Union, Saturday, August 4th. Newberry, Tuesday, August 7th. Greenwood, Wednesday, August 8th. Abbeville, Thursday, August 9th. Anderson, Friday, August 10th. Walhalla, Saturday, August 11th. Pickens, Monday, August 13th. Greenville, Tuesday, August 14th. Laurens, Wednesday, August 15th. The committee think this schedule will suit all and will work out all right. They decided to change the rule with reference to protests and the following is the rule as amended: "Rule 7. The protests and contests for county officers shall be filed within two days after the election with the chairman of the county executive committee, and said executive committee shall hear and determine the same at the first meeting thereafter. The State executive committee shall hear and decide protests and contests as to United States senator, State officers, congressmen and solicitors, and three days shall be allowed for filing same after the decision of the county executive committee."

The effect of this rule as amended is to require candidates making protest to file their papers within two and three days so that the State executive committee will not be in too great a hurry in having tickets printed and distributed. Heretofore the time was five days for county candidates and ten days for candidates for State officers.

Pirating Foley's Honey and Tar

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. Kaufmann Drug Co.

A Snag Boat.

Mr. Watson brought the gratifying intelligence that there is now building by the government at Georgetown a larger and stronger snag boat for use on the Santee and Congaree rivers. She will be completed by July and will be put into commission at once, being sent immediately to work on these rivers. Mr. Watson has been advised by Congressman Lever that Chairman Burton of the rivers and harbors committee has consented to make his long desired trip to Columbia and Georgetown just as soon as congress adjourns. Mr. Lever has been endeavoring to get Mr. Burton to make this visit for a long time. That it will mean much to this State goes without saying. Steps are already being taken in Georgetown for the entertainment of Mr. Burton.

Not If as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, is pleasant to take. Every family should be supplied with it. Sold by The Kaufmann Drug Co.

River Bulletin Service.

Dr. Frankenfield's stay of ten days in South Carolina has been a busy one. As a result of the work of the State department and of the vigorous efforts of Congressman Lever, Mr. Frankenfield, who is in charge of all the rivers of the United States, was sent here to establish and put in operation a complete flood warning service on all the river valley territory in the State, the object being to protect and develop the cattle raising industry of South Carolina. Secretary of Agriculture Wilson had promised this service and Dr. Frankenfield's visit was due to this. The new service is to be put into effect at once and will cover the valleys of all of the rivers in the State affected by floods. All reports, save for the Pee Dee territory, will be sent into the weather station here and will thence be distributed by wire and posted at points in all the valleys convenient to those having cattle in the valleys. These warnings will also be of great value to the lumbering interests. Commissioner Watson is loud in his praise of the effective work done by Congressman Lever in this matter. Dr. Frankenfield while in the State visited all the rivers and went personally to points in the Piedmont, on the Cataba, on the Wateree went down the Congaree and Santee valleys in boats and on shore, and has gone back to Washington thoroughly informed as to South Carolina rivers.

It Is Dangerous to Neglect a Cold.

How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by The Kaufmann Drug Co.

One Button Was In Use.

A school principal was trying to make clear to his class the fundamental doctrines of the declaration of independence.

"Now, boys," he said, "I will give you each three ordinary buttons. Here they are. You must think of the first one as representing Life, of the second one as representing Liberty, and of the third one as representing the Pursuits of Happiness. Next Sunday I will ask you each to produce the three buttons and tell me what they represent."

The following Sunday the teacher said to the youngest member:

"Now, Johnnie, produce your three buttons and tell me what they stand for."

"I ain't got 'em all," he sobbed, "Here's Life an' here's Liberty, but momer sewed the Pursuit o' Happiness on my pants."

Was Wasting Away.

"I had been troubled with kidney disease for the last five years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. Kaufmann Drug Co.

The State board of pardons has granted a pardon to Jesse E. Bush, of Spartanburg. Bush shot and killed a man named Israel who had seduced his 13-year-old daughter, and the jury found him guilty of manslaughter and he was sentenced to two years in the penitentiary. He had not begun to serve his sentence.

The candidates for the gubernatorial chair who have announced themselves thus far are, Lieutenant-Governor J. T. Sloan, M. F. Ansel, R. I. Manning, C. L. Blease and Joel E. Brunson. The last named is out for prohibition.
