

Upper Saluda Letter.

To the Editor of the Dispatch: Mr. Editor and kind readers, I visited Lexington and heard from some of her most prominent ones that the trolley line through that town was in sight—we rejoice with you.

The farmers are making fine progress now. Everything is in a mad rush to "get there." Some of the farmers have yoked their yearlings to the plow; some don't scruple to plow a while after dark. The women and children have come into the rush. All trash and rubbish is piled and goes up in volumes of flame and smoke.

Two old veterans have passed away since my last writing. J. W. Talbert, April 4th, and Lindsey Dominick, April 5th. One by one they cross over. Oh! Jesus receive them. General news is scarce here. We note, with pleasure, the reunion at Columbia in May. Old veterans I hope that many of the brothers will meet each other there.

No planting has been done in this section. My weather prophet is trying to forecast a dry spell.

The small grain crops promises to be above the average.

Cotton acreage will not be increased in this section. Some of our farmers are going to experiment with vegetable crops to some extent.

Our old widower has postponed his second marriage till after harvest, if no latter. R. V. April 7, 1906

Human Blood Marks.

A tale of horror was told by marks of human blood in the home of J. W. Williams, a well known merchant of Bacon, Ky. He writes: "Twenty years ago I had severe hemorrhages of the lungs, and was near death when I began taking Dr. King's New Discovery. It completely cured me and I have remained well ever since."

A Deserved Complement.

From the State of Thursday, April 19th, we learn that one of Lexington's sons, so long engaged in the educational interests of Columbia, has been re-elected as superintendent of the city schools.

"Mr. E. S. Dreher, who has been connected with the schools since they were six years old—six years as a teacher and principal and 11 as superintendent—was complemented by a unanimous election with an increase of salary to the position he now holds. Mr. Dreher has done splendid work in the schools, and his re-election will give the greatest satisfaction to a large majority of the patrons of the schools. He has the interest of the schools truly at heart."

Chamberlain's Salve.

This salve is intended especially for sore nipples, burns, frost bites, chapped hands, itching piles, chronic sore eyes, granulated eye lids, old chronic sores and for diseases of the skin, such as tetter, salt rheum, ring worm, scald head, herpes, barbers' itch, scabies or itch and eczema. It has met with unparalleled success in the treatment of these diseases. Price 25 cents per box. Try it. For sale by The Kaufmann Drug Co.

Married.

On Wednesday, April 11, 1906, at the home of the bride's mother, Mrs. Eudora Etheredge, Prof. B. B. Hare, of Leesville, and Miss Kate Etheredge, of Saluda county, Rev. Broadus Derrick, of Augusta, Ga., officiating.

Devil's Island Torture

is no worse than the terrible case of Piles that afflicted me 10 years. Then I was advised to apply Bucklen's Arnica Salve, and less than a box permanently cured me, writes L. S. Napier, of Bugles, Ky. Heals all wounds, Burns and Sores like magic. 25c at Kaufmann Drug Co., Druggist.

Tutt's Pills

stimulate the TORPID LIVER, strengthen the digestive organs, regulate the bowels, and are unequalled as an ANTI-BILIOUS MEDICINE,

In malarial districts their virtues are widely recognized, as they possess peculiar properties in freeing the system from that poison. Elegantly sugar coated. Take No Substitute.

Pond Branch Brieflets.

To the Editor of the Dispatch: Fruit will be plentiful if the Easter cold wave don't be too severe.

Much corn and some cotton has been planted, so farm work is very well advanced.

Please remember the club meeting Saturday evening, April 28, at 3 o'clock.

Mr. John R. Holley and family spent last Saturday and Sunday with relatives in the Dupler section.

Mr. J. Meetze, of Ballentine, visited relatives here last week.

Mrs. J. M. Craps, of Lexington, with her children, is spending the Eastertide with her father, Mr. G. W. Lewis.

Mr. Willie J. Smith has been employed to teach a singing class at Boiling Springs church.

A small child of Mr. and Mrs. Millage Taylor died Sunday. The interment was at Boiling Springs Monday.

The dogwood is in blossom and the fishermen may be looked for. A small fishing party gathered somewhere in this community last Saturday night, and how they ate fish and enjoyed the sweet melodies of a strig band only those present are able to tell.

Mr. John W. Lewis and Miss Carrie Ricard, both of this section, were married at the Methodist parsonage last Wednesday afternoon by Rev. Jas. K. Inabinet. O Gilbert, S. C., April 14, 1906.

The gums and resins obtained from pine trees have long been recognized as highly beneficial in the treatment of backache, kidney and bladder troubles. Pine-ules is the name of a new medicine, the principle ingredients of which come from the pine forests of our own native land. Sold by Kaufmann Drug Co.

Crowding Our Country--30,000 Aliens This Week.

New York, April 19.—The unprecedented Spring influx of immigrants arriving in the port of New York continues without signs of abatement, and it is estimated by the Ellis Island officials that no less than 50,000 foreigners will have arrived here by the end of the ensuing week.

Immigration figures show that exactly 28,556 immigrants have arrived in New York since Sunday morning. Of that number fully 10,000 have already been discharged from Ellis Island, while 5,000 more who remain on the island will be discharged today. Nearly 14,000 more are still held on the ships because of the lack of room on Ellis Island.

A large number of steamships are due to arrive this week, and advance reports show that each is heavily laden with steerage passengers.

The crowd surrounding the Ellis Island ferry at the battery has been so large for the past two days that an extra detail of police has been stationed there.

The Richest Man in the World.

The richest man in the world can not have his kidneys replaced nor live without them, so it is important not to neglect these organs. If Foley's Kidney Cure is taken at the first sign of danger, the symptoms will disappear and your health will be restored, as it strengthens and builds up these organs as nothing else will. Oscar Bowman, Lebanon, Ky., writes: "I have used Foley's Kidney Cure and take great pleasure in stating it cured me permanently of kidney disease, which certainly would have cost me my life." A Former Citizen Dead.

Mr. George G. Etheredge, well known to many of our people and a former citizen of Batesburg, and of this county, died of apoplexy in the Columbia Hospital, on Monday 16th, after a continued illness.

If we all had our lives to live over again we would probably make a worse job of it.
