FOR BOTH

One disease of thinness in children is scrofula; in adults, consumption. Both have poor blood; both need more fat. These diseases thrive on leanness. Fat is the best means of overcoming them; cod liver oil makes the best and healthiest fat and

SCOTT'S EMULSION

is the easiest and most effective form of cod liver oil. Here's a natural order of things that shows why Scott's Emulsion is of so much value in all cases of scrofula and consumption. More fat, more weight, more nourishment, that's why.
