== MULES! MULES!! MULES!!! ==

With the welfare of our Customers as well as our Bank account at heart we allowed our stock of Mules to run a little low last week, which was on account of the extreme high prices on the market.

However, our General Manager and Buyer, Mr. J. H. Hood, "outstayed" them, and we beg to report one car of Extra Fine Mules from middle Tennessee and one car of Extra Fine Mules from Kentucky, which have just arrived. We do not mean to convey the impression that they are cheap, but say positively, considering the quality and price it is the cheapest stuff on the market and in reality are not so high after all. We also have some cheaper second hand Mules from the up country.

We are prepared to furnish anything you might need in the Mule, Horse, Wagon or Buggy line.
