### Obituary.

Celia Hook, was born January 5, 1820, and departed this life February 20, 1905. Age 85 years, 1 month and 15 days. She was confirmed early in life in the Lutheran church and there remained a consistent member until the close of her life. She was married to George Jefferson Hook in March 1841, and to this union were born 11 children, 7 sons and 4 daughters. Her husband and 5 children have preceded her to the spirit land. She had 32 grand children, 6 of whom are dead, and 6 great-grand-children. Besides her children, she leaves quite a number of relatives and friends to mourn her death. She leaves to her children a rich legacy, a good name and a Christian character. She was devoted to her church and a regular attendant upon its services, so long as permitted to assemble with the people of God. Her staff of life has been laid aside, her work is with God. She is not; she has been taken. May the Lord bless and comfort the bereaved ones.

"A precious one from us has gone, A voice we loved is stilled; A place made vacant in our hearts, Which never can be filled."

J. A. C.

### Incredible Brutality.

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "out a fearful gasb over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c., at The Kaufmann Drug Co's., drug store.

### Things for Girls to Learn.

The modern girl's education is incomplete unless she has learned to Sew. Cook. Mend. Be gentle. Dress neat. Keep a secret. Avoid idleness. Be self reliant. Darn stockings. Respect old age. Make good bread. Keep a house tidy. Make home happy. Be above gossiping. Control her temper. Take care of the sick. Take care of the baby. Sweep down cobwebs. Read the very best books. Take plenty active exercise. Be light-hearted, fleet-footed. Keep clear of trashy literature. When she has learned all this, if she does not grow wings to fly to a better land, she will make a comely woman, a most excellent wife. The great difficulty in her case will be that no man on the face of this earth is worthy of so good a woman.

### Always Liberal to Churches.

Every church will be given a liberal quantity of L. & M. paint. Call for it. 4 gallons Longman & Martinez L. & M. Paint mixed with three gallons linseed oil, will paint a house. W. B. Barr, Charleston, W. Va., writes: "Painted Frankenburg block with L. & M., stands out as though varnished." Wears and covers like gold. Don't pay \$1.50 a gallon for linseed oil, which you do in ready-for-use paint. Buy oil fresh from the barrel at 60 cents per gallon and mix it with L. & M. It makes paint cost about \$1.20 per gallon. Sold by W. P. Roof.

A big crop of cotton this year means four cents cotton next fall. When in need of a liniment try T. X. L.

The new Governor of Indiana has refused a railroad pass; and the new Governor of North Carolina an increase in salary. It would seem from this that the millennium is near.

### Obituary.

Luther Jacob Snelgrove, the son of Jacob and Lizzie Snelgrove, was born on the 21 of November, 1903, and departed this life February 8, 1905, making his stay on earth 15 months and 6 days. His burial service was conducted by the pastor, Rev. Roundtree, in the presence of sorrowing friends. Then his little body was committed to the mother

earth, at Hovey church burying ground. He leaves to mourn his departure a father, mother, two brothers and four sisters. He was a bright little boy and a great favorite to his friends and loved ones. Another little bud has been plucked from earth to bloom in heaven above.

"Go to thy rest fair child, Thy toils and cares are over. And sorrow, pain, and suffering now, Shall no'er distress the more, But Jesus summoned thee away, Thy saviour called the home. To share the joys of heaven."

### A Safe Cough Medicine for Children.

In buying a cough medicine for children never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it and relief is always sure to follow. It is especially valuable for colds, croup and whooping cough. For sale by the Kaufmann Drug Co.

### Sin Eating.

The curious and repulsive practice of sin eating is now obsolete. Aubrey in "Remains of Gentilisme and Judaism" thus refers to it:

"In the county of Hereford was an old custom at funerals to have poor people who were to take upon them the sinnes of the party deceased. The manner was that when the corpse was brought out of the house and layd on the bier a loafe of bread was brought out and delivered to the sinne eater over the corpse, so also a mazer bowle of maple fuil of beer, which he was to drinke up, and sixpence in money, in consideration whereof he took upon him all the sinnes of the defunct and freed him or her from walking after they were dead."

