section during the Yule Tide. Our heart's desire is that some of these may return and make this their future home.

Rev. D. A. Lewis, while on a visit to the home folks, preached two very impressive sermons in Pond Branch church. We feel proud of the success Anderson is making in the ministry.

The Christmas exercises at the Pond Branch school, on Saturday evening, December 24, were well attended. Be-

sides the recitations of the school, timely and interesting addresses were made by the following: Mr. J. Walter Harman, of Lexington, Mr. Rufus B. Koon, of Lenoir college, Rev. D. A. Lewis, of Townville, S. C.

When an old maid bumps her head against the door in the dark she never has to worry over the way people will wonder if her husband did it.

Wonderful Nerve

Is displayed by many a man enduring pains of accidental cuts, wounds, bruises, burns, scalds, sore feet or stiff joints. But there's no need for it. Bucklen's Arnica Salve will kill the pain and cure the trouble. Its the best salve on earth for piles, too. 25c., at The Kaufmann Drug Co.

Although paper money is soft, it is hard to get.

Notice.

Notice is hereby given that the health of the people of this county is in imminent danger and must be taken care of. It has been decided that every precaution be taken to prevent prolonged cases of pneumonia, grippe, etc. The best thing to do is to give a good cough mixture as soon as the cough starts. Get MURRAY'S HOREHOUND, MULLEIN AND TAR. Only 25c. a bottle. At all druggists.

As the alleged ancestors of some of our old families Adam and Eve have much to answer for.
Sarcasm is like pepper—a little bit is good, but too much burns.

A Very Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by The Kaufmann Drug Co. Price 50 cents.

A man who says he can manage his wife is either a bluff or a bully.

A brave man is sometimes a desperado, but a bully is always a coward.

Say "Murray's"

When you've got a bad cough just say "MURRAY'S." If a druggist gives you anything but Murray's Horehound, Mullein and Tar you're not getting the best and surest remedy. Make him give you Murray's. Acts quicker and you get a 50c. size bottle for 25c. Every druggist has it.

Fredonia Notes.

To the Editor of the Dispatch:
Miss Cora Ballentine, who is attending school at Gilbert, visited Mr. F. P. Shealy's family recently.
Mr. P. D. Harman made a business trip to Lexington recently.
The health in this community is very good at present.

Mrs. L. C. Shealy, who has been visiting her granddaughter, Mrs. J. A. Harman, at Lexington, returned Sunday.

I am sorry to learn that our school-mistress, Mrs. Griffith, failed to return to her duties after Xmas. Her reason is unknown.

I am informed that Mr. John Derrick, of Lexington, will shortly take charge of the Summit school.

News is somewhat scarce in this community this week.
Well, girls, Leap Year has disappeared and another one has appeared. You had better made good use of it while you had the opportunity.

Miss Tranny Fulmer, who has charge of the Old Field school, returned last Sunday to meet her school Monday after a visit to the home folks Xmas.

Mr. Gary Stockman, of Columbia, has been visiting his brother's family for sometime.
Mr. Jus Ford and wife visited at Mr. Preston Ford's last Sunday.
With best wishes to the Dispatch and its readers.
