With this, generally, come irregular, painful, scanty or profuse periods, wasteful, weakening drains, dreadful backache, headache, nervousness, dizziness, irritability, tired feeling, inability to walk, loss of appetite, color and beauty. The cure is

#### Notes from Monk's Corner.

To the Editor of the Dispatch:

Crops are looking pretty well and I hope the harvest will be better than is expected.

The health of the community is pretty good at this writing.

Mr. Broaddus Kneese found his lost "rib" Sunday. Magistrate C. R. Rish tied the knot that bound them together till death do us part.

Mr. Billy Kyzer has his mouth open from ear to ear because it is a farmer boy.

We would like to hear from Billy Felix while he is enjoying all the good things that he takes from the boxes. Big meetings are on hand and oh! I know Billy loves "wings" and flapjacks.

Mr. Klondike must have got in the ditch with his bicycle as we hear nothing from him these days through the columns of the Dispatch.

We are glad to learn that Mr. Edwin Lucas, who is suffering from a fracture of the jawbone as a result from falling while attempting to board a moving car, is improving.

Some of the boys and girls took a pleasure trip from Pelion to Jacksonville, Fla., last week.

#### Bent Her Double.

From this terrible affliction I was rescued by Electric Bitters, which restored my health and strength, and now I can walk as straight as ever." Guaranteed to cure stomach, liver and kidney disorders; at The Kaufmann Drug Co's. drug store. Price 50 cents.

#### Emperor William Accepts.

Charleston, July 27.—At the recent golden jubilee of the German Rifle society of Charleston, Emperor William, of Germany, was unanimously elected an honorary member of the society to take the place of Emperor William I, who was for many years an honorary member of this society. President Emil H. Jahns has received from Zoepffel of the imperial German consulate at Atlanta a communication conveying the information that the German emperor had accepted the election "in consideration of the circumstances that his most illustrious grandfather was also an honorary member of this society." In 1907 the great national German feast will be held in Charleston, and it is hoped that the German emperor will be personally represented on that occasion.

#### Stronger Than Ever.

General Ba'janoff, commander of the Third Russian Manchurian army recently declared that the Japanese were unable to advance, both on account of the strengthening of Russian positions and because they have not fully recovered from their own loss at the battle of Mukden. "Never during the whole war" he said "has the Russian army been so strong in every respect as at present. The Japanese know this and therefore they wish for peace.

#### Notes from Swansea.

On Thursday afternoon of last week the Swansea base ball team defeated here the New Brookland nine by a score of 17 to 4, by fast playing of the home team. The feature of the game was the heavy batting done by the home boys.

On Friday afternoon on the home diamond the Woodford team was defeated by the Swansea team: the score being 17 to 11. The game was rather slow—nevertheless interesting.

The Swansea people are justly proud of the nine here, since they have won every game played this season except one. This afternoon they will play Woodford at that place. Miss Lizzie Nash, of Columbia, is the attractive guest of Miss Sallie Rast.

Miss Annie Rast has been with her cousins, Miss Kate Pooser, for the past month. She returned today to her home at Orangeburg much to the regret of many friends here.

Mrs. Olivia Pooser has also left for her home near Orangeburg. She was accompanied by her sister, Mrs. Sarah Rast.

Mr. W. T. Brooker, Jr., left last week for Columbia, where he is at work at Abbott's cigar store.

Miss Sallie Varn, of Colleton, has been visiting her sister, Mrs. W. H. F. Rast. She returned home Saturday accompanied by her friend and schoolmate, Miss Katherine Cleckley, of this place.

Miss Isabel Brooker arrived here today. She attended the Summer School at Clemson College and stopped over with friends in Greenville for a few days after the school closed.

Messrs. Brunson and Steele, of Columbia, were with friends here Sunday.

Miss Clara Johnson has left for an extended visit to relatives and friends in Savannah, Ga., River Junction, Fla., and other points.

Mr. Frank Gardener, now of Columbia, was in town several days last week.

Mr. J. L. B. Rast, now of Columbia, spent last week here with his parents.

An interesting revival meeting was conducted at the Methodist church last week. Rev. J. E. Mahaffey, of St. Matthews, did some fine preaching. The congregations were large and interested.

Mrs. Ada Hildebrand visited friends at Orangeburg last week. July, 24, 1905. C.

#### Cholera Infantum.

Child Not Expected to Live from One Hour to Another, but Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey, of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another, he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by The Kaufmann Drug Co.

A Texas girl advertised for a husband and got him. The total expense for advertising, wedding outfit, etc., was \$11. Within a year he died leaving her an insurance policy of \$10,000. And yet some people claim it does not pay to advertise.

Former Supervisor Speegle, of Greenville county, is ill at Hendersonville, N. C., and will not be required to come to Greenville at present.

125,000 pounds of tobacco were sold in Dillon at from 3 to 20 cents a pound. This was the biggest break the market has had in several years.
