If you are not careful in selecting the place to buy your shoes this fall you will let the nimble dollars get away from you.

The high price of leather always effects the medium and lower grade shoes most.

Don't flatter yourself that you can detect the difference between a solid and a shoddy shoe.

The vital parts are hid, so you would have to cut the shoe open to examine the center and inner sole.

We are willing to be held responsible for the wear of every shoe we sell you. You don't have to know good shoes in order to get good ones here.

You don't have to know shoe values in order to get them cheapest here.

We have but one price—the lowest. Women's Flour Grain Lace Shoes \$1.00. Women's Kangaroo Calf Shoes. \$1.25. Made strong for every day wear.
