TO THE SONS OF VETERANS.

Division Commander George Bell Timmerman Names His Staff--Plans for the Organization.

Mr. George Bell Timmerman, who was elected commander of the South Carolina division of the United Sons of Confederate Veterans at the meeting of the organization held during the recent reunion has issued his first general order assuming command and naming the appointments of the members of his staff. In addition to those named in the order he will later appoint a division commissioner and a division inspector and other aids and assistants.

Mr. Timmerman states that it is his desire to bring the Sons up to a higher state of organization and to increase the membership. He thinks it important to keep the necessity and good of the body before the eyes of those whose sires fought for the revered cause and in this way believes that those who are now indifferent may become interested and join in the work. The most definite object now in view is to arouse interest in the proposed trip to Richmond during the next general reunion and Mr. Timmerman will devote his chief efforts to the success of this plan.

The order issued under date of June 4 is as follows:
Headquarters South Carolina Division United Sons of Confederate Veterans Lexington, S. C., June 4, 1906.
General Orders No. 1.

Having been elected division commander of the South Carolina division of the U. S. C. V. at the recent convention held during the annual reunion of Confederate veterans, Columbia, S. C., in May, I therefore assume command of this division, and headquarters are hereby established at Lexington, S. C.

I take this first opportunity of extending my thanks to those of my comrades, who did me the honor to place me at the head of an organization that has its purpose the promulgation of such a worthy cause. I trust that in the undertaking I shall make to revive an interest in this organization, I shall have the hearty co-operation of every son of a Confederate veteran.

I ask this because I conceive it to be a privilege that we enjoy and should appreciate to see to it that history properly records the records of the Confederate soldiers.

In accordance with section 29 of the general constitution I hereby announce the following appointments:

D. A. Spivey, Conway, adjutant and chief of staff; Alfred J. Fox, Lexington, assistant adjutant and chief of staff; C. Wardlaw Moorman, Columbia, division quarter master; A. C. DePass, Columbia, division judge advocate; Dr. Ryan A. Gyles, Blackville, division surgeon; Rev. Melton Clark, Florence, division chaplain; W. S. Cogburn, Edgefield; Isaac Hough, Camden, and W. A. Shealy, Leesville, aides. These appointments rank from June 1, 1906.

By order of
George Bell Timmerman,
Com. S. C. Division U. S. C. V.
Official:

D. A. Spivey,
Adjutant and Chief of Staff.

The appointment of the members of his staff which have not yet been made will be announced in a short time when Mr. Timmerman will also have other matters of interest to call to the attention of the division.

The Very Best Remedy for Bowel Trouble.

Mr. M. F. Borroughs, an old and well known resident of Bluffton, Ind., says: "I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it." This remedy is almost sure to be needed before the summer is over. Why not buy it now and be prepared for such an emergency? For sale by Kaufmann Drug Co.

Mr. L. W. Boykin Writes a Letter.

The members of the former State board of directors of the dispensary have not appeared before the investigating committee in answer to the invitation of the committee. Mr. L. W. Boykin was present yesterday, but did not go on the stand. Col. John Bell Towill was present the day that Mr. C. C. Davis, of Newberry, testified to the matters which have excited so much comment. Mr. H. H. Evans has taken apparently little interest in the investigation, as he has not been in Columbia recently. No return was made by him yesterday through his attorneys.

At the meeting of the committee

Thursday afternoon, Mr. R. H. Welsh of the law firm of Bellinger & Welsh appeared and presented a return for Mr. Boykin and a separate return for Mr. Towill. The two are identical in language, but are not signed jointly. Columbia, S. C., June 16, 1906.

Hon. J. T. Hay, chairman, and other members of the committee appointed to investigate the affairs of the State dispensary.

Gentlemen: In response to your invitation, if I so chose, to appear before your committee today for the purpose of making any statement that I desire to make concerning my former connection with the State dispensary I beg to say that I prefer that your investigation should proceed uninfluenced by any statement that I might make. The more thorough and searching the investigation is made, the more certain will the correctness of my conduct be demonstrated. I am not only anxious to see the investigation proceed in the most rigid manner but I should be much disappointed if it did not do so. Indeed, humiliating as it might be, I challenge the closest scrutiny of my conduct before any tribunal before which it can be made.

I have no fear that those who know me will believe that I have done anything that has been either illegal or immoral. Instances in which honorable men might differ with me in judgment may, and perhaps will be discovered. Wrong cannot be, for it does not exist. While I have keenly felt the injustice and the cruelty of some of the suggestions which have been made in relation to my former connection with the dispensary. I am confident that when the scrutiny has been made complete that even those who do not know me will reach a like conclusion with those who do.

At a future day and when it can have no influence upon the action of your committee it is my purpose to send you a written statement covering the matters that I deem of consequence, which I shall ask you to regard as part of this communication and which I shall ask you to file as a part of your report.

Very respectfully,
L. W. Boykin.

Cured of Bright's Disease.

Geo. A. Sherman, Lisbon Red Mills, Lawrence Co., N. Y., writes: "I had kidney disease for many years and had been treated by physicians for twelve years; had taken a well known kidney medicine and other remedies that were recommended but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water about every fifteen minutes, day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure." The Kaufmann Drug Co.

G. G. Watson shot and seriously wounded his son-in-law, N. V. Drandridge in Darlington on last Thursday. Drandridge had come to Watson's to see his children, he and his wife having separated some time ago—and while there the trouble arose.

A hundred years ago the best physician would give you a medicine for your heart without stopping to consider what effect it might have on the liver. Even to this good day cough and cold medicines invariably bind the bowels. This is wrong. Bee's Laxative Cough Syrup with Honey and Tar acts on the bowels—drives out the cold—clears the head, relieves all coughs, cleanses and strengthens the mucous membranes of the throat, chest, lungs and bronchial tubes. Sold by Kaufmann Drug Co.

Alice Cleveland, a colored mute, was killed by being run over by a freight train near Santuc, Union county, on June 16th.

Thos. E. Miller has resigned as president of the state colored college at Orangeburg. He resigned because the trustees selected two teachers over his protest.

T. X. L. cures cold in the head.

A gloom was cast over the 300 delegates attending the southern conference of the Y. M. C. A. in Asheville on June 16th, by the sudden death of Mrs. George H. Atkinson. While making an address at the opening exercises she was attacked with heart failure and died suddenly.

If you knew the value of Chamberlain's Salve you would never wish to be without it. Here are some of the diseases for which it is especially valuable: sore nipples, chapped hands, burns, frost bites, chilblains, chronic sore eyes, itching piles, tetter, salt rheum and eczema. Price 25 cents per box. For sale by Kaufmann Drug Co.

An indignation meeting was held in the court house at Darlington to protest against the use of the roads by automobiles. Various methods of stopping it were suggested, the shotgun being one. Look out Austin. T. X. L. cures rheumatism.
