Klondike Replied To.

I know you always are willing to have justice done, and as such I call your assention to what Klondike said in the Disputch of October 4th: "I regret that I shall not be present to cast my vote agaist the Dispensary. No longer than yesterday I saw a negro man buy a bottle of whiskey for a minor from our Dispensary" I, as Intendent of the town of Lewisdale, at once asked him to give me the name of the negro man so that I could bring him to justice. I have waited this long and have heard nothing, so I have decided, by your permission to bring the matter before the readers of your paper and let them decide where "the weakness and rottenness" is, whether in the Dispensary or the citiz-n who sees the law violated and will not bring the violator to justice. I am trying to keep our little town clean, and I feel that I have as true citizens to deal with as any place in the State, and if friend Klondike had reported this violation, the apparent violation would not rest upon "our dispensary" nor our citizens as he would have it do.

I regret very much to bring this matter before the public but in juatice to my town and its citizens I have it to do. With kindest feelings toward all, I shall ever try to remain faithful in the discharge of my duty, S. S. Lindler,

Intendant Lewiedale. October 26, 1905.

Doctors said He would not Liv.

Peter Fry, Woodruff, Pa., writes: "After doctering for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month as there was no cure for me. Foley's Kidney Cure was recommended to me by a friend, and I immediately sent my son to the store for it, and after taking three bottles I began to get better and continued to improve until I was entirely well."

INTELLIGENTWOMEN PREPARE

Dangers and Pain of This Critical Period Avoided by the Use of Lydia E. Pinkham's Vegetable Compound.

How many wo men realize that the most critical period in a woman's existence is the change of life, and that the anxiety felt by women as this time draws near is not without

reason? If her system is in a deranged condition, or she is predisposed to apoplexy or congestion of any organ, it is at this time likely to become active and, with a host of nervous irritations, make life

At this time, also, cancers and tumors are more liable to begin their destructive work. Such warning symptoms as a sense of suffocation, hot flashes, dizziness, headache, dread of impending evil, sounds in the ears, timidity, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude are promptly heeded by intelli-gent women who are approaching the period of life when woman's great change may be expected.

Lydia E. Pinkham's Vegetable Compound is the world's greatest remedy for women at this trying period, and may be relied upon to overcome all distressing symptoms and carry them safely through to a healthy and happy old age.

Lydia E. Pinkham's Vegetable Compound invigorates and strengthens the female organism, and builds up the weakened nervous system as no other medicine can.

Mrs A. E. G. Hyland, of Chestertown, Md., in a letter to Mrs. Pinkham, says:

Dear Mrs. Pinkham:-"I had been suffering with falling of the womb for years and was passing through the change of life. My womb was badly swollen. I had a good deal of soreness, dizzy spells, headaches, and was very nervous. I wrote you for advice and commenced treatment with Lydia E. Pinkham's Vegetable Compound as you directed, and I am happy to say that all those distressing symptoms left me. that all those distressing symptoms left me, and I have passed safely through the change of life a well woman.

For special advice regarding this important period women are invited to write to Mrs. Pinkham for advice. It is free and always helpful.

A Successful Trip.

The president's southern trip has undoubtedly been a glorious success. The capture and taming of a certain Louisville editor was of itself worth the cost and trouble of it all.
