

THE LEXINGTON DISPATCH.

Wednesday, January 3, 1906.

Your Uncle Jones.

The weekly meeting of the Methodist ministers of Atlanta held Monday morning at the Wesley Memorial church was addressed by Rev. Sam P. Jones, the well known evangelist. Mr. Jones first spoke of the manner of preaching, and recommended the old-time method, and somewhat decried the preacher who is a scientist.

"A preacher who is nothing but a book worm isn't fit to preach to a pen of billy goats," he said, "while a minister who never reads shouldn't be allowed to address a dog kennel."

"The trouble with most of these all-book fellows is that they don't assimilate what they read."

Passing from this subject he touched on the liquor question. "Every preacher ought to fight liquor," he said, "and if you ain't a big engine and can't pull any cars, why, toot your whistle anyway."

Rev. Jones then spoke of the difference that exists between himself and some of the bishops of the Methodist church.

"I have no grudge against the bishops in general," he said, "but when a bishop talks about me I'm going to talk back. When a fellow goes to monkeying around my tail I kick and I had just as soon kick the filkin' out of a bishop as a dog. And when a bishop sticks his tail under my wheel he may expect to get a joint or two cut off."

Rev. Jones closed his address with a request that the ministers pray for him in the war he intends waging against sin in Georgia.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for constipation.

Talking to the Boys.

A Missouri contemporary rises to remark: "Once I was young but now I am old, but I have never seen a girl that was unfaithful to her mother that ever came to be worth a one-eyed button to her husband. It is the law of God. It isn't exactly in the Bible but it is written large and awful in the miserable lives of any unfit homes. I'm speaking for the boys this time. If one of you chaps comes across a girl that, with a face full of roses, says to you as she comes to the door, 'I can't go for thirty minutes, for the dishes are not washed yet,' you wait for that girl. You sit right down and wait for her, because some other fellow may come along and carry her off and right there you lose your angel. Wait for that girl and stick to her like a burr to a woolly dog."

Colony of Russians for Aiken.

We notice from the Columbia Record that the Incorporated Farming association, of Aiken county, as a result of the work of Commissioner Watson and his New York representative have secured a colony to settle 2,200 acres in that county. About twenty-five families, or about 100 persons in all, will be brought first. They will come from Russia and are all English speaking, having lived in this country for some time. A peculiar personal characteristic feature of these people is that practically all of them are blondes. They are described as a hard working, industrious race, and with the desirable land they have secured are bound to succeed.

Chronic Constipation Cured.

One who suffers from chronic constipation is in danger of many serious ailments. Orino Laxative Fruit Syrup cures chronic constipation as it aids digestion and stimulates the liver and bowels, restoring the natural action of these organs. Commence taking it today and you will feel better at once. Orino Laxative Fruit Syrup does not nauseate nor gripe and is very pleasant to take. Refuse substitutes. The Kaufman Drug Co.

A Changed Condition.

Although there was a tremendous crowd in town, Union, S. C., Saturday, the police report but one person drunk, which was late at night, and instead of the criminal docket from the 20th to the 26th being 36 as it was last year, there were but four cases of drunkenness, showing that though much liquor has been shipped here, the conditions under prohibition are much better than under the dispensary.

Mrs. Dora Suggs was assaulted and murdered on Tuesday on the roadside while on her way home from Miami, Fla., where she had been shopping.

The Case of Adam and Eve.

"In a certain church in Colorado Springs," said an Oregon clergyman, "there used to be a queer old, crusty character, a Scot who was noted for his profound knowledge of the scriptures. I lectured in that church one evening, and after the lecture the Scot and I and some few others fell into conversation.

"I was urged to put the old man's scriptural knowledge to the test. I was urged to question him and to let him question me. He would get the better of me—that, every one said, was certain—but I had my doubts and, turning to the Scot, said confidently: 'I will try you, my friend, with the grand, leading, insurmountable question, how long did Adam remain in a state of innocence?'"

"The Scot answered. 'Till he got a wife.' 'Then, with a grim chuckle, he went on: 'But can you tell me, sir, how long he remained after?'"

PERMANENT MEADOWS should have

an annual dressing of 500 pounds per acre of a fertilizer containing eleven per cent. POTASH and ten per cent. available phosphoric acid.

This will gradually force out sour grasses and mosses from the meadows, and bring good grasses and clovers; thus increasing the quality as well as the quantity of the hay.

Our practical book, "Farmer's Guide," gives valuable facts for every sort of crop-raising. It is one of a number of books on successful fertilization which we send on request, free of any cost or obligation, to any farmer who will write us for them.
