

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Hebron Items.

To the Editor of the Dispatch:

Mr. Editor, can you give place in the Dispatch for a few items from the Mt. Hebron section?

On the 18th we had a fine rain, which was much needed. Crops are improving very fast where they were not too far gone.

A few days ago, while on my way from Mr. George's roller mill, I was glad to see the fine and flourishing corn, green from bottom to top, along the old Augusta road. And then in the evening, as I went to our fields on the red hills near the river, and saw the corn wilted down for want of rain the great change made me feel real bad. From New Brookland up the river there has been a very dry streak.

Cotton is doing well except on red or clay land, where in many places it is about hand high and blooms in the top, but we are hopeful as the price is better.

Mrs. Rebecca Shull is at her son's, Mr. Harris Shull, in a very critical condition from injuries received in a fall. May our kind Heavenly Father be very near unto her in her affliction.

Miss Isabella Lupe, an aged lady of our community, is almost helpless and needs attention.

I am glad to learn that Treasurer F. W. Shealy is improving.

Mr. Editor, as the 20th of July has come and gone our mind runs back to the opening of the campaign last summer. The barbecue dinners, the kindness of the people, the many pleasant associations enjoyed and friendships made, all of these things, even amid the pressing duties of life, almost make me wish I was out on the rounds again.

I shall watch with interest the whiskey or dispensary question as it advances.

With best wishes to you and our county paper,
J. W. Hendrix.

Unequalled quick cure for throat and lung troubles. At the Kaufmann Drug Co's. drug store. Price 50c. and \$1, guaranteed. Trial bottle free.

Committee.

Mrs. John McCartha and daughter Lizzie, of Black creek, after having a delightful time while visiting her daughter, Mrs. Bachman Amick in the Hilton section, on their way back home stopped over visiting relatives here and the Editors family.

With 10 cents cotton prevailing this fall, the weekly editors of the State should collect some of those old accounts that have run way behind. It will be a case of now or never.

A Macon, Georgia, throat specialist says that woman is better qualified for talking than man. Most of us have found that out without the necessity of consulting a specialist.

Created a Sensation.

Secretary of the Navy Bonaparte has declined to accept passes from the railroads and by such action has created a sensation among the politicians of the country. It is the almost universal custom in the North and West to take anything they can get from the railroads and Mr. Bonaparte, by refusing to accept such favors, has set an example which is almost sure to have a good effect. If we could establish the principle in this country that it was discredit for public men to accept favors from corporations our politics would be conducted on a far higher plane and our government would be more honestly and efficiently administered.

Obituary.

Edith Marie, daughter of D. R. and Fannie Lee, was born September 1, 1904, died July 14, 1905, making her earthly pilgrimage 10 months and 13 days.

"A precious one from us is gone,
A voice loved is stilled;
A place is vacant in our home
Which never can be filled."

"Safe in the arms of Jesus
Safe on his gentle breast,
There by His love o'er shaded,
Sweetly thy soul shall rest."

Four Facts For Sick Women To Consider

Lydia E. Pinkham's Vegetable Compound Has an Unequalled Record of Cures—Mrs. Pinkham's Advice Is Confidential, Free, and Always Helpful

FIRST.—That almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful menstruation, displacements of the uterus, pain in the side, burning sensation in the stomach, bearing-down pains, nervousness, dizziness and sleeplessness.

SECOND.—The medicine that holds the record for the largest number of absolute cures of female ills is Lydia E. Pinkham's Vegetable Compound. It regulates, strengthens and cures diseases of the female organism as nothing else can.

For thirty years it has been helping women to be strong, curing backache, nervousness, kidney troubles, all uterine and ovarian inflammation, weakness and displacements, regulating menstruation perfectly and overcoming its pains. It has also proved itself invaluable in preparing for childbirth and the change of life.

THIRD.—The great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

FOURTH.—Every ailing woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

Mrs. Pinkham's Standing Invitation to Women.—Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. All letters are received, opened, read and answered by women only. From symptoms given, your trouble may be located and the quickest and surest way of recovery advised. Out of the vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Surely, any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.

HARMAN'S - BAZAAR.

Lexington, S. C.

The Supervisor of Union county has ordered the election on the dispensary for August 15th.

Society decrees that pretty girls shall wear full sashes around their waists, but with all due respect to society the average youth knows something that would be lots nicer around a pretty girl's waist than a full sash.

The almanacs tell us that there will be a partial eclipse of the moon on August 14th, visible here from 9 to 11 o'clock p. m. There will be a partial eclipse of the sun visible in this State on the morning of August 30th.

Wanted.

Beeswax wanted in large or small quantities. Highest market prices paid in cash, at the Bazaar.

Notwithstanding the fact that the summer girl wears so few clothes, and those few are very flimsy and gauzy, yet it requires about fourteen trunks to transport her wardrobe to the seashore, mountain resort or "watering" place.
