Dangers of a Cold and How to Avoid Them.
More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by Kaufmann Drug Co.

Sickening Shivering Fits
of Ague and Malaria, can be relieved and cured with Electric Bitters. This is a pure, tonic medicine; of especial benefit in malaria, for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to Quinine, having none of this drug's bad after-effects. E. S. Munday, of Henrietta, Tex., writes: "My brother was very low with malarial fever and jaundice, till he took Electric Bitters, which saved his life. At The Kaufmann Drug Co.'s Drug Store; price 50c., guaranteed."

A. H. Thurnes, a well known operator of Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel and stones with excruciating pain. I got no relief from medicine until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick dust like fine stone and now I have no pain across my kidneys and I feel like a new man. It has done me \$1,000 worth of good. The Kaufmann Drug Co."

Huntley, of Oaklandon, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and today she is well and strong. It kills the germs of all diseases. One dose relieves.
