

Tillman and Daniel Mix It.

There was a sharp colloquy between Senators Daniel and Tillman over an amendment to the anti-pass provision.

Senator Daniel sought to have the anti-pass amendment so amended as to include the families of attorneys among those who may receive passes and Senator Tillman said that Mr. Daniel's amendment would make the provision a laughing stock and suggested that Mr. Daniel should withdraw his amendment so that we can get to "something else."

The Virginia senator did not accept with favor the characterization of his amendment. "I don't intend to sit still and listen to the misrepresentation of my amendment in your unjust and passionate manner," he said.

He had interrupted Mr. Tillman to make this statement and notwithstanding he spoke in evident anger the South Carolina senator apparently did not resent what was said. He replied by calling attention to the fact that his antagonist was proceeding in his time, and added, "I propose to retain the floor and also to retain my temper."

Mr. Daniel did not, however, take the hint to surrender the floor and he continued his remarks, saying: "Your manner is rough and insulting to gentlemen with whom you are debating."

Mr. Tillman still kept his temper and yielded the floor to the Virginian in order that the latter might continue his speech.

Pirating Foley's Honey and Tar

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. Kaufmann Drug Co.

ARTHUR WRIGHT ARRESTED.

Negro Who Killed Two Men With a Knife Arrested at Chapin Yesterday.

Arthur Wright, the negro slayer of two other negroes, Charlie Ruff and James Satterwhite, last Saturday night, May 5th, was captured yesterday, May 11th, at Chapin, a small station on the C, N & L road, a few miles from this city. Wright is now in the Columbia jail awaiting trial for the double murder. The capture was made by H. F. and C. F. Koon, who knew the negro and had been on the lookout for him. They found him walking leisurely along the public road. He did not deny his identity and did not resist arrest. He does not deny the killing, but he will not say what his defense will be. It is hardly necessary to say that he will plead self defense—Columbia Record.

Not If as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, is pleasant to take. Every family should be supplied with it. Sold by The Kaufmann Drug Co.

Five miners were instantly killed and 12 others were injured in an explosion of dynamite in a coal mine near Shenadosh, Pa., on Tuesday.

Crazed by drink and unrequited affection for a girl, James H. Clark, a telegraph operator of Chamblée, 12 miles from Atlanta, Ga., on Tuesday shot and killed one man, seriously wounded three others and then committed suicide.

Forty houses occupied mostly by negroes in South Atlanta were burned on Tuesday. The loss is \$40,000.

He who would enter politics should first learn the art of side-stepping.

Gilbert Notes.

To the Editor of the Dispatch: Fine weather this week and all farm work is progressing well.

The frost of last week did a great deal of damage, however, it was much severer in some places having cut down corn, thinned cotton and killed garden truck.

The Western Union Telegraph Company's repair crew left here this morning. They have been here several days making changes and repairs along the line. Something new that looks like a bee-live has been set up on a post near the depot, and a snake like serpent extends into the operator's office.

Revs. Hite and Roof passed through town recently on their way home from the theological seminary at Mt. Pleasant.

Mr. Jeff Amick spent a night with his brother Pierce recently. Both are noted saw mill men.

The many friends of Mrs. J. R. W. Sease will be glad to learn that she is to return to her home in a few days cured of her facial blemishes. She has been in Columbia under x-ray and sunray treatment for these troubles since Christmas.

The Sunday school was largely attended last Sunday evening, after which the attention of many was attracted to the sounds of preaching at the depot by an unknown person. Whether this man was a preacher or not, he handled the Scriptures well and made many very good applications.

Ever long the Lutherans will have a well in the parsonage yard which will add much to their pastors convenience for water.

It Is Dangerous to Neglect a Cold.

How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by The Kaufmann Drug Co.

Was Wasting Away.

"I had been troubled with kidney disease for the last five years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. Kaufmann Drug Co.
