

**DO YOU GET UP**

**WITH A LAME BACK?**

**Kidney Trouble Makes You Miserable.**

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

**Gilbert Items.**

The well at the parsonage was completed today. It is 112 feet deep and has plenty of finest water.

Miss Posey Hardin, of Chester, is visiting at her sister's, Mrs. Strickland.

Mr. Wingard goes from here to Mr. Smith's to finish his well, then he will return and put in one for Mrs. Lewis.

Col. D. T. Barr was in town a few days since, also his daughter, Miss Gussie.

The school is moving on real nice. Several new students this week from the country.

Mrs. Drafts and sister, Miss Lella Lindler, have not returned from the wedding in Sumter. Suppose they have such a nice time they have decided to prolong their stay and visit friends in Georgetown and Kingstree.

The much needed rain is now falling, but don't know that it will continue for a season. The dry weather has been profitable for gathering crops of all kinds.

All who feel interested in the progress of Gilbert are pleased to see the increased trade and heavy stocks of goods carried by all the merchants. The good price being paid for cotton is a stimulant to trade and cheers the farmers. Another store is thought to open here in the near future. Besides everything in general merchandise, it will have a millinery and dress making department.

Several of our young ladies visited Batesburg Sunday evening. They report a pleasant time.

The opportunity for a boom in Gilbert never was better. Inquiries are frequent for building lots—the more the better, since it has been known that the finest water can be had by boring for it. There remains nothing more to make it one of the healthiest towns in Lexington county.

Mr. Ed Addy and Mr. Ed. Crout have each been presented with twins recently.

Foley's Kidney Cure was recommended to me by a friend, and I immediately sent my son to the store for it, and after taking three bottles I began to get better and continued to improve until I was entirely well."

**An Invitation Declined.**

Washington, October 4:—Senator Thomas S. Martin of Virginia, headed a delegation, representing the civic and commercial bodies of Petersburg, Va., at the White House today; their mission being to extend an invitation to President Roosevelt to attend the annual Reunion of the Confederate Veterans of Virginia, to be held at Petersburg on the 25th, 26th and 27th instant, under the auspices of A.