The origin of this strange custom was most likely connected in some way with the ceremony of the scapegoat under the old law (Leviticus xvi, 21)—Westminster Gazette.

### Reduction in Cotton Acreage.

Anderson Intelligencer.

If the farmers of the South try to play a cute trick this year, each for himself and at the expense of the others, by putting in larger cotton acreage than is justified by existing conditions, they will bitterly repent when the time comes for marketing the crop. If ever there was a time when the common sense of the cotton planters was called to meet a test that time is now, when argument in favor of a reduction acreage could not be more potent. It has been repeatedly charged, and with good reason, that the farmers of the south cannot be bound together in the interest of their common good, but under present conditions it would seem that the rule of common sense must inspire them to do the only one thing seemingly possible to avert disaster in the coming cotton year. If the farmers kill the goose that lays the golden eggs they will have only themselves to blame.

### You Can Prevent Sick-Headache

when you feel it first coming on, by taking a Ramon's Pill at once. It removes the poison that causes the trouble. A guaranteed cure, and money refunded if not satisfied. 25 cents. For Sale at Harman's Bazaar.

It is said the fertilizer shipments from Charleston have revived, as hundreds of cars are now being shipped from there daily.

Cornelius Vanderbilt, August Belmont, Baron de Rothchild, three millionaires, are in Hampton county for a big hunt on the Savannah river.

Make your druggist give you Murray's Horehound, Mullen and Tar. Cures your cough. 25c. a bottle.

At a meeting of the executive committee of the State Association of cotton growers, the salaries of the officers were fixed as follows: President, \$1,000; treasurer, \$600; secretary, \$600.

Dr. J. William Flinn, who has so long been connected with the South Carolina college has resigned as professor of moral philosophy and other studies along that line.

A woman calls it having a good time when she is having a bad time to make somebody else loves happy.

### All But One.

An exchange says a female Sam Jones is stirring up the people, and that recently she stopped in the middle of a sermon, and, picking up her Bible, said: "There is a man in this house who is unfaithful to his wife! I am going to throw this Bible at him." She raised the book as if she was going to throw it and every man in the house but one ducked his head to avoid the missile. It was afterwards learned that he was deaf and dumb.

### A Chicago

Alderman Owes His Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Peoria St., Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by The Kaufmann Drug Co.

### He Was Belted.

Nell—So she actually refused Lord Nokash! Belle—Well, no; I believe her father did the refusing for her. Nell—And he was a "belted earl" too. Belle—I don't know that he was until he interviewed her father. Then he got it all right.—Catholic Standard and Times.

### Proper Enough.

"I see the trainer of men is called a 'coach,'" said the woman who had been reading the sporting page. "Yes," replied the husband; "that's right." "Then we might say that a kindergarten teacher is a 'baby coach,'"—Boston Herald.

### A Useful Bird.

Farmer Monkey—I tell you the flamingo makes a dandy hoe!—Chicago American.

### Strikes Hidden Rocks.

When your ship of health strikes the hidden rocks of consumption, pneumonia, etc., you are lost, if you don't get help from Dr. King's New Discovery for Consumption. J. W. McKinnon, of Talladega Springs, Ala., writes: "I had been very ill with pneumonia, under the care of two doctors, but was getting no better when I began to take Dr. King's New Discovery. The first dose gave relief, and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at The Kaufmann drug store, price 50c. and \$1.00. Trial bottle free.

### Strike is on Again.

St. Petersburg, Feb. 24.—Fifty thousand employees of five St. Petersburg factories are again out on a strike.

The workmen of Putikoff Iron Works, the point at which the original strike broke out, are among those to quit. The minority of the workmen refused to stop work and a serious disturbance followed. A strong police force was called out. On their arrival they attacked the strikers, forcing them to leave the vicinity. The calling of the police had an adverse effect on the remaining workmen, who threw down their tools and joined the strike. Troops are now patrolling the neighborhood of the Putikoff works.
