Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours;

a sediment or settlingindicatesan unhealthy condition of the kidnevs; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is

also convincing proof that the kidneys and bladder are out of order.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root; the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and

book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When Home of Swamp-Roo writing mention this paper and don' make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

Atlanta Once Again Itself.

Atlanta, Sept. 27.-Atlanta in all her history, has never known a more quiet or peaceful day than today has been. Normal conditions following the riots have been completely restored, and there has come over the community also the feeling of peace and security which dispels all fears.

Business everywhere has been resumed, the laborers, both negroes and whites, have all gone to work, and it is safe to say there are more negroes at work now than has been the case in many a day. Their loafing haunts are closed and there is nothing else left for them to do.

The Atlanta military is still kept in the armories at night, and a small patrol is kept in the outlying districts merely to strengthen the feeling of security. This will be continued through Saturday night, and the troops will then be quietly withdrawn from duty. The city police force in its augmented state will probably be kept up permanently. The authorities have realized the necessity for a strengthened police force for some time, and now that events have brought it about the extra men put on will, no doubt, be all retained.

The action of the city council in revoking the licenses of all saloons for the purpose of weeding out the low dives, has been generally commended throughout the city. It is stated that licenses will be granted to decent and respectable places.

Now that the saloons are closed for a week or ten days, the Anti-Saloon League is anxious to keep them closed permanently.

Stensland's Case Record Breaker

Chicago, Sept, 26 .- Paul O. Within three hours after Stensland arrival in Chicago today from Morocco, whither he fled before the bank failed, the former bank president pleaded guilty and received sentence. Attempted Outrage.

In the town of Fort Mottte, Orangeburg county, last week, a negro man drew a pistol on two young white ladies as they were walking on a back street and attempted to shoot them. The pistol refused to fire, however, and the young women ran, with the negro after them. He pursued them only a short distance, and ran off into a corn field. He was soon captured and identified by the young ladies. A meeting of citizens was called, and after discussing the matter, they decided to let the law take its course. The negro was sent to Orangeburg and put in jail.

CASHIER LEFT.

John W. Fairy is Gone from Orangeburg and it is Not Known Where He is-Said Failure to Balance Ledger Worried Him.

Orangeburg, S. C., Sept. 27.-John W. Fairey, cashier of the Edisto Savings bank, of this city, has disappeared and his whereabouts are not known. It is alleged that Mr. Fairey failed to get his current ledger to balance and in a letter received by the directors of the bank this morning, he states that it was for this reason that he left. He left the city last Sunday night on the up train for Columbia, and it was in that city that he was last seen.

Mr. Fairey, in his letter, asks that an investigation of the books be made

by an expert, the expense of which he will bear. He assures the directors that the result of this investigation will prove nothing against him.

It is alleged that there has not been an examination of the current ledger for some three years. Mr. Fairey has been cashier of the bank for only about ten months.

It is not believed in this city that Mr. Fairey has misappropriated any of the funds of the bank, but that when he failed to make his ledger balance he thought it wise to leave the city until an investigation should be made.

PREPARATIONS WILL BE GRAND SUCCESS

Oct. 22 to 27

Everybody is going to the Greater State Fair this year. Preparations are being made to entertain about twice as many as were there last year, and that was about the biggest crowd in the history of the fairs. This year the foremost feature will be the "homecoming" celebrations. Every South Carolinian, no matter where he lives now, is expected to be in Columbia that week. Indications are that thousands of people from all over the United States will take advantage of this opportunity to come and renew friendships and see their dear old home again. If you have any relative or friends living in other states, write them about this "home-coming" week. Do it right now. And make them come. The railroads have been prevailed upon to give the cheapest rates, ONE FARE FOR THE ROUND

As to the fair itself, everything will be in great shape. The new buildings have been put in apple-pie order and the grounds trimmed up. The entrances and exits have been rearranged so that there will be no trouble as to handling crowds twice as large as heretofore.

The fair will start this year on Monday, October 22 and will run five full days, ending on the night of the 27th. Every day will bring forward some new and interesting feature. And the races-four days-will be the finest ever seen in the South. The track at the fair grounds now is the fastest in the South. Some of the best horses on the track will be in these races. John L. Sullivan will give pugilistic exhibitions.

For those who enjoy such things. the theaters and dances will be of the highest order, even eclipsing all previous years.

Everybody you know will be at the fair this year. Make your arrangements and be on hand from start to finish. Ample arrangements are being made for the accommodation of all visitors. And the street car service to and from the grounds will be helped out by the railroads as special trains will be run every day to and from the Fair Grounds. There will be no inconvenience. Just lots of fun and a jolly good time for everybody. If any information is desired, write to Mr. A. W. Love, secretary, Columbis, S. C.
