### News Around Gilbert.

The weather has been very fine for farm work, hay making and cotton picking have been pushed.  
The sale of cotton at this market has been very large.  
Mr. C. L. Epting of Pine Ridge, accompanied by his daughter, Miss Eula, spent last Thursday night in Gilbert. Miss Eula was a pupil here last session and will enter the Junior class in Mt. Amonenia, this week.  
Mr. Lewie Hallman and family of Leesville, worshipped at the Baptist church last Sunday. Rev. Kyzer preached an impressive sermon both in the day and at night.  
A large congregation attended preaching at the Lutheran church by the pastor, Rev. B. D. Wessinger.  
Miss Julia Merchant of Saluda, is now on a visit to relatives in Gilbert.  
The pump at the water works gave way Saturday before enough water was pumped to supply the trains over Sunday. The machinists came over from Columbia Sunday and put it in running order, then run it for some time in order to have water for the passing trains. This is one of the best watering places between Columbia and Augusta.  
The rural carriers deserve much praise for their faithfulness during the past hot dry summer. They have made their daily rounds and seem as jovial each morning they go out as if they all had not been fatigued in the least.  
The scream of the gin whistle tells that Mr. Addy is kept busy at his gin.

### A Card.

The following card explains itself:  
To Col. Griffith, State Penitentiary, Columbia, C. C.

Dear Sir: At the monthly meeting of the Board of Regents of this institution on the 1st inst., the following resolutions were unanimously passed:

That upon the invitation kindly extended this Board and its officers by Col. Griffith, Superintendent of the State penitentiary, to visit the State farms, located in Sumter and Kershaw counties, those of us who could avail ourselves of this opportunity on the 8th and 9th inst.

Resolved, that the thanks of this entire Board be, and hereby are, extended to both Col. Griffith and his efficient assistants on account of courtesies shown us on the occasion of our visit.

We found the magnificent property under crops that indicated that they had received the benefits of intensive preparation and cultivation, which, under this most efficient management, had resulted in thousands of acres of corn, cotton, peas, sorghum and potatoes that were a marvel to look upon. The droves of brood mares, mule colts, improved cattle and the hogs being raised upon these farms also particularly attracted our attention and admiration.

After seeing all these evidences of profit to be derived from this property to help the State in the support of its convicts we would deem it the height of unwisdom for the citizens of this State to ever consent that this most valuable property be sold.

B. W. Taylor, President.  
J. W. Bunch, Secretary.

### Chapin Notes.

Mr. J. E. Koon, who bought Frick & Son's ginny at Chapin, is doing a good business.

Prof. Ernest Brockman and son, of Columbia, are visiting here.  
Mrs. Mary E. Able, who has been visiting her daughter, Mrs. Bridgee, of Atlanta, has returned home.

The cotton is coming in rapidly and the price is remaining good. The farmers are not satisfied to take chances on holding. Very wise.  
The many friends and relatives of Mr. Monroe Bodie were saddened Sunday morning when it was learned that he had died at 6 a. m. He has been in declining health for a long time. He was a faithful member of the Methodist church. The funeral services were held in Luther Chapel. The services were conducted by Revs. Brabham and Austin to a large congregation. Interment was in the cemetery. Mr. Bodie's sojourn on earth was 47 years, 6 months and 27 days. A good man is gone. May God comfort the bereaved ones.

### Obituary.

Departed this life August 25, 1905. Mr. W. S. Hipp, aged about 64 or 65 years. He was born in Laurens county S. C. and moved to Lexington county when a boy.

In October 1867 he was married to Miss Elizabeth Shirey, who preceded him to the grave. Of this marriage one son was born who died in infancy. Sometime after marriage he united himself to the Lexington Baptist church, of which he remained a member till death. In 1862 he volunteered in company K, 20th Regt. S. C. V. He was wounded by a piece of shell on Sullivan Island in 1863. This piece of shell was taken out of his leg some ten or twelve years after the war and weighed about three ounces. As a soldier, husband, brother neighbor and friend he was true and faithful. He had no ambition for worldly fame; but sought the quiet and peaceful ways of life. He leaves to mourn his departure one sister in Laurens county together with numerous relatives in Laurens, Newberry and Lexington county.

Roll off thy earthly burden brother, Awake to songs of joy and gladness Christ who bore thy sin like no other Has made for thee a house in heaven.  
J. E.
