

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Tribute of Respect.

Whereas, it has pleased Almighty God to take from us one of our beloved Sunday school scholars, Carrie Lavenia Addy, who died November 4, 1904. St. David's Sunday school has lost a scholar whose face we sadly miss, whose place we can never fill. While we bow to the will of God who doeth all things well, we deem it meet to offer the following resolutions of respect in memory of our departed sister; therefore, be it resolved.

1st. That St. David's Sunday school has lost a faithful member.

2d. That we extend our heart felt sympathy to the bereaved family, and that a copy of these resolutions be kept in our Sunday school, and a copy be sent to the family, and a copy be sent to The Lexington Dispatch for publication.

They shall all bloom in the field of light,
Transplanted by my care,
And saints, upon their garments white,
These sacred blossoms wear.
And the mother gave in tears and pain;
The flower she most did love;
She knew she would find her flower again,
In the fields of light above.
O! not in cruelty, not in wrath;
The reaper came that day,
'Twas an angel visited the home them;
And took their flower away.

Dispensaries Remain Open.

The supreme court has granted the temporary injunction asked for by Attorneys Beinger and Welsh which will keep the dispensaries open in Anderson until a hearing is had on January 8 on the constitutional questions raised. In three counties, Spartanburg, Greenville and Anderson, the dispensaries that have been voted out remain open under the injunction proceedings and the people are anxious for the matter to be settled by the court.

Commissioner Tatum has received the regular requisitions from the dispensaries in these counties for the usual supplies of whiskey and has shipped out some of it, but he also wishes a settlement of the matter on account of his bond, which might become involved in some way.

So far, according to the commissioner, the dispensary has not felt the effects of the voting out of the dispensaries and the business is about the same.

Torture of a Preacher.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church, of Harpersville, N. Y., will interest you. He says: "I suffered agonies because of a persistent cough resulting from the grip. I had to sleep sitting up in bed. I tried many remedies, without relief, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which entirely cured my cough, and saved me from consumption." A grand cure for diseased conditions of Throat and Lungs. At The Kaufmann Drug Co., druggists; price 50c. and \$1, guaranteed. Trial bottle free.

Will Hang.

Arthur Williams, Jenkins Burrows and Robert Scott, were convicted of murder at a special term of Court in Williamsburg County, last week, and were sentenced to hang on January 12th next. These negroes murdered Mr. Julian Wilson, on the night of October 13th, at a country store in the lower part of Williamsburg county.

Water Cure for Constipation.

Half a pint of hot water taken half an hour before breakfast will usually keep the bowels regular. Harsh cathartics should be avoided. When a purgative is needed, take Chamberlain's Stomach and Liver Tablets. They are mild and gentle in their action. For sale by The Kaufmann Drug Co.

Brown Got the Job.

It seems that some time ago District Attorney John G. Capers had one of the inspectors to examine the affairs of the Belton post office, then under the charge of J. E. Horton. There was nothing wrong with the office, but the inspector reported that Horton's sons were doing most

of the work, a thing not unusual in the country post office. Capers then wrote Senator Latimer stating that Horton would be removed and said that as Belton was the home town of Latimer he would be allowed to suggest any one he saw fit for the office. Senator Latimer announced that he would stand by Horton and endeavor to have him retained.

As a counter proposition Capers suggested Carroll Brown, who is a relative of Senator Latimer by marriage. Even this idea did not suit the senator and he still stuck by Horton.

The influence of Capers, however, was too strong and Brown was appointed and his confirmation will be announced in a few days. Just what the South Carolina delegation will do about the matter is not known. They are all aware that in one half of the small offices the relatives of the postmaster usually help in the work of the office and in many instances do all of the work. They do not want the post office inspector to remove these men and necessitate worry and trouble in their districts. They will probably let the matter drop, however, and wait for developments that may arise in the senate, where the appointments are watched by the senators.

Doctors Could Not Help Her.

"I had kidney trouble for years," writes Mrs. Raymond Connor, of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief, and I am now cured. I cannot say too much for Foley's Kidney Cure." It makes the diseased kidneys sound so they will eliminate the poisons from the blood. Unless they do this, good health is impossible. The Kaufmann Drug Co.

A Tragic Death.

Mr. Myles D. Blackman, of Columbia, who was running a wood saw near Tom's creek, on the old State road, this county, was killed from wounds inflicted by the saw while in motion, Friday of last week. The saw was running at its usual rate of speed when for some unknown reason it burst into fragments and one piece struck him full in the face, splitting open his head from chin to crown. He was placed in a vehicle and started for the Columbia hospital and died on the way. He was 54 years of age. His remains were carried to Lancaster his old home for interment.

Cure for Sore Nipples.

As soon as the child is done nursing apply Chamberlain's Salve. Wipe it off with a soft cloth before allowing the child to nurse. Many trained nurses use this with the best results. Price 25 cents per box. For sale by The Kaufmann Drug Co.

The Elks, of Columbia, are preparing to give the poor children of that city a Christmas tree filled with many joyful offerings.

Chester jail has now among its inmates perhaps the oldest and the youngest prisoners in the State—a woman 75 years old and a boy less than 9 years; both are charged with the highest crime known to law—murder.

Now is the time to guard the health and strength of the lungs. The best remedy to use for coughs and colds is Bee's Laxative Honey and Tar. The only cough syrup that does not constipate the bowels, but which on the other hand, expels all cold from the system by acting as a pleasant laxative. Best for coughs, colds, whooping cough, etc. Sold by Kaufmann Drug Co.

Some men stick to a standing argument until their feet are knocked out from under them.
